

PROGRAM OF STUDY

Fine Art Photography Associate in Arts

This program offers an associate degree in photography. The primary goal of this degree is to provide the student a foundation of knowledge and technical abilities for art photography. Elective courses allow for preparedness specific to industry. All lower division courses are sequenced to optimize transferability to an art or photography program at a four-year university. Along with the transferability aspect of this program, the associate degree in photography will also provide students with basic photographic competencies.

Student Learning Outcome:

Demonstrate proficiency in the core academic skills and knowledge required for transfer into a photography program at a four-year college or university.
