ARTICLE 1: AGREEMENT

- A. This agreement is made and entered into by and between the Board of Trustees of the SANTA CLARITA COMMUNITY COLLEGE DISTRICT (hereinafter designated as the “District” or “Board”) and the PART-TIME FACULTY UNITED (hereinafter referred to as the “AFT”), an employee union of Local 6262 of the American Federation of Teachers. The term of this Agreement shall be from July 1, 2024 to June 30, 2027, and shall supersede any prior collective bargaining agreement or terms and working conditions document.
- B. In addition to compensation, there will be an option for two non-financial reopeners for the 2025-2026 and 2026-2027 contract years for both AFT and the District. Effective July 1, 2027, the entire contract will be reopened for negotiation. Issues requiring immediate attention and resolution may be solved through the MOU process.
- C. This agreement is entered into pursuant to Chapter 10.7, Sections 3540-3549.3 of the Government Code.
- D. This Agreement is not intended to modify or replace the rights of each faculty member in the bargaining unit under the law. Both parties agree to comply with state and/or federal law.

ARTICLE 2: RECOGNITION

- A. The Santa Clarita Community College District hereby confirms its recognition of the Part-Time Faculty United, American Federation of Teachers Local 6262, as the exclusive representative for all temporary academic (credit and non-credit) employees. This article excludes employees (probationary and permanent faculty, management, supervisory, and classified employees) performing faculty service beyond their full-time assignment, faculty teaching not for credit classes, and Child Development permit teachers.
- B. The AFT and the District shall have the right to seek unit clarification by PERB proceedings on any new titles. Nothing agreed to herein will prevent adjustments to the unit to be made upon mutual agreement of the District and the Union.

ARTICLE 3: DISTRICT RIGHTS

- A. Except to the extent limited by the terms and conditions of this Agreement, the District has all the rights, powers, functions, and authority established by law, as well as the right to require Employees to observe written rules and regulations not inconsistent with this Agreement.
- B. The adoption, modification or repeal of any written rule, regulation or policy of the Board that is not governed by the terms of this Agreement shall remain subject to negotiation to the extent the rule, regulation, or policy relates to wages, hours or other terms and conditions of employment as defined by Government Code Section 3543.2. If the Board contemplates any such change, the parties agree to reopen negotiations for the limited purpose of attempting to reach an agreement regarding the proposed adoption, modification, or repeal.
- C. The Board of Trustees may legally delegate or assign any Board rights or responsibilities to management or other official persons, divisions, departments and committees, as it shall determine appropriate.

ARTICLE 4: AFT RIGHTS

- A. A reasonable number of AFT representatives shall have the right of access to areas in which employees work so long as the representatives do not interfere with the work performance of any employee.
- B. A bulletin board in the mailroom may be used exclusively by AFT. AFT may use one-half of the bulletin boards described below.
 - 1. Reprographics Center or alternative location.
 - 2. Bulletin Board in the Part-Time Faculty Offices.

- J. For the life of the contract, the District will provide \$96,000 per year, to be paid monthly, to AFT for current part-time faculty members for meeting and negotiating, processing grievances and AFT business. AFT will provide the names and amounts to be compensated to Payroll. Such Unit Members shall be compensated at the appropriate hourly rate on the Part-Time Faculty Schedule. - D. AFT may specify a change in the amount of the dues to be collected. Any change to the amount of dues to be collected must be submitted to the District in writing by an authorized AFT officer.

ARTICLE 6: ASSIGNMENT AND SCHEDULING

- 6.1 Purpose: The purpose of this Article is to create stable pools of highly experienced part-time faculty members through assignment methods that are objective and consistent under Education Code. The provisions in this article become effective for scheduling of the Fall 2023.
- 6.2 When there is need for additional faculty service beyond that provided by regular, contract, and/or temporary District full-time faculty, the District will make assignments in accordance with this Article for part-time faculty members, including some applicable sections for non-credit part-time faculty (see article 21 for more details). The minimum qualifications, as defined by the California Community College Chancellor's Office and the district, must be met before any assignment can be granted. Unit members who have been or are currently being investigated for a legitimate violation of the District's written policies and procedures, that has been reviewed by Human Resources, may not receive an assignment.
- 6.3 Definitions
 - 6.3.1 Assignment: Any course, lab, activity, or non-classroom assignment that generates load. If a lecture and lab are taught in tandem as one section, the department chair may determine whether to assign the section as one assignment or as separate assignments.
 - 6.3.2 Date of Hire (DoH): The DoH is the date an individual is hired by the District as a part-time faculty member in the academic discipline (instructional or non-instructional) for which an assignment is offered. If an instructor works in multiple disciplines, the DoH in each discipline will be assigned respective to the particular discipline.
 - 6.3.3 Retirees: Retired COCFA unit members who have now become AFT unit members. The DoH for AFT unit members already in this category as of July 2018 will be their original COCFA hire date. The DoH for COCFA unit members who retire after July 2018 will be the date they are rehired as a part-time faculty member.
 - 6.3.4 Current part-time faculty members: Members with assignments within the past twelve (12) consecutive semesters or sessions. If a unit member is no longer interested in receiving assignments in their discipline, the unit member must inform the department that they no longer wish to receive assignments.
 - 6.3.5 Session: Winter and Summer only.
 - 6.3.6 Semester: Fall and Spring only.
- 6.4 Assignment for part-time faculty: The district retains the right to make assignments for all part-time faculty members who meet the requirements for each applicable pool in order of ranking according to section 6.4.2.
 - A. Instruction will email AFT unit members a link to the list of available sections or other work assignments for the pool in which they are an active member, using the canyons.edu domain to the current part-time faculty members, by the deadlines specified in 6.7
 - B. Part-time faculty members may request ranked assignments that corresponds to a class prefix as listed in the college catalogue, or indicate a preferred day and time range of availability for an assignment, by using the online system provided by the District, within eight (8) calendar days of the date the email was sent.

Part-time faculty members will receive course sections or other work assignments after regular and contract faculty assignments have been made. In the event a regular or contract faculty member's regular assignment is cancelled or reduced, the regular or

contract faculty member may be assigned to a course section or work assignment previously assigned to a part-time faculty member, no later than fourteen (14) calendar days after the start of instruction.

- C. At the discretion of the district, overload assignments shall be given to regular and contract faculty before course sections or other work assignments are made available to part-time faculty members.
- D. Classes or hours for non-instructional assignments assigned to part-time members will not be reassigned to full-time instructors as overload assignments after the first day of class.
- E. If an assignment or hours for a non-instructional assignment previously given to a part-time faculty member was cancelled prior to the start of the term, and the district later adds one or more sections or hours in the unit member's discipline, the unit member shall be offered a replacement assignment or hours conditional to the criteria specified in section 6.2 before additional staffing assignments are made to other part-time faculty members. If the instructor declines the assignment or hours, the unstaffed assignment will be made in accordance with sections 6.4.2.
- F. Whenever possible, the names of part-time faculty should be listed in the schedule of classes rather than just described as "staff."

