## 2020-2021 Dependent Verification Worksheet

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for a process called "verification". Verification is a procedure through which an institution checks the accuracy of the student information reported on the FAFSA. In this process, our office will be comparing information from your FAFSA against copies of you and/or your parent's 2018 Federal tax transcripts from the IRS and this worksheet. The Department of Education requires that we verify this information before disbursing federal financial aid. Complete this verification form and submit it to the Financial Aid Office at College of the Canyons.
