

COLLEGE OF THE CANYONS

Welcome DAY!

COLLEGE OF THE CANYONS

AUGUST 9, 2019

Welcome to College of the Canyons! We have a fun-filled day full of information to start you off right for the 2019-20 academic year. You will have the opportunity to meet some of our professors, learn about our programs and services in the Honor Grove, and select from a variety of workshops such as: applying for financial aid, taking online classes, applying to the Nursing program, or securing a job or internship. Keep an eye out for signs indicating ongoing campus tours, or take time to visit our Culinary Arts facility (iCue), Animation Lab, or the Performing Arts Center, for those interested in Theatre production and performance! We invite you to customize your day according to what is most interesting and important to you! The cafeteria and bookstore are open if you are hungry or need some College of the Canyons gear. Enjoy the day and best of luck in the upcoming school year!

WORKSHOP TITLES & DESCRIPTIONS**Explore Online Classes and Free Textbooks**

COC offers a number of flexible course options to help you accomplish your educational goals. Come learn about online, hybrid and accelerated courses as well as how to take courses with FREE textbooks!

The Financial Aid Process

Going places often requires financial help. That's where the Free Application for Federal Student Aid (FAFSA) comes in! Come find out eligibility requirements, award types available and how to apply for financial assistance while attending college.

Time Management

Learn strategies on how to manage your time effectively

Financial Literacy

It's not about how much money you have, it's how you manage it. Increase your budgeting and Credit IQ. Money Management tips can help you take control of your finances.

Career Exploration

This workshop will introduce the Career Exploration steps which help unlock your college major, confirm your course selections and help define your extra-curricular commitments. Defining life after college will help you make informed decisions today.

Pre-Nursing

If you are considering pursuing a career in nursing, come to the Pre-Nursing Advisement Workshop to learn about the typical prerequisites required by most CA Community College Associate Degree of Nursing programs and transfer Bachelor's Degree of Nursing programs. We will also cover some important information about making yourself as competitive of an applicant as possible.

Stress Management

Stress seems to be part of our daily lives which can be Stressful! Come learn about stress management strategies and participate in a 10 minute guided meditation.

WORKSHOP TITLES & DESCRIPTIONS

Honors Program

Admissions to four year universities is becoming more competitive. Our Honors Program can help students stand out among other applicants in the admissions process. This workshop will provide students with information about COC's Honors program and its benefits.

Transfer 101

In this 1-hour workshop, students will become familiar with basic transfer information. Students will learn what is needed for CSU, UC, private school and out-of-state transfer and understand the importance of identifying their transfer school.

Welcome to the world of COC Athletics

COC Student-Athletes will learn about the various services offered at COC to help them succeed. They will hear from our COC Student-Athlete Academic Support Team. Topics covered include: Academic Regulations, Classroom Expectations, Tutoring

Pathway To Law School

College of the Canyons is one of twenty six California Community Colleges to offer the Pathway to Law School Program. This program is designed to support students interested in pursuing the legal profession, help increase diversity of professionals practicing law, and to demystify the process of getting into law school. If you are interested in law school, this is the program for you! During the workshop we will address: Program benefits and support services; Partnering Law Schools (USC, University of San Francisco, Santa Clara University, Loyola Law, UCLA, UCB, UCI, and UCD); Program requirement; What it means to be a COAF Law Scholar.

COC Library Resources

Did you know College of the Canyons' Library offers specific resources carefully chosen to help you succeed in your classes? Join us to learn about these sources, many available 24/7, and other services such as individualized research assistance, borrowing textbooks, group study rooms, and more!

WORKSHOP TITLES & DESCRIPTIONS

Psychology as a Major and Career

This workshop will introduce students to the Psychology major, University Transfer, course choices and discuss potential professions in the field. Perfect for the student interested in exploring Psychology, but is unsure what courses to take and what professional careers this major may lead.

The Learning Center for Tutoring & More!

The Learning Center (TLC) offers free tutoring and other services to students. We can provide tutoring for a wide variety of subjects and assignments. Come learn how we can help you succeed!

Classroom Expectations

Faculty members will describe their syllabi and let students know their expectations for success in college courses.

Test Drive a Career or Land a Job!

Learn how to get experience in a career field of interest to you and begin developing the connections now that you'll need when you are ready to find employment. Whether you are job searching now or waiting until you complete your studies, we can help!

Sharpening your Career Skills

Come to this session to learn about the types of skills needed for success in the workplace and the FREE courses you can take at College of the Canyons to level up! We will talk about how to fit these courses into your schedule, the certificates and digital credentials you can earn, and how to become a top contributor in your current job or your future career.

Careers in Education

Teaching is the ideal profession at every educational level from preschool to college. Whether you want to teach in a public, private or charter school setting, or whether you want to work in special education, counseling, or career education, it is important to get on the right pathway. At this workshop you will learn about the resources, clubs and services that are available at COC for future teachers and educators.

WORKSHOP TITLES & DESCRIPTIONS

Architecture and Interior Design

Considering a career in designing buildings, interior spaces, or decorating homes? Come to the Architecture and Interior Design Advisement Workshop to learn about pathways into these profession through an education at College of the Canyons as well as licensing/certification info and local Bachelor Degree transfer programs and internship opportunities.

Making College Happen: A Parent's Guide

The opportunities are endless at College of the Canyons! Students who attend can prepare for transfer to a four-year college/university, earn a degree and receive career training. Join us to learn more about our educational opportunities and student support services designed to give your student an competitive advantage in achieving their educational and career goals.

Student Information Technologies

Student Information Technologies This workshop will give an overview on how to register, check email, see financial aid status, and find your way around campus. We will be exploring My Canyons, Self Service with a look at the My Academic Plan, and Canyons M, the college's mobile application.

Canyon Country Campus

Do you know that COC has a second campus located in Canyon Country? More than 70% of all COC graduates take some classes at the Canyon Country Campus before they graduate. This workshop will provide an overview of the 72-acre campus, discuss exciting developments such as the new Science Center, and answer common student questions.

The Hub

This workshop will introduce The Hub, a place of career exploration and planning for your future. Defining your life after college will help you make informed decisions during college. Learn how to confirm your college major, your course selections and your extracurricular commitments.