6.4.1. Adjunct Faculty Assignments (Credit and Noncredit):

District assignments for Fall and Spring semesters will be adjusted in accordance with the following:

- A. District assignments will start with the highest ranking based on the criteria outlined in section 6.4.2.
- B. When there is an increase in the number of class sections or non-instructional hours within a discipline, priority will be given first to qualified regular or contract faculty, followed by part-time faculty members with the highest ranking.
- C. The District reserves the right to reschedule an assignment to a different day, time or location. If the assigned part-time faculty member declines the rescheduled assignment, the District is not obligated to offer another assignment. When an assignment is rescheduled, and the assigned part-time faculty declines the rescheduled assignment, the District will provide first right of refusal to the part-time faculty member with the highest ranking, unless the rescheduled assignment is requested by a qualified regular or contract faculty member.
- D. Part-time faculty should be paid for the first week of an assignment or hours for a non-instructional assignment when class or shift is cancelled less than two weeks before the beginning of a semester (fall and spring only). If a class meets more than once per week, part-time faculty should be paid for all classes that were scheduled for that week (see CA Ed. Code Sec. 87482.8). The appropriate instructional dean will make a good faith effort to notify the unit member of the entitled compensation. The unit member must submit a timesheet to the appropriate dean within two weeks of the time worked. If a class or hours for a non-instructional assignment is cancelled after the initial meeting, the employee will be paid for the time worked. Compensation will be given based on the information provided in a timesheet as turned in by the part-time faculty member, which has been reviewed and approved by the instructional dean. No part-time faculty member will be assigned a class or hours that has already been given to another part-time faculty member, except under extraordinary circumstances (i.e. inability to teach).

- E. The District reserves the right to initially leave some sections unstaffed due to uncertainty, as specified in section 6.6.
- F. If the District assigns adjunct faculty to the previously unstaffed sections, or hours for a non-instructional assignment, it must do so according to pool rankings as specified in section 6.4.2. If sections or hours are added late and/or after the teaching assignments have been made, assignment offers must adhere to the same pool rankings, except in situation outlined in 6.4.F.

6.4.2. Order of Assignment

- A. The priority to receive assignments in any given discipline (instructional and non-instructional) will be based on pool rankings within three (3) pools, beginning in Pool 1, from the highest to the lowest rank.
- B. Ranking within each pool will be based on DoH. If two unit members have the same DoH, preference will be determined by the total number of semesters and sessions taught, or sessions worked for non-instructional staff. If a tie remains, the assignment will be made by lottery.
- C. Assignments will be given first to part-time unit members in Pool 1, then to part-time unit members in Pool 2, and lastly to part-time unit members in Pool 3.
- D. Eligibility to be offered courses or hours in multiple modalities (on-ground, online, an OnlineLIVE) is dependent on meeting the minimum qualifications to teach the course, having the required certification, and not having received an average evaluation score below 3.0 in an evaluation for the modality being assigned. In order to teach Online and Hybrid courses the instructor must be online certified. In order to teach HyFlex and OnlineLIVE courses the instructor must be OnlineLIVE certified.

E. Structure of Pools

- 1. Pool 1: These part-time faculty members must have taught or been given non-classroom assignments for at least eight (8) regular semesters or sessions (not required to be consecutive)
 - Received an average of 2.4 or better in a recent evaluation in at least one (1) modality.
- 2. Pool 2: These part-time faculty members must have taught or been given a non-classroom assignment for at least one (1) session.
 - Received an average of 2.4 or better in a recent evaluation in at least one (1) modality.
- 3. Pool 3: These part-time faculty members meet at least one (1) criteria below:
 - Newly hired.
 - Received less than an average of 2.4 in the most recent evaluation in one or more modalities.
 - Returning part-time faculty members after a voluntary break in service of more than six (6) consecutive semesters.
- F. Retired COC members who return to teach part-time and have an average evaluation score of 3.5 or better on their last evaluation as a full-time faculty member will be placed in Pool 1. The DoH for a retired COCFA unit member, who retires after July 2018 will be assigned per Section 6.3.2. For retired COCFA unit members who retired prior to July 2018, see section 6.3.4.
- G. Management and Classified employees concurrently teaching part-time will be assigned a DoH per Section 6.3.2. and will be placed in the appropriate pool

corresponding to their most recent evaluation, unless they are not paid for teaching the course.

- H. A Department Chair may assign the course independent of the part-time faculty member's pool ranking if one or more of the following applies:
- a. fewer than three (3) sections of a course per semester have been offered over the last four (4) consecutive semesters in which the course was offered;
 - b. the instructor possesses a unique specialization or area of expertise relevant to the course, as specified in the Faculty Minimum Qualification Requirements "Preferred" section of the course outline of record;
 - c. the instructor possesses current appropriate training or certification in the discipline (as evidenced by education, work history, or certification required to teach the course as per the course outline of record);
 - d. the course is delivered to incarcerated students;
 - e. the course is part of a non-credit course continuation;
 - f. the course is part of a dual enrollment program (classes taught exclusively to high school students on a high school campus); or
 - g. the course is part of an ISA (i.e. public safety agency).

In the event more than one part-time faculty member satisfies the conditions expressed in (b) or (c), above, then the course shall be assigned to the faculty member with the higher pool ranking as per Section 6.4.2(B).

The Department Chair shall justify, in writing, why a person of lesser rank was assigned to a course (e.g. work history, education, or certification or other teaching requirement as documented in the course outline of record) and provide said justification to their Dean. Upon submission of the course assignments, the Dean shall verify any justifications provided and may make appropriate adjustments if the course assignments are found to be in violation of this Section.

- I. In order to receive an online, hybrid, OnlineLIVE or HyFlex course assignment, the instructor must be certified per district policy. Eligibility to be assigned any course requiring separate certification will be noted on the ranked lists within each pool.
- J. For co-listed (e.g., KPEA 150A, KPEA 150B, KPEA 150C) and cross-listed (e.g., ARCHT 110 and ID 110) classes, where multiple sections exist at the same time and place with the same instructor, this will constitute one section.
- K. The ranked list of all adjuncts in all disciplines, using pools, will be made available by Human Resources to the President of AFT and the Office Instruction by the 1st Monday in August, once per year. All semesters and sessions through the first Monday in August will be included in the ranked list. List received in August will be utilized by departments for assignment in the following Spring and Fall semesters.

6.4.3 Assignments for all Pools: Part-time faculty members may not exceed a 67% load, unless requested to do so by the District. Part-time faculty members will be given preference in their choice of assignment(s) in accordance with 6.4.2.A.

