Re: 2021–22 Real Estate Education Scholarships

The Foundation for California Community Colleges (FoundationCCC) is pleased to announce the availability of 2021-22 Real Estate Education Scholarships for California Community College students. These awards are available for students who need financial assistance to help afford enrollment costs in community college real estate education programs.

New this year! In spring 2021, the Board of Governors voted to amend these scholarship eligibility requirements to remove several barriers to students, including the need for a letter of recommendation. Please review the new student eligibility criteria and all of the Scholarship Guidelines closely.
