Agenda Section: 3.0

Item Number: 3.1

Agenda Item Title: Update on Legacy Projects

Background: Following a productive campus discussion with the executive cabinet, it has become evident that we need to provide an update on our ongoing legacy projects. In addition to reviewing and updating these projects, we will also revisit the list of legacy projects created during our previous executive board meeting as part of this comprehensive process. Once these projects have been thoroughly assessed and refined, the Executive Board will proceed to deliberate on our execution strategies for these goals. This may include presenting them to the ASG Senate for further consideration.