6.4.3.1 Part-time faculty members in Pool 1 will be offered between a 60-67% load, subject to availability of sections. Per Education Code 87482, the District may employ adjunct nursing faculty beyond 67% for up to four (4) semesters within any period of three (3) consecutive academic years.

- 6.4.3.2 Part-time faculty members in Pool 2 will be offered one (1) course or hours (i.e. 20-25% load), subject to availability of sections
- 6.4.3.3 Part-time faculty members in Pool 3 will be offered one (1) course or hours (i.e. 20-25% load), subject to availability of sections.
- 6.4.3.4 If there are sections still available after all Pool 3 adjuncts have received one (1) section, the department chair will return to the top of Pool 2 and continue assigning sections until none remain.
- 6.4.3.5 If there are sections still available after the second round of assignment to Pool 2, the department chair will return to the top of Pool 3 and continue assigning sections until none remain.
- 6.4.3.6 Winter and Summer Sessions – The ranked lists of Pool 1, Pool 2, and Pool 3 will not be used when staffing during the Winter intersession or Summer sessions, and assignments will be made according to 6.2. The District will direct department chairs to send the list of available class sections or non-instructional hours for Winter and summer to all available adjuncts at the same time.

6.4.4. Failure to provide an evaluation

A failure of the District to fulfill the evaluation frequency requirement set forth in Article 8 is considered grievable.

6.5 Assignments and Offer Lists: Each semester or session, assignment lists will be electronically generated by the District and a link to the lists will be emailed to unit members. Once the assignments have been made, the list containing all the offered sections/hours shall include the information below:

- 6.5.1 Name of part-time faculty member
- 6.5.2 Part-time faculty member ranking (i.e. pool number and pool ranking)
- 6.5.3 Scheduled assignment(s)
- 6.5.4 Where applicable, exceptions to pool rankings as per section 6.4.2.H.

It is the responsibility of the part-time faculty member to confirm their assignment(s) and notify the department chair and the dean of any inaccuracies regarding ranking or any other information within seven (7) calendar days of receiving the assignment list.

6.6 Adjunct Librarians

- 6.6.1 Librarian assignments, whether recurring (defined as more than 1 time per semester, such as a Monday 8 am to 10 am shift) or expected one-time (defined as known by a full-time faculty member as well as solicited by and communicated to the Head Librarian and Instructional Dean prior to issuing the List of Available Sections to all current part-time faculty members) library shifts, will be offered at the same time to all adjunct librarians and scheduled based on priority order, per Article 6.4.2, when scheduling for the fall and spring semesters.
- 6.6.2 If full-time faculty reclaim an expected one-time library shift previously assigned to an adjunct librarian, it will not be subject to grievance, nor would the District be obligated to pay the adjunct librarian for the unworked shift, provided notice is given at least three (3) business days or 72 business hours prior to the shift, via a time-stamped email notification using the adjunct's canyons.edu email.
- 6.6.3 Unexpected one-time library shifts that become available within less than three (3) business days or 72 business hours before the shift occurs, will be offered to full-time faculty first, and if they do not take them, then they will be offered to all adjunct librarians at the same time, via email through the adjunct's canyons.edu email, and

assigned on a first-come, first-served basis. If notice is given more than three (3) business days or 72 business hours in advance, then the shift will be assigned by priority order as per Section 6.4.1.F.

6.7 Timeline: The District will staff sections according to the timeline below. The District will notify AFT of reasons for exceptions to the timeline below. Exceptions to the timeline below may include the following:

- Uncertainty in funding that results in a reduction or expansion of department course offerings;
- Change in course availability due to the change in the number of department full-time faculty or full-time faculty reassigned/release time;
- Change in course offerings due to a change in curriculum, reorganization, or administrative priorities concerning enrollment;
- Change in off-campus site priorities (e.g. Nursing clinical sites) external to the college; and
- Technical difficulties with software or data systems.

We hereby confirm that we have negotiated, in good-faith, the following agreement as related to Spring 2023 adjunct faculty staffing and subsequent Fall/Spring semesters, based on the current accelerated student registration timeline that has been in place throughout the current academic year.

- a. Existing language in the current AFT contract (July 1, 2017 – June 30, 2020) regarding providing updated DOH and DOC lists by HR to the President of AFT and the Office of Instruction by the 1st Monday in April, once per year, will be modified for Spring 2023 adjunct faculty staffing and beyond.
- b. The District and AFT agree that the ranked list of all adjuncts in all disciplines, using pools, will be made available by Human Resources to the President of AFT and the Office of Instruction by the 1st Monday in August 2022, once per year, and will be used beginning with the Spring 2023 adjunct faculty staffing.
- c. The District will staff sections, beginning with the Spring 2023 schedule, according to the timeline below:

- C. At the request of the employee, derogatory material may be removed after two years with mutual agreement between the Unit Member and the Superintendent/President.
- D. Authorization to inspect the Unit Member's personnel file is granted to the employee (by appointment) and the Superintendent/President or his/her designee. The Unit Member's designee may inspect the file with non-continuing written permission from the employee.
- E. The District shall keep a log indicating the persons (other than persons whose duty it is to maintain the files) who have examined the personnel file. The log shall be maintained in the Unit Member's personnel file and shall include the person who examined the file, as well as the date such examinations were made.

ARTICLE 8: EVALUATIONS

- A. To assure the highest quality educational programs and services, Unit Members shall be observed and evaluated. The evaluator should arrive on time and be professional as well as respectful to the adjunct faculty member and students in the class.
- B. Definitions
 - 1. An “evaluatee” is the person being evaluated.
 - 2. At the discretion of the department chair, the primary “evaluator” is a full-time faculty member, part-time faculty member, or department chair in the department or division of the evaluatee. At the discretion of the department chair, an appropriate educational administrator may be assigned to the evaluation.
 - a. If the class to be visited is an online class, the evaluator will have online teaching experience. If the department chair is not able to assign an evaluator as described in B.2 who has online teaching experience, the evaluator will either be a full-time faculty member in a related discipline who has online teaching experience, or co-evaluators (one assigned per B.2 and the other a faculty member or educational administrator who has taught the course in online pedagogy required for online certification at College of the Canyons), assigned by the Dean of Distance Learning.
 - b. If co-evaluators are assigned for an evaluation of an online class, the evaluator assigned per B.2 will complete only that part of the evaluation pertaining to knowledge of the course content; the faculty member who has taught the course in online pedagogy required to become qualified to teach online at College of the Canyons will complete the part of the evaluation pertaining to course design, presentation, and execution.
 - 3. An “observation” is the observation of the Unit Member, in the performance of his or her duties, by the evaluator.
 - 4. The “instrument” is the agreed upon Instructional Evaluation (Appendix B) for teaching faculty. Non-instructional part-time faculty will be evaluated using the Non-Instructional Counseling Evaluation or Librarian Evaluation (Appendix E and F).
- C. Scheduling and Frequency
 - 1. Unit members shall be evaluated during the first semester of employment and **once** every four semesters of employment. Unit members shall also be evaluated during their first semester of teaching in any new learning modality and **once** during the next four semesters of teaching in that modality. Unit members who primarily work winter or summer sessions only will be evaluated during the applicable session. Thereafter, unit members will be evaluated **once** every four semesters of teaching per modality. The evaluator must be certified and/or regularly teach in the modality for which they are performing the evaluation.
 - 2. In the absence of complaints investigated by the dean and/or Human Resources or significant failure to follow district policies and procedures, and in the presence of good student evaluations, unit members who have taught for at least sixteen (16) semesters shall be evaluated once every six semesters of employment.
 - 3. At the option of the Department Chair, a Unit Member may be evaluated when he or she is assigned to teach a new course within the discipline or other discipline the Unit Member has not previously taught at the District.
- D. The complete evaluation documents shall include, but not be limited to, the following items:

