7. On the same page, search alphabetically for **“Noncredit”** followed by a **course subject** (example: Noncredit ESL, Noncredit Career Skills) from the **“Course and Sections”** drop-down menu

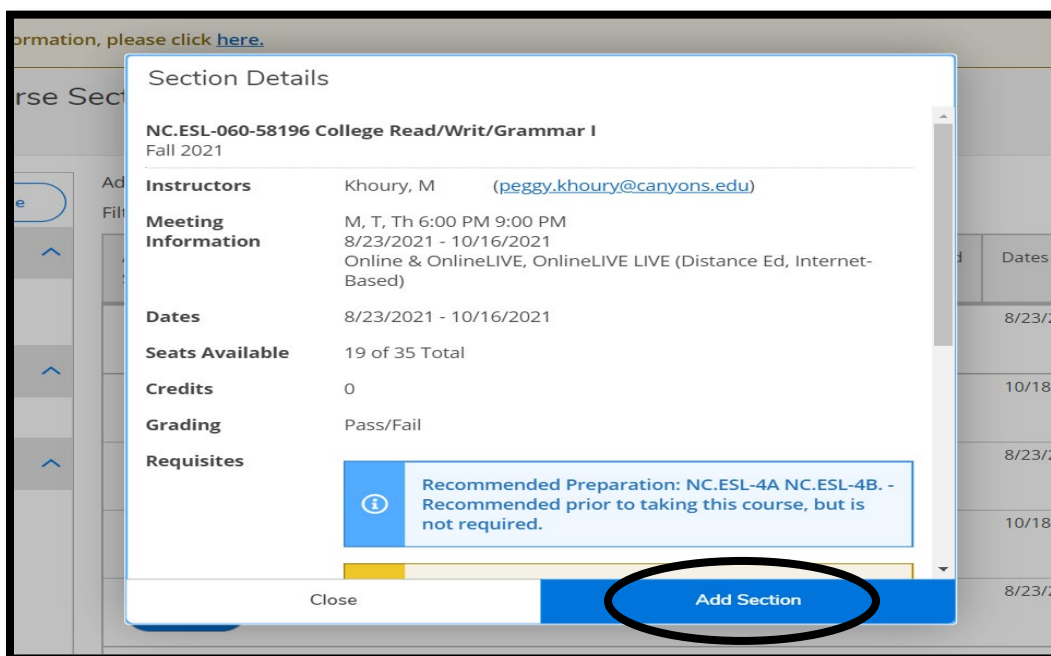

8. Scroll down to the bottom of this page and click on **“Search”**

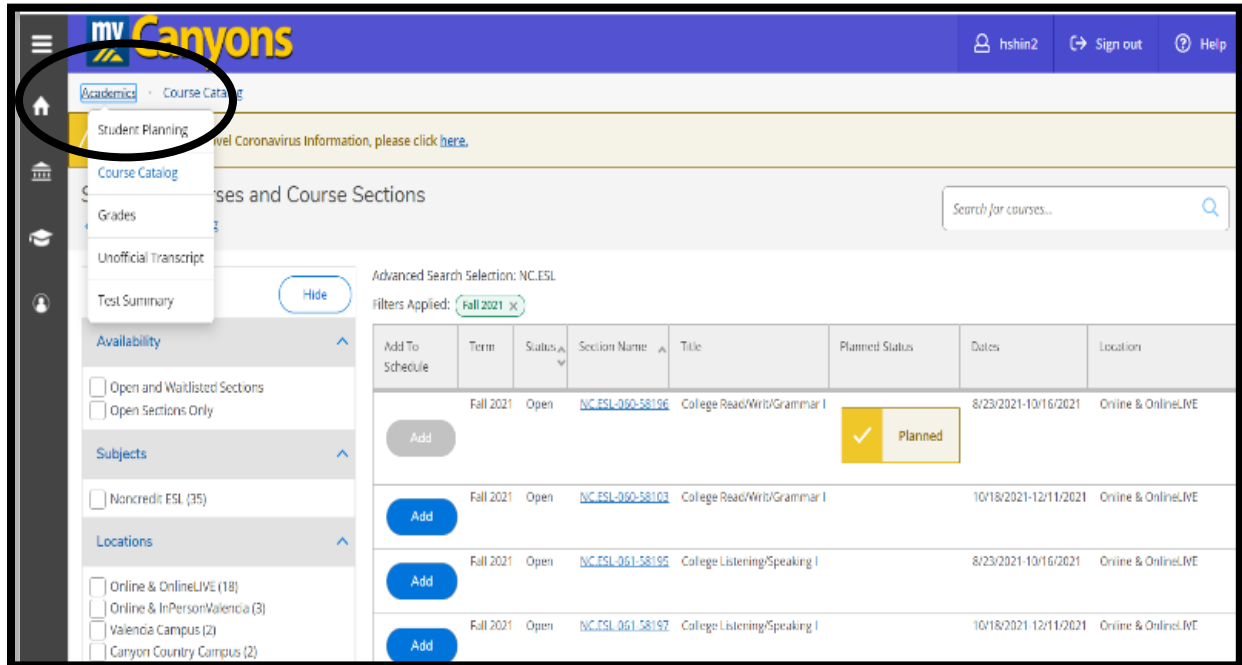

9. When course offerings appear, click  for the course you would like to enroll

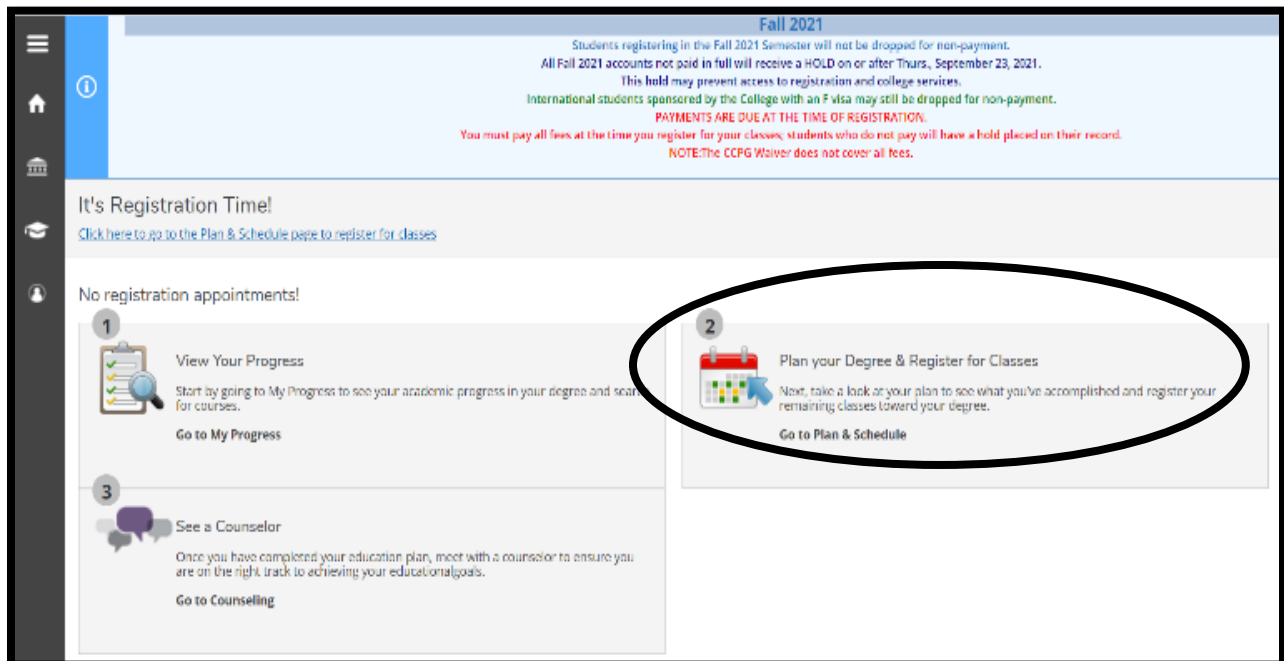

10. When the section detail “pop up” window opens, review the course information and click **“Add Section”**

11. Once you have added all the sections to your schedule, go to “Student Planning” by selecting it from the drop-down menu under “Academics” in the top left corner

12. Click on “Plan your Degree & Register for Classes” in order to finalize registration process

13. Click **“Register”** to add one section at a time or click **“Register Now”** to add ALL the sections you have planned. Classes will turn from **brown color** to **green color** to show successful enrollment

The screenshot displays a user interface for course registration. On the left, a sidebar contains navigation icons. The main content area is split into two panels. The left panel shows details for the course 'NC_ESL-060-58196: College Read/Writ/Grammar I'. It includes a warning about recommended preparation (NC_ESL-4A and NC_ESL-4B), a requirement to take NC_ESL-061-58197, and a 'Planned' status. A blue 'Register' button is prominently displayed, with a black arrow pointing to it from the text above. The right panel is a class schedule grid with columns for days of the week (Sun-Sat) and rows for times (8am-7pm). Several sections are listed in brown boxes, indicating they are planned but not yet registered. The top of the interface features navigation controls for the semester (Fall 2021), buttons for 'Remove Planned Courses' and 'Register Now', and a summary of enrollment status: 'Planned: 0 Credits Enrolled: 0 Credits Waitlisted: 0 Credits'.
