

PROGRAM OF STUDY

Graphic & Multimedia Design - Multimedia Certificate of Achievement

Multimedia is a rapidly growing industry combining video, sound, animation and graphics with digital technology into an interactive environment. The Multimedia certificate develops students' creative and technical skills by providing hands-on training in current technologies. The two-year program prepares students for employment in Web design, interface design, motion graphics, digital photography, graphic arts, digital video production and game design.

Student Learning Outcome:

Demonstrate proficiency in the core skills and knowledge required for employment in a multimedia position.