1. Student Evaluation: An electronic student survey, jointly agreed to by the parties, shall be administered to all students of the faculty member to be evaluated. Student evaluations will be used to improve instruction, not as a sole determinant of employee status. Student evaluations for all modalities will be administered consistent with the process used for full-time faculty.
 - a. Student evaluations will be administered electronically with the exception of incarcerated students, which will be conducted using paper during a single class session.
 - b. Student evaluations will be administered at approximately the 50% of the semester mark.
 - c. For classes 8-weeks in duration or longer, the surveys will run for 10 calendar days.
 - d. For classes less than 8-weeks in duration, the surveys will run for 5 calendar days.
 - e. The evaluatee and evaluator will receive the results of the student evaluations electronically within one week of the completion of student evaluations.
2. Classroom/Non-Instructional Evaluation Report:
 - a. The evaluator shall make at least one classroom or other work place observation, to be no less than fifty minutes in length whenever possible (but may be longer if the class or lab session observed is longer). An evaluation report based on this observation and other appropriate criteria will be completed on the forms jointly agreed to by both parties.
 - b. The evaluation report (Appendix B or Appendix E) should be completed by the evaluator and submitted to the part-time faculty member within twenty-eight (28) calendar days from the observation date. It will then be forwarded to the department chair, and division dean, who will sign off on the report, indicating that they acknowledge the findings. Any evaluation report submitted to the part-time faculty member later than the twenty-eight (28) calendar days is still valid.
3. Online Evaluation Report:
 - a. If the class to be evaluated takes place 100% online or hybrid class is 50% or more online, the evaluator shall, during a prearranged and mutually agreed on meeting with the evaluatee, access one current online/hybrid course section for review. If a hybrid class is selected, then the online portion of the class shall be subject to evaluation. The class observation can take place in person or virtually, and should be no less than fifty cumulative minutes in length, but may be longer if the complete section cannot be reviewed within fifty cumulative minutes. The evaluation process should, at a minimum, determine that academically relevant student-instructor contact is regularly initiated by the instructor and is substantive. Furthermore, the evaluation should, at a minimum, determine that student-instructor and student-student interaction is conducted in alignment with the current Distance Learning Addendum (part of the official course outline of record) for the particular course. An evaluation report based on this observation and other appropriate criteria will be completed on the forms jointly agreed to by both parties.
 - b. The evaluation report (Appendix B – Online) should be completed by the evaluator and submitted to the part-time faculty member within twenty-eight (28) calendar days from the observation date. It will then be forwarded to the department chair and division dean, who will sign off on the report, indicating that they acknowledge the findings. Any evaluation report submitted to the part-time faculty member later than the twenty-eight (28) calendar days is still valid.

4. Self-Reflection: Each part-time instructor will complete a written self-reflection, due to the evaluator at least five (5) calendar days before the Evaluation Conference, to be used to improve instruction and not as a determinant of employee status. The self-reflection shall include, but may not be limited to:
 - a. Objectives for improvement, change or maintenance of methodology based on the results of the student survey, a self-examination of teaching methods, student learning outcomes, assessment data from student learning outcomes or other measures, and whatever other factors that are deemed relevant.
 - b. A review of the objectives for improvement, if any, from the evaluatee's last evaluation.
 - c. A summary of professional growth activities. A listing of reasonable resources that can be provided by the District to help improve instructor teaching.
 5. The Professionalism Report (Appendix D) is an optional report regarding the evaluatee's professionalism and other faculty responsibilities. The Professionalism Report is in addition to the Visitation and Evaluation Report (Appendix B - Classroom, Appendix B - Online, Appendix B – OnlineLIVE, or Appendix E). This report can be requested by the member, the member's department chair, or the member's division dean during any semester or term, irrespective of the member's comprehensive evaluation. It can be completed by the member's department chair or division dean. If Appendix D is completed during a regular evaluation cycle, the member should be notified via e-mail by the division dean ten (10) days in advance of the final review conference. The Professionalism Report should be submitted to the member within twenty-eight (28) calendar days from the observation date and will become part of the member's comprehensive evaluation report (when conducted during a regular evaluation cycle). All evaluation documents will be placed in the adjunct instructor's District personnel file.
- E. Evaluation Conference:
1. An evaluation conference to be held no sooner than seven (7) calendar days after the observation will be scheduled by the evaluator. The conference will deal with, but not be limited to, the items listed above in the evaluation report and Self Reflection.
 2. If requested by the evaluatee, the division dean may be included in this meeting to discuss the Professionalism Report.
- F. If desired, the evaluatee may submit a written, signed response regarding Appendix B - Classroom, Appendix B – Online, Appendix B – OnlineLIVE, or Appendix E (and optional Appendix D) to the division dean within fourteen (14) calendar days after the Evaluation Conference.
- G. The evaluatee may challenge the initially proposed evaluator and request an alternate evaluator be assigned. The replacement evaluator will be assigned by the division dean in consultation with the department chair. This challenge must be received by the division dean with five (5) calendar days of the communication informing the unit member of the initially proposed evaluator, and may only be exercised once per evaluation.

