WWW.CANYONS.EDU/NEWSTUDENT

1 APPLY - BEGINNING OCTOBER 1

- Complete and submit your **FREE** online application for summer and/or fall 2023 beginning October 1.
- Within 24-48 hours you will receive the college's "**Admissions Acceptance**" email that will provide instructions for **activating your CanyonsID login and creating your My Canyons student account**.

Helpful Tips: All students need to select "First time student in college" enrollment status when completing their application, even if college courses were taken during high school.

Summer enrollment requires a summer 2023 application.

Providing a social security number will ensure the FAFSA is received by the college; however it is not required to apply.

2 FINANCIAL AID - BEGINNING OCTOBER 1

- Beginning October 1, complete a **Free Application for Federal Student Aid (FAFSA) or California Dream Act application (CADAA) for the 2023/2024 academic year**.
- In California, there is a March 2 deadline to file the FAFSA or CADAA to qualify for specific state grants. File early and don't miss out on these opportunities!
- Make sure to list COC as one of your schools. **COC School Code 008903**.

3 ASSESSMENT & ADVISEMENT - BEGINNING JANUARY 1

- Assessment will provide you with your course placements for Math and English/ESL, which will be used in your advisement when creating your student educational plan.
- Advisement will help you make connections between your assessment results, career goals, major(s), and the courses you should take in your first semester.

Helpful Tip: In order to receive an accurate placement in English and math, please refer to your most recent high school transcripts, either Fall 2022 or Spring 2023.

4 ORIENTATION - BEGINNING JANUARY 1

- Complete your online orientation and learn essential skills to being a successful student.
- Access orientation through your My Canyons account under the Admissions & Records tile.
