Item Number: 3.1

Agenda Item Title: NEW CLUB – Technology, Engineering, Coding, and Hardware Club

Background: TECH Club is a place for students of any major to gain experience in the fields of Technology, Engineering, Coding, and Hardware through team learning. Members will be able to participate in student-led learning, competitive coding, social events, educational seminars, and more! The club constitution was posted online on a separate link under ICC Agendas.

COST: N/A

Recommendations: Approve charter for Technology, Engineering, Coding, and Hardware Club. The club would officially begin for the 2023-2024 year.

Item Number: 3.2

Agenda Item Title: NEW CLUB – Pre-Health Club

Background: The purpose of the Pre-Health Club is to provide an opportunity for students who want to have a career in health, to connect with others and explore their options in the realm of pre-health. With the help of faculty and other students we hope that we can get members of the club to reach their full potential in whatever health career they would like to pursue. Careers in health vary from medicine, nursing, sports science, physical therapy, veterinary sciences, and more. This club is to assist in navigating through the competitive fields, with the help of our resources. We hope to have students form a connection with their future careers through organized events, fundraisers, volunteer work, and guest speakers.

COST: N/A

Recommendations: Approve charter for Pre-Health Club. The club would officially begin for the 2023-2024 year.

Item Number: 3.3

Agenda Item Title: NEW CLUB – ECODesign

Background: The purpose of Eco Design is to promote sustainable design practices and to educate members and the community about the importance of sustainable design in the built environment. The club will provide a platform for future architects, structural engineers, civil engineers, land surveyors, and anyone in the field of the built environment to come together, share knowledge, and collaborate on projects that support sustainable design.

COST: N/A

Recommendations: Approve charter for ECODesign. The club would officially begin for the 2023-2024 year.

Item Number: 3.4

Agenda Item Title: NEW CLUB – Political Science Club

Background: The goal of the Political Science Club is to create a space for students to discuss topics that are important to them. We encourage healthy discussion and debate from a wide range of perspectives. Ideally, the membership of the Political Science Club should reflect the diversity of views among the student population. And while there is nothing wrong with having strongly-held views, in keeping with the values of the Department of Political Science and the discipline itself, the discussions MUST be civil and fact-based.

COST: N/A

Recommendations: Approve charter for Political Science Club. The club would officially begin for the 2023-2024 year.

Agenda Item Title: Club E-mail Accounts

Background: Starting in Fall 2023, we will be requiring all clubs to create a general club e-mail account with the address @my.canyons.edu for security purposes. This would be a shared mailbox, which adds to convenience as well. Get a head start in getting this ready by having your club advisor place a helpdesk ticket with IT.

COST: N/A

Recommendations: Ask your club advisor to submit a helpdesk ticket with IT to get a general club e-mail address.
