

Associate in Arts for Transfer Degree: Anthropology

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Anthropology. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu> for more information.

\Degree Student Learning Outcome:

Students will be able to Analyze and interpret modern humans, and human ancestors, from biological and cultural perspectives.

Program Requirements:

Units required: 20-21

		Units:
ANTHRO-101	Physical Anthropology	3.0
OR		
ANTHRO-101H	Physical Anthropology – Honors	3.0
ANTHRO-103	Cultural Anthropology	3.0
OR		
ANTHRO-103H	Cultural Anthropology – Honors	3.0
ANTHRO-105	Introduction to Archeology	3.0

Plus five units from the following:

ANTHRO-101L	Physical Anthropology Laboratory	1.0
MATH-140	Introductory Statistics	4.0
OR		
MATH-140H	Introductory Statistics – Honors	4.0
OR		
PSYCH-104	Statistics for the Behavioral Sciences	4.0

OR
SOC1-137 Statistics for the Social Sciences 4.0

Plus three to four units from the following:

BIOSCI-201 Introduction to Human Anatomy 4.0
GEOL-101 Physical Geology 3.0
GEOL-101L Physical Geology Lab 1.0
GIS-101 Introduction to Geographical Information Systems 3.0
PSYCH-103 Introduction to Behavioral Research Methods 3.0
SOC1-102 Introduction to Sociological Research Methods 3.0

Plus three units from the following:

ANTHRO-210 Indians of California 3.0
ANTHRO-220 Magic, Witchcraft and Religion 3.0
GEOG-102 Human Geography 3.0
PHILOS-220 introduction to Comparative Religion 3.0
SOC1-106 Introduction to Race and Ethnicity 3.0