- H. In the event the evaluatee feels the evaluation report and/or overall evaluation score is inaccurate or non-representational, the evaluatee may request a second evaluation to be conducted by a different evaluator.
 - 1. The evaluatee must submit a written request for a second evaluation to the division dean within five (5) workdays of receipt of the completed evaluation form, specifying the perceived problem with the original evaluation and the justification for a second evaluation.
 - 2. The evaluatee will receive a written response to the request for a second evaluation within ten (10) workdays of the request.
 - a. If a second evaluation is granted, it may be scheduled during the same semester (or term) or during the following semester.
 - b. If a second evaluation is not granted, the response must include specific reason(s) for denying the request based on substantive, not staffing, criteria. Refusal to grant a second evaluation is grievable by the evaluatee or AFT.
- I. All evaluation documents as described in section D, section F, and section H above should be submitted to Human Resources by the division dean before the end of the respective semester or term that the evaluation occurred.
- J. Off-Cycle Evaluations
 - 1. The District and AFT agree that off-cycle evaluations may be required for unit members under the following conditions:
 - a. To address performance issues related to the unit member's duties and responsibilities; or
 - b. As part of a Performance Improvement Plan (PIP)

If a Unit Member uses his/her own vehicle for pre-approved District business, per District policy, the District shall:

1. Provide reimbursement at the District's established rate per mile, if requested.
2. Upon receipt of adequate proof of loss, reimburse Unit Members for damage to their personal property in an amount not to exceed two hundred fifty dollars (\$250) or an amount necessary to satisfy any deductible requirements of the Unit Member's personal insurance, whichever is less. Such reimbursement shall not be paid to any Unit Member who received a citation from a law enforcement agency in connection with such property loss unless such citation is dismissed by a court of competent jurisdiction.
3. In the event a unit member's assignment based upon the needs of the department and at the specific request of the CIO (or designee) is split between two or more instructional locations (for example, the Valencia campus, the Canyon Country Campus or other off-campus site(s) or satellite(s) or the District) during the course of a regular work day (such that the assignment creates a need to travel between the site(s)) the District shall reimburse for mileage accrued in the course of that day and assignment at the District rate.

F. Parking

The District will pay for parking for unit members for the life of the Agreement.

G. Graduation - Caps and Gowns

Unit members are encouraged to participate in commencement exercises. The District will provide for the free rental of caps and gowns, through the campus Bookstore, for use during the graduation ceremony.

H. Camera Policy

1. Video recording may be used to promote a safe working environment on the campuses.
2. Video recording may be used for disciplinary purposes.
3. No video (moving or still) recording equipment will be used where there is a reasonable expectation of privacy, in accordance with applicable law. Areas that are expressly prohibited from video and/or audio recording include, but are not limited to, private faculty offices, bathrooms, locker rooms, mental health consultation rooms, and medical exam rooms.
4. No audio recording devices will be used, overt or covert, on campus, except with two-party consent.
5. An adequate number of signs must be posted to reasonably notify faculty that video recording may occur in public spaces, where appropriate. The AFT President will receive a list of the number and location of video recording devices to be used on campus each year and the list will only be distributed to members of the AFT Executive Board.
6. If public video recording is used for proposing disciplinary action against a unit member, and upon request from the accused unit member, an AFT representative and/or attorney may be present during the unit member's initial viewing of that recording. Only District management personnel will be allowed to review video recordings used for discipline action against a unit member.
7. For all other matters related to camera use on campus, unit members will refer to any applicable Board Policy and Administrative Procedure.

ARTICLE 12: NON-DISCRIMINATION

- A. The District and the AFT agree that all unit members are entitled to equal employment opportunity. The District and AFT will not discriminate against any unit member on the basis of race, color, religion, national origin, ancestry, sex, age, marital status, veteran status, sexual orientation, disability as defined by the American with Disabilities Act and/or Fair Employment and Housing Act or other protected category, in any of its policies, procedures or practices.
- B. AFT and the District recognize that all members of the bargaining unit are entitled to a discriminatory harassment-free work environment.
- C. The District agrees not to discriminate against any Unit Member because of membership in or participation in the lawful activities of the Union.

ARTICLE 13: GRIEVANCE

A. Definitions

1. A “grievance” is a claim by a Unit Member (employee) that there has been a violation of a specific provision of the Agreement.
2. “Academic year” is the period commencing with the first day of Fall Semester and ending on the day of commencement.
3. An “aggrieved person” or “grievant” is the Unit Member (employee) or group of unit members (employees) who believes he/she or they has/ have been adversely affected or the Union.
4. “Workday”: A workday is defined as any day on which the central administrative offices of the District are open for business during the Fall and Spring Semesters.

B. General Provisions

1. The purpose of this procedure is to secure, at the lowest possible administrative level, an equitable solution to a grievance.
2. Until the final disposition of the grievance(s), the grievant is required to conform to the directions of his or her immediate supervisor.
3. Both parties agree that these procedures will be kept as informal as may be appropriate at any level of the procedure.
4. The aggrieved Unit Member(s) may request that the Union represent them, but nothing contained herein will be construed as limiting the right of any Unit Member having a perceived grievance to discuss the matter informally with the Department Chair and/or any appropriate member of the administration, and to have the grievance adjusted without intervention by the Union. The grievant shall be entitled upon request to representation by the AFT at all grievance meetings. In situations in which AFT has not been requested to represent the grievant, the District shall not agree to a final resolution of the grievance until AFT has received a copy of the grievance and the proposed settlement and has been given the opportunity to file a response to the matter within ten (10) workdays.
5. All grievance level forms must be filed with Human Resources. Human Resources will distribute copies to the appropriate respondents.
6. Grievances shall be processed as rapidly as possible, the time limits specified at each level should be considered to be the maximum and every effort should be made to expedite the process. However, the time limits may be extended by mutual written agreement of both parties.
7. If a grievance is not processed by the grievant and/or the Union in accordance with the time limits set forth in this Agreement, it shall not be subject to further procedures and shall be considered withdrawn. If the District fails to respond to the grievance within the time limit specified at each level, the failure to respond shall be deemed a denial of the grievance and termination of the level involved. The grievant may proceed to the next step.
8. Forms for this grievance procedure shall be mutually agreed to and should include 1) a description of the specific grounds for the grievance 2) a listing of the provisions of the Agreement which are alleged to have been violated 3) a statement of the action(s) requested of the District which will resolve the grievance. These forms shall be

available online in a fillable format suitable for electronic distribution. In the event a grievance is filed at such a time that it cannot be processed through all the steps within this grievance procedure by the end of the academic year and, if left unresolved until the beginning of the following academic year, this delay could result in harm to an aggrieved person, the time limits set forth herein will be reduced so that the procedure may be completed prior to the end of the academic year, or as soon thereafter as may be agreeable to the grievant and the District.

9. Grievances of a similar or like nature may be joined as a single grievance upon the written consent of the grievants involved. Should the grievants so consolidate, the final grievance decision shall be binding upon all parties to the consolidated grievance.
10. All grievance documents and/or files shall be maintained in a separate section of the Human Resources filing system, labeled "The Grievance File." This pertains to all participants, at all levels, in the grievance matter. Access to the electronic Grievance File shall be limited to the grievant, authorized AFT representatives, and District personnel charged with the processing of grievances on a need-to-know basis.

