Background: As Fall Fest comes closer and closer, I wanted to get your opinion on my plan for incentives at the event!

- Paper bags will be used for collecting stickers that will read a statement to earn a reward after visiting 5 different booths.
- Will also get candy when visiting each booth.
- Subway will also be an incentive to offer during the event.
- Stickers will be placed on the bags and after the phrase is spelled out, subway will be given as the reward.

- Stickers will be given to booths to hand out to students that visit the table.
- If supplies run out, candy will still be handed out at each booth.

3.3 Action: Fall Fest

Motion: *Caitlin Herron, Social Student Involvement Coordinator I*

Second: *Kaelani Keesee, Social Student Involvement Coordinator – CCC*

Background: As our fall term officially begins to transition into the fall season, ASG wants to bring a fall-tastic social event where students can bring new friends/family along and play different kinds of games. There will be various clubs/organizations who will be joining in on the event and host their own booth! Some of the games and events we expect at each of the booths are pie the president, rock painting, jeopardy with the departments, cornhole games, and giveaways!

The event will begin with a welcome booth where students will be handed an item to collect 5 stickers with! Each booth will have their own fall-oriented stickers that they reward students with. Once all students earn all of the required stickers, they will win a multitude of prizes at the last booth!

- Currently 9 clubs/organizations have signed up for the event.
- Cost is being decided today and will be ready for the next Senate meeting for approval.
- Face painting may be at the event.
- Officers who do not have a table can walk around and help out where help may be needed.
- Informing guests is another thing an officer can do to help during the event.
- Name tags may be useful for those who are working at the booths.

Recommendation: *Move to approve Fall Fest.*
