

Associate in Science for Transfer Degree: Business Administration 2.0

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:

a. The Intersegmental General Education Transfer Curriculum (IGETC).

b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C, or Pass (P), or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Business Administration 2.0. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu> for more information.

Degree Student Learning Outcome:

Students will be able to analyze financial, economic, legal and management issues related to a business entity as required for upper division work in their business-related major.

Program Requirements:

Units required: 31-32

		Units:
BUS-100	Introduction to Business	3.0
BUS-201	Principles of Accounting I	5.0
BUS-202	Principles of Accounting II	5.0
BUS-211	Business Law	3.0
ECON-201	Macroeconomics	3.0
OR		
ECON-201H	Macroeconomics - Honors	3.0

ECON-202	Microeconomics	3.0
OR		
ECON-202H	Microeconomics Honors	3.0

Plus four to five units from the following:

ECON-291	Statistical Methods on Business and Economics	4.0
MATH-140	Introductory Statistics	4.0
MATH-140H	Introductory Statistics - Honors	4.0
MATH-140X	Statistics with Support	5.0
PSYCH-104	Statistics for the Behavioral Science	4.0

Plus five units from the following:

MATH-211	Calculus I	5.0
MATH-240	Calculus for Business and Social Science	5.0
