

PROGRAM OF STUDY

Social Science Associate in Arts

Social Science is the study of people as members of a society. It examines individual and group behavior, communication and decision-making from a contemporary view, as well as historical roots and evolving perspectives. This degree takes an interdisciplinary approach to the field and is designed to provide an overview of the broad range of courses that constitute and are available in the social sciences.

Student Learning Outcome:

Analyze current and historical individuals or groups using concepts and theories from the social sciences.
