Agenda Section: 2. Regular Meeting Items

Item Number: 2.2

Agenda Item Title: ASG Grants Discussion

Background: To help support campus clubs, alliances, departments, and programs on campus, ASG offered annual grants to those groups to help fund their activities. Several of these groups often need to rely on donations or fundraising efforts to bring in some funds to support their operations. However, with the current status of ASG's budget, discussion needs to take place as to whether to continue to offer grants in the future. If so, further discussion will take place at the next ASG Finance Committee to review the current grant categories, amounts, and assess whether changes need to be made.

Agenda Section: 2. Regular Meeting Items

Item Number: 2.3

Agenda Item Title: ASG Scholarship Discussion

Background: For many years, ASG has helped to support students through offering numerous scholarships to continuing and transferring students. As their budget revenue increased, ASG increased the number and award amount of scholarships offered. With the status of the ASG's budget, the ASG Finance Committee will need to discuss whether they would like to continue to offer scholarships and, if so, what scholarships they would like to provide.