C. Procedure

1. Level One – Informal - Department Chair

- a. If and after the member has attempted to resolve the matter with the department chair without notification to Human Resources or the division dean, the grievant shall attempt to resolve the matter by submitting a "Level One" informal grievance form to Human Resources within twenty (20) workdays after the occurrence or after the grievant should reasonably have been aware of the occurrence of the act or omission giving rise to the grievance.

(1) Grievances in which the grievant is the Union itself are initiated at Level Two.

- b. Within ten (10) workdays of filing the "Level One" informal grievance form, the department chair will hold an informal conference with the grievant.
- c. Within ten (10) workdays of the informal conference, the department chair shall give their written response to the individual grievant. If the response does not resolve the issue to the satisfaction of the grievant, then they may, within ten (10) workdays of the department chair's response, file a formal Level Two grievance.

2. Level Two – Formal

- a. If the grievance is not resolved at Level One, the grievant will have ten (10) workdays, from the date of the department chair's written response, to submit to Human Resources, the formal Level Two grievance on the official grievance form.
- b. Within ten (10) workdays after filing the Level Two formal grievance form, the Division Dean shall meet with the grievant and within ten (10) additional workdays after their meeting, provide his or her written response to the grievant.

3. Level Three - Formal

- a. If the grievance is not resolved at Level Two, the grievant will have ten (10) workdays from receipt of the Level Two email response in which he or she may submit to the CHRO or designee a Level Three formal grievance on the electronic grievance form.
- b. Alleged violations not presented at Level Two may not be introduced at any other level, and no evidence or testimony given shall be the cause for expanding the grievance.

- c. The CHRO or designee shall promptly forward the statement of grievance to the Chief Instructional Officer (CIO) or Chief Student Services Officer (CSSO) or their designee, and shall provide the name of that person to the grievant.
- d. Within ten (10) workdays after receiving the grievance, the Chief Instructional Officer (CIO) or Chief Student Services Officer (CSSO) or their designee shall meet with the parties and shall within ten (10) workdays of their meeting provide his or her response via email to the grievant.

4. Level Four - Mediation

- a. If the grievance is not resolved at Level Three, the grievant will have ten (10) workdays from receipt of the email response from the Chief Instructional Officer (CIO) or Chief Student Services Officer (CSSO) or their designee in which he or she may process the grievance to mediation by filing a Level Four grievance on the appropriate grievance form with the CHRO or designee.
- b. If the grievant agrees to mediation, then the CHRO shall, within ten (10) workdays after the receipt of the email request, submit to the California State Conciliation Service a request for the immediate services of a mediator. The grievant or AFT and the District will mutually agree to the selection of the mediator.
- c. The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process.
- d. Either party may choose to terminate the mediation in writing.

5. Level Five – Formal, Advisory Arbitration

- a. Arbitrated Grievance: If the grievant is not satisfied with the decision at Level Three or the grievance has not been resolved through mediation, he/she may request AFT to submit the grievance to arbitration within ten (10) workdays of receipt of the Level Three response or within ten (10) workdays of the conclusion of mediation. If AFT concurs with the grievant's request for advisory arbitration, the District and AFT shall select an arbitrator from the California State Mediation and Conciliation Service by the method of alternate striking from a list of arbitrators supplied by the CSM and CS. The request for such list shall be made by the District within five (5) days of the receipt of the Level Five appeal. The striking and resultant request for an arbitration hearing date shall be made by AFT as soon after receipt of the arbitrator list as possible.
- b. The arbitrator shall render a recommendation to the CHRO as soon as possible. The arbitrator shall not have the authority to delete, add to or otherwise modify the provisions of this Agreement. The arbitrator's authority shall be limited to deciding whether the District has violated, misinterpreted or misapplied the referred to express provision of this Agreement and such decision shall not imply obligations and conditions to restrict the District in its administration of the terms of this Agreement; it being understood that any matter not specifically set forth herein remains within the management rights of the District.

6. Formal Level, Level Six – Board of Trustees

The decision of the arbitrator within the limits herein prescribed shall be in the form of a recommendation to the Board of Trustees. The Board of Trustees shall undertake review of the advisory recommendation and take formal action accepting or rejecting the advisory recommendation. The Board of Trustees shall then render a decision on the matter, which decision shall be final and binding on all parties.

D. Miscellaneous

- a. No reprisals of any kind will be taken by the CEO of the District or by any member or representative of the administration of the District against any aggrieved person, any member of the Union, or any other participant in the grievance procedure by reason of such participation.
- b. The aggrieved Unit Member may represent him or herself at all stages of the grievance, and if requested by the grievant, one (1) chapter representative and one (1) area representative of the Union or personal legal counsel of their choice may accompany the grievant through the levels of the process. Personal legal counsel in this local process may not represent the aggrieved person.
- c. Time limits provided in each level shall begin at the expiration of the previous time limit or the day following receipt of written decision by the parties in interest.
- d. Grievance meetings will be scheduled by the District so as not to conflict with classroom duties.
- e. From the time a grievance is filed until it is processed through its completion or closure, neither party shall make public either the grievance or evidence regarding the grievance. This will constitute a breach of confidentiality.
- f. The fees and expenses of the arbitrator shall be borne equally by the District and the AFT.

- F. The STRS Defined Benefit Plan requires an employer contribution (currently 8.25%) and an employee contribution (currently 8.0%).
- G. The STRS Cash Balance Plan requires a total current contribution of 8% of gross salary: currently 4% from the District and currently 4% from the Unit Member. Benefits shall be available to unit members upon retirement, disability, or termination of employment as determined by STRS.

ARTICLE 18: ACADEMIC FREEDOM

Reference: BP 4030

Reference: Education Code section 76120; Title 5 section 51023; Accreditation Standard I.C.7; 1940 Statement of Principles on Academic Freedom and Tenure with Interpretative Comments, in AAUP POLICY DOCUMENTS & REPORTS (11th ed. 2015)

A. General Principles on Academic Freedom

1. The free expression guarantee provided by the United States Constitution's First Amendment is vital to America's democracy; the functioning of democratic institutions depends on the people's freedom to vigorously discuss, debate, disagree, challenge and dialogue on all topics of public concern.
2. To fulfill its civic and educational mission, an institution of higher education must encourage its campus community to comprehend and value the importance of the right of free expression to an open society and an educated populace.
3. Developing the critical inquiry and thought required for individual success and societal progress can only occur in an academic environment that promotes an open and free exchange of ideas and freedom of expression must, therefore, extend to students and faculty in an educational environment.
4. The College supports academic freedom for its faculty and students and encourages them to develop and engage in opportunities for critical thinking and personal growth without compromising the respect to which all persons are entitled.

