This petition must be submitted by the deadline date published in current semester's schedule of classes.

Student Name: _____
Last First Middle

Social Security/ID Number _____ Birthdate _____

Semester: Fall Spring Summer Year: _____

My Current Academic Program is: _____

I have completed _____ semester units of college work for Pass.

I request that I be registered as taking the course listed below on a Pass/No-Pass basis.

| Section Number | Course Name & Number | Units |
|----------------|----------------------|-------|
|----------------|----------------------|-------|

I understand that electing to take this course with Pass (P)/No-Pass (NP) grading means that I will receive a P if complete the course with C grade or better. Conversely, I will receive a NP grade if my work is at a D grade or below. This course will not be used in calculating my Grade Point Average, but will be used in calculating progress probation/dismissal. In addition, I understand that this course CANNOT be used toward a major for an associate degree and MAY not transfer to a four-year institution. Once I choose a P/NP grading option I CANNOT reverse that decision at a later date. I have read the specific regulations as stated on the back of this form.

Pass/No Pass Grading Option Regulations

- 1 A maximum of 18 units of Pass can be applied towards the associate degree. Pass (P)/No Pass (NP) grades received as a result of awarding Advanced Placement units are exempt from the 18 unit limit.
- 2 Students who elect to take a course on a Pass/No Pass basis must receive approval of their counselor and file a Pass/No Pass Grading Option petition in the Admissions & Records office before the last day/end of the course section. Check the schedule of classes for full-semester deadline dates.

Courses in which this option is available are listed in the college catalog. Generally, no course taken for a Pass/No Pass grading option may be used toward a major for an associate degree. Exceptions are made for Transfer Studies and General Arts & Science majors, who are limited to 9.0 units of P/NP towards the major. Students should be aware that courses graded P/NP might not be accepted in a transfer major, and are advised to consult with their intended transfer institution.
- 3

Students who elect to be graded on a Pass/No Pass basis CANNOT reverse the decision at a later date.
- 4

Students taking courses on a Pass/No Pass basis are held responsible for all assignments and examinations.

Students who fail to perform satisfactorily will be assigned a grade of No Pass (NP). Courses graded on a Pass/No Pass basis are not counted in calculating grade point average; however, they are considered in calculating progress probation/dismissal.
