

## PROGRAM OF STUDY

### Public Health Associate in Science for Transfer (AS-T)

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
  - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
  - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AS-T in Public Health. Additional majors are being developed. Please see a counselor or visit <http://www.canyons.edu> for more information.

#### **Student Learning Outcome:**

Demonstrate the core science and health education principles necessary to function in public health careers.

<b>Program Requirements</b>		<b>Units</b>
HLHSCI 100	Health Education	3 - 0
HLHSCI 140	Introduction to Public Health	3 - 0
BIOSCI 100	General Biology	4 - 0
	<b>or</b>	
BIOSCI 100H	General Biology - Honors	4 - 0
CHEM 151	Preparatory General Chemistry	4 - 0
	<b>or</b>	
CHEM 151H	Preparatory General Chemistry- Honors	4 - 0
MATH 140	Introductory Statistics	4 - 0
	<b>or</b>	
MATH 140H	Introductory Statistics - Honors	4 - 0
PSYCH 101	Introduction to Psychology	3 - 0
	<b>or</b>	
PSYCH 101H	Introduction to Psychology - Honors	3 - 0
<b>Plus eight units from the following two options:</b>		<b>Units</b>
BIOSCI 201	Introduction to Human Anatomy	4 - 0
BIOSCI 202	Introduction to Human Physiology	4 - 0
	<b>or</b>	
BIOSCI 204	Human Anatomy and Physiology I	4 - 0
BIOSCI 205	Human Anatomy and Physiology II	4 - 0
<b>Plus three units from the following:</b>		<b>Units</b>
HLHSCI 150	Nutrition	3 - 0

HLHSCI 243	Women and Health	3 - 0
ECON 201	Macroeconomics	3 - 0
ECON 201H	Macroeconomics - Honors	3 - 0
ECON 202	Microeconomics	3 - 0
ECON 202H	Microeconomics - Honors	3 - 0
SOCI 101	Introduction to Sociology	3 - 0
SOCI 101H	Introduction to Sociology - Honors	3 - 0
PSYCH 230	Human Sexuality	3 - 0
