Agenda Item Title: Events to take place next semester Spring 2024

Background: During our next semester (spring 2024) there will be two events that will take place at CCC, 1 will possibly be during our 1st or 2nd month of the semester and the other at another given time. Both are to be decorative events; the 1st being centered around students painting on a tile that they get to take home. At the 2nd event they will be given a piece of glass that they'll decorate with any design they please or have the opportunity to trace over an image of their choice and paint it. They'll then be given a frame as well to put their piece of glass in. The name of the events will be given later on, along with any instructions and any adjustments or advice is more than welcome.
