It's not to late to Register for Fall Semester!!

Classes are still available for Fall semester. If you have any questions, please contact the Admissions and Records Office at 661-362-3970 or stop by building 1C on the Canyon Country campus, or Canyons Hall at the Valencia campus, during open office hours.

For questions about what classes to take that will keep you on your pathway to success, contact the Counseling Department.

For a full list of the **Fall 2019 courses** at both campuses view the class schedule online at www.canyons.edu/canyoncountry/class/schedule.php, or on your MyCanyons account.

The Valencia Campus's popular Basic Needs Center (BaNC) is now open at the Canyon Country campus on Wednesdays and Thursdays, from 9am to 4:15pm, in Room 202A. The Center is open to all currently enrolled students and provides "grab and go" food items requiring little to no preparation. There is no criteria to qualify, so all can take advantage of this **free** service. Note that at this time, the CCC location will provide food only. Outside of BaNC hours, food items will also be available for pick-up at the Counseling Office and ASG Lounge. For questions, contact us at 661-362-3261.

In the interim, the vending machines will still be available, moving to room 302 when construction begins in 303. In addition, we will pilot something new at the CCC - food trucks rotating to the Campus! Stay tuned for days/hours as we finalize details with the trucks.

Message from Campus Safety

Important tips for students:

1. Eat and hydrate before class(s). Campus Safety responds to numerous calls of sick/injured students and the number one culprit is low blood sugar and dehydration.
2. First week, allowing enough time to arrive before class(s) to find parking space, as it is crowded and we are a ONE way roadway.
3. Speaking of ONE Way, please follow marked traffic signs and controls and don't drive the wrong way. The speed limits are between 5 and 15MPH as there are numerous curves, speed bumps, and pedestrians. Stop for pedestrians in crosswalks, it's the law.
4. For those students that are being dropped off (not driving themselves) there is a pick up/drop off at the top of the Campus (white curb/signs posted) horseshoe. Alternatively, students can be dropped off in any student parking lot, and easily walk to their class from there. Parents and other drivers should not stop in roadways or red curbs, as it is against the law and they will be cited. It also creates a traffic/safety hazard for them, as well as other students.
5. Parking passes can be purchased online via the COC website (recommended) or day passes can be purchased in student lots 1, 2 and 3 at the black parking machines. From time to time, these machines may be out of order, and if so, the only vehicles that will be cited are those that park illegally such as in staff, handicapped or non-student designated spaces/lots. Students who choose not to buy a semester parking pass, and fail to check machines (to see if they are working) run the risk of being cited for no pass.
6. Recap: Most important - hydration, drive safe, and make your college experience a great one.

Campus Safety team.