B. Academic Freedom and the Faculty

1. The District adopts the definition of academic freedom provided by the 1940 Statement of Principles on Academic Freedom and Tenure, including the 1970 Interpretive Comments. That definition, in summary, declares that academic freedom is the freedom to teach, both in and outside the classroom, to conduct research and to publish the results of those investigations, and to address any matter of institutional policy or action whether or not as a member of an agency of institutional governance. Professors should also have the freedom to address the larger community with regard to any matter of social, political, economic or other interest, without institutional discipline or restraint, save in response to fundamental violations of professional ethics or statements that suggest disciplinary incompetence.

C. Academic Freedom and Students

1. By engaging in academic study within the District, students should accept that they will study in an environment designed to present a full, open, and thoughtful range of academic insights, perspectives, and viewpoints and that they are likely to be exposed to conflicting and controversial views as a result.
2. Academic freedom allows students to take reasoned exception to the concepts and conclusions presented in any course of study in a manner that is consistent with the District's Code of Student Conduct. Students remain responsible, however, for learning the content of any course in which they are enrolled, and can expect to be evaluated on their knowledge of such information.

D. District Responsibilities and Support

1. The District is committed to the full support of the principle of academic freedom within all its activities.
2. The District supports the freedom of all faculty to inquire, to teach controversial content, to model and encourage critical thinking, and to present multiple viewpoints within each discipline.
3. The District supports the freedom of all students to inquire, access the full range of information available, explore difficult and controversial material, develop and practice critical thinking skills, and learn in a climate free of intimidation and conducive to the free exchange of ideas.
4. The District recognizes that the California Education Code grants faculty the right and the professional responsibility to assign grades free from political influence, intimidation, or legal threat.

E. Role of Academic Senate

1. The Academic Senate shall establish a Committee on Academic Freedom to provide clarification and advice on matters relating to academic freedom.

Unit members who successfully complete a 54-hour non-credit teaching foundation certificate of completion will remain at their earned step, and will be advanced to range B (without Ph.D., J.D., Ed.D., etc.) or range D (with Ph.D., J.D., Ed.D., etc.) on the salary schedule per Appendix A, effective the following summer session.
- B. For ACUE, 1 micro credential course (6-7 modules) = 1 unit. Unit members who successfully complete 3 units will remain at their earned step and will be advanced to range B (without Ph.D., J.D., Ed.D., etc.) or range D (with Ph.D., J.D., Ed.D., etc.) on the salary schedule per Appendix A, effective the following summer session. Alternatively, unit members may receive paid FLEX hours for each hour of ACUE training up to their maximum available FLEX hours that same semester. Unit members cannot use units for movement across the salary schedule if receiving FLEX payment for those same hours.
- C. Unit members who attend College sponsored FLEX and approved department activities, including the professional development program from Section A above, will earn their regular hourly rate for up to 5 hours and up to an additional 5 hours of FLEX at the non-instructional rate for each summer/fall and winter/spring period. Unit members have the option to present FLEX workshops for double the FLEX hours, up to the maximum hours stated above (i.e. presenting a 1-hour workshop would equate to 2 FLEX hours).
 1. Approved department activities include: department retreats, department retreat presentations, and departmental trainings that have been approved for FLEX credit.
 2. Unit members will be given reasonable advanced notice of department retreats. Every effort will be made to schedule such retreats at times convenient to encourage maximum attendance.
 3. The following training deemed mandatory by California law:
 - Anti-harassment training (non-supervisory)

 4. Only training or professional development, as defined by the Faculty FLEX Committee, is eligible for FLEX credit. Departmental or District support activities such as, but not limited to maintaining department web pages, assisting with faculty scheduling, and class calendaring, are not considered FLEX eligible. Activities such as these must be approved in advance by the division dean and would be paid the applicable hourly non- instructional rate per Article 11.
 5. Unit members who have either a winter or spring assignment may attend FLEX activities from January 1st through June 30th. Unit Members who have a summer or fall assignment may attend FLEX activities from July 1st through December 31st.
- D. The District will make every effort to inform unit members of the FLEX schedule in ample time to enroll. The District will also make an effort to offer some FLEX opportunities at a time convenient for part-time faculty attendance. FLEX is not mandatory; however, unit members are encouraged to attend.
- E. If the District directs a Unit member to attend a conference or meeting, all of his or her necessary and reasonable costs for fees, travel, board, and lodging shall be reimbursed by the District.

ARTICLE 20: OFFICE HOURS

A. Office Hours: Time, Place, and Manner

1. Office hours are to be scheduled to meet the needs of all on-ground, online, and hybrid students, whether students are enrolled in full semester-length or short-term classes, and the needs of the educational program of the District.
Instructors of noncredit classes that are mirrored with credit classes, where a single class consists of both credit and noncredit students, will provide access to their existing office hours for the noncredit students in this section.
2. The provisions of this article do not apply to non-instructional faculty (for example, counselors and librarians).
3. Each scheduled period of on campus (or site) office time shall be scheduled during regular college (or site) business hours.
4. Seventy five percent (75%) of the office hours for a course must be conducted on a regular schedule, either on the campus (or site) where the course is scheduled or through virtual means. This portion of the office hours will be considered “scheduled office hours”.
 - a. Virtual office hours must be conducted via the District’s approved Learning Management System (LMS) or CCC Confer. The District will ensure that instructors have a reliable means of conducting virtual office hours. Virtual office hours require instructor login and telepresence throughout the period and must include video or other synchronous communication options for students. The link to join virtual office hours must be posted in the class syllabus along with password to enter if applicable.
 - b. If an instructor elects to hold virtual office hours for the scheduled portion of an on-ground (or site) class, and a student in the on-ground (or site) class requests an in-person meeting, the instructor will offer to meet with that student on-ground (or site) at a reasonable day and time within one week.
5. Twenty five percent (25%) of the office hours for a course may be conducted per individual arrangements between the student and the unit member. This portion of the office hours will be considered “unscheduled office hours”.
 - a. Unscheduled office hours are in-person or computer-mediated communications or phone calls.
 - b. The instructor’s e-mail address will be included in the class syllabus.
 - c. If an instructor is not available to students via e-mail, all of the office hours for that instructor must be scheduled office hours.
6. Each scheduled period of office time shall be scheduled during a time that students are reasonably expected to be available. During the fall and spring semesters, each unit member shall maintain office hours for on-ground (or site), online, and hybrid classes as per the table below. For courses that consist of tandem lecture and lab, office hours are based on the units per week associated with the lecture only.
 - i. Within one week after the commencement of the semester, the unit member shall prepare and submit their proposed schedule of office hours to the instructional dean via the District’s office hours reporting website and email. The Dean shall review and submit approval or any comments regarding the proposed office hours by the

end of the second week of the semester. No response after the second week is considered approval.

