3. Regular Board Meeting Items:

3.1 Discussion: Prospective Student Resource Project - Discussion & Update

Motion: *Erik Polanco, Officer of Marketing and Information*

Second: *Stephanie Smith, Officer of Equity*

Background: The Executive Board will discuss the Student Resource Project, provide updates, and work together to ensure progress!

- Reviewed during the Senate Meeting
- Structure more and flush it out as there has not been much done
- Deadlines should be made
- Updates should be ready to go at the next joint board meeting

Sharika Shahid, Executive Vice President of Activities, arrives at 2:49 pm

- Action items should be done for the legacy project

1st-Getting to COC

- Get a hold of Maintenance for painting the curbs
- Jim Schrage is recommended to touch base with
- transit discussion

2nd –Applying to COC

- Met with Dean of Counseling to create video tutorials and will touch base with PIO to get the videos up on the website
- modification to make website more accessible
- Recommend to hold workshops in collaboration with the local high schools and prospective students
- Many students come from outside of this valley
- Add the logo for new students and include the video
- The link from the button will be redirected to Campus Life
- Collin will be attending the website committee and will share this feedback at the meeting
- Get the video for new students up on the front page of the website
- Multiple languages will be accessible from the link
- Committee meeting is next Thursday at 1pm

Clarissa Zuo, Executive Vice President, arrives at 3:00 pm

3rd- Paying for COC

- Divide within the committee to take on different programs
- Building relationships within the departments is important
- Barriers identified for paying for COC
- Data will be viewed online initially within URC and Financial Aid
- Will report back on who will be contacted from each department
- Focus on scholarships as well as student retention and the associated cost
- Identified students who experience trouble when paying for classes

- This is an underserved population and would like to build scholarships that focus on the data of underserved students.
- During the spring semester, the scholarships are reviewed and changes that are recommended take place
- What students are not eligible but still have a financial need for school
- Biggest need currently is single mothers in addition to the other populations that are underserved
- Will be meeting with the 3rd group
- How can the department help when filling out FAFSA for the student
- Guide- Clear and concise way to complete the registration process
- Information campaign for the 3rd group
- Much of this work will be done in the spring semester with only a few weeks remaining for the fall
- Laying the ground work for the next group

4th Attending COC

Student Guides will meet next week to discuss the general layout to be used for all of the guides

- Outline the general guide to branch off of
 - Template guide and the time consuming portion will be added the different languages
 - Goal is to have the template for the guide done
 - How many will be made and for what populations
 - Focus on different populations and add to the list
 - The guides will be available on the website and will be accessible for all students
- Deadlines: 4th group- Friday will be contacting the group to find a date to meet next week.

4th Group- Create a GroupMe by Friday for your team and familiarize who is on your team and what your team is all about.

3rd group- Looking at the data and assign different projects within the team

2nd- Web Committee for next week will be next steps

-Will create a GroupMe for the other Ad Hoc committees

-1st group- Calling Uber/Lyft by Wednesday

Will further develop this project for the spring semester
