Agenda Section: 3. Regular Meeting Items

Item Number: 3.1

Agenda Item Title: ASG Budget Review

Background: Over the past few months, information has been shared with the ASG about the status of their operating budget. Due to decreased enrollment and increased costs in budget expenditures over the last several years, ASG has received less revenue from the Student Support Fee while existing forced costs and operational costs have significantly risen. During the last ASG Senate meeting, Dr. Ruys provided information about the different fees that are associated with ASG and also provided a comparison of those fees and benefits offered at other colleges. The ASG Finance Committee will have an opportunity to examine their operating budget more in depth at this time and discuss options for addressing the budget shortfall. Dr. Ruys and Jason Hinkle will also discuss steps that are being considered to help alleviate some of the financial strain on ASG's budget.
