

Certificate of Achievement: Commercial Music

The Commercial Music program is designed as an introductory preparation for employment in music with an emphasis in audio engineering. Courses in the theory and practice of recording techniques are offered to give students a well-rounded foundation to begin work.

Certificate Learning Outcomes:

- Record, mix, edit and master a music track using industry standard equipment and software.
- Design an audio reinforcement system for a live concert or event
- Demonstrate professional behavior as an audio engineer.
