

Guided Pathways Steering Committee Minutes

May 26, 2020

Update on Current GP Projects

(30 minutes)

- Canyons Connect
 - Monthly updates are posted on our Canyons Connect site.
 - The Canyons Connect advisory board continues to meet virtually.
 - We are currently in discussion with the IT department to connect our students with SSO (Single Sign On).
- Program Mapper
 - We will be working with faculty in the summer to complete more maps.
 - 11 maps recently got approved by the senate. (Liberal Arts/Science)
 - December 2020 is our goal date to launch the Program Mapper.
 - Paul will show a demo of the Program Mapper on the next scheduled June meeting.
- Equity-Minded Practitioners
 - Alliances continue to meet virtually and receiving positive feedbacks from leads.
 - We reached out to Leslie Carr and Teresa Ciardi to check into Flex credit.
 - Dreamer task force and A2Mend continues to meet virtually.
- Student Withdrawals
 - Data is being tracked on a weekly basis.
 - After the withdrawal deadline, results are in line with the 2019 numbers.
 - We are continually sending students reminders that they have options.

Student Survey

(30 minutes)

- Student Survey
 - Staff did a phenomenal job working on all the incoming data.
 - Challenges
 - Access to services – some students are still struggling with lack of technology / internet service.
 - Students feel like they have more school work since they are doing everything independently.
 - Too many distractions at home.
 - Social isolation.
 - Positives
 - Distance learning fits better in their schedule specially for those that juggles school and work.
 - Suggestions were made to create a video to show the positive side of distance learning.
