

PROGRAM OF STUDY

Interior Design Certificate of Achievement

The Interior Design program's goals are to prepare graduates for employment in the current job market. An important objective of the program is to consistently offer professional level curriculum that provides graduates with the ability to perform successfully in a variety of occupations as industry demands change and economic conditions fluctuate. Additionally, the comprehensive curriculum for this certificate follows CIDA (Council for Interior Design Accreditation) standards to meet the functional and aesthetic needs required by clients for interior environments.

Student Learning Outcome:

Demonstrate proficiency in the core skills and knowledge required for employment in interior design.
