

## **PROGRAM OF STUDY**

### **Plumbing Technology Certificate of Achievement**

The Plumbing Technology Certificate of Achievement is designed to prepare students for entry-level positions in a plumbing technology related trade. The curriculum incorporates courses in skills application, trades math, print reading, and building codes. The Plumbing Technology Certificate of Achievement stacks upon the Certificate of Specialization.

#### **Student Learning Outcome:**

Students will apply basic skills and knowledge required for employment in a plumbing technology related trade.

#### **Program Requirements:**