- ii. Schedule office hours may be flexible and held at a time to be determined after the unit member has surveyed their students but must be determined no later than the Census date. Changes to scheduled office hours must be communicated to the students via email, updated on the syllabus, and updated on the District's office hours reporting website.
7. Office hours must be included in each course syllabus along with campus (or site) location or LMS/CCC Confer access instructions.
8. At least six and a quarter percent (6.25%) of office hours must be within the first week of the semester to accommodate for students looking to add the class
9. At least six and a quarter percent (6.25%) of the office hours must be during the week of the class final.
10. Office hour requirements per semester are as follows:

15	1680	560	2240	140
16	1800	600	2400	150

11. Cancellation of one or more office hours per day, not properly rescheduled within one week, will result in the use of leave hours equal to the office hour(s) missed.

B. Compensation:

1. All office hours (scheduled and unscheduled) will be compensated as per Article 10.
2. Scheduled office hours may be verified by the instructional dean.

C. Miscellaneous:

1. Unit members will not be compensated for hours in excess of the minimum requirement, or for additional hours worked either in person or online.

ARTICLE 21: NONCREDIT FACULTY

A. Definition

Article 21 applies specifically to noncredit adjunct faculty teaching all or the majority of their teaching load in noncredit. Unless specifically preempted by this article, the entirety of the American Federation of Teachers Local 6262 collective bargaining agreement applies to noncredit adjunct faculty. Noncredit adjunct faculty may be employed in a noncredit assignment for a maximum of two hundred ninety-three (293) instructional hours per semester (i.e., 67% of eight hundred seventy-five [875] instructional hours per school year or four hundred thirty-seven [437] instructional hours per semester as defined by Education Code 22138.5 for full-time noncredit faculty), approved by the State Chancellor in accordance with Section 55100 of Title V of the California Code of Regulations, and for which the District receives funding under Education Code Section 84757 and related statutory and regulatory provisions. Adjunct faculty that teach both noncredit as well as credit classes can only teach 67% of a full-time load. A noncredit assignment may consist of both noncredit CDCP* (Career Development College Preparation or enhanced) as well as noncredit non-enhanced courses as per the ten noncredit categories below:

1. English as a Second Language*
2. Immigrant Education
3. Elementary and Secondary Basic Skills*
4. Health and Safety
5. Substantial Disabilities
6. Parenting
7. Home Economics
8. Courses for Older Adults
9. Short-term Vocational Programs*
10. Workforce Preparation*

The minimum qualifications for noncredit faculty are specified in Title V Section 53412 of the California Code of Regulations.

B. Responsibilities

1. Noncredit faculty shall be responsible for meeting their assigned classes on time and regularly. Locations for these assigned classes can include District sites and/or off-campus sites within the Santa Clarita Valley.
2. Noncredit faculty shall also be responsible for class preparation, all required record keeping, and timely submission of all required District and State records and reports.
3. Where appropriate, noncredit faculty shall also be responsible for being informed about the credit program of the District and for preparing students to transition into the College's credit program.

C. Assignment and Scheduling

It is in the best interest of the District and the intent of both parties to hire experienced, noncredit faculty to work with a cohort of noncredit students either at the College and/or particular off-campus site.

1. When there is a need for noncredit faculty service beyond that provided by regular, contract, and /or other District full-time faculty, the following are the factors to be considered in developing the work assignment of noncredit unit members for all semesters and sessions.
 - Minimum qualifications and/or appropriate certification (Title V Section 53412)
 - Demonstrated competency, expertise and/or training in the discipline, sub-field of the discipline, or particular assignment
 - Previous service/experience with the College and/or off-campus site
 - Previous overall rating of 4 or 5 in a formal evaluation as per Appendix B or E
 - Investigated Complaints
 - Availability for the assignment
 - Request by the noncredit unit member to continue with the same cohort at the same site as the previous semester
 - Unit members who have been or are currently being investigated for a legitimate violation of the District's written policies and procedures, that has been reviewed by Human Resources, may not receive an assignment.
2. The Dean of Continuing Education or other appropriate administrator (or his/her designee) shall assign noncredit courses to noncredit faculty, based on criteria outlined in Article 6 sections 6.3, 6.4 and 6.5.
3. Noncredit adjunct faculty may be employed in a noncredit assignment for a maximum of two hundred ninety-three (293) instructional hours per semester (or 67% of eight hundred seventy-five [875] instructional hours per school year or four hundred thirty-seven [437] instructional hours per semester as defined by Education Code 22138.5 for full-time noncredit faculty). If a noncredit adjunct faculty member is also employed in a credit adjunct assignment, the unit member can still only teach 67% of a full-time load.

For example, consider an ESL unit member who would like to teach a 67% load that consists of a noncredit ESL assignment as well as an ESL-060 credit assignment:

- ESL-060 credit load: 54.00 semester hours = 3.00 units (20% load or 3 units/15 units)
 - Noncredit load: 47% remaining noncredit load = 205 noncredit semester hours (47% of 437 hours)
4. The District will staff sections no later than the summer session before the start of the fall semester, the fall semester before the start of the winter intersession, the winter session before the start of the spring semester, and the spring semester before the start of the summer session. The District will notify AFT of reasons for exceptions to this timeline. Exceptions to the timeline below may include the following:
 - Uncertainty in funding that results in a reduction or expansion of department course offerings;
 - Change in course availability due to the change in the number of department full-time faculty or full-time faculty reassigned/release time;
 - Change in course offerings due to a change in curriculum, reorganization, or administrative priorities concerning enrollment;

- Change in off-campus site priorities external to the college; and
- Technical difficulties with software or data systems.

D. Evaluations

The performance evaluation of noncredit instructors is essential to the maintenance of a quality instructional program. The evaluator should arrive on time and be professional as well as respectful to the noncredit unit member and students in the class.

1. Definitions

- The “evaluatee” is the person being evaluated.
- The “evaluator” is a full-time faculty member in the related credit department or appropriate educational administrator. The evaluator will be assigned by the Dean of Continuing Education (or his/her designee).
 - If the class to be visited is an online class, the evaluator will have online teaching experience. If the evaluator does not possess online teaching experience, a co-evaluator may be assigned (one assigned as per 1.b. and the other a faculty member or educational administrator with experience in online pedagogy), assigned by the Dean of Distance Learning, where both co-evaluators may not be educational administrators.
 - If co-evaluators are assigned for an evaluation of an online class, the evaluator assigned per 1.b. will complete only that part of the evaluation
- An “observation” is the observation of the noncredit unit member, in the performance of his or her duties, by the evaluator.
- The “instrument” is the agreed upon Visitation and Evaluation Report (Appendix B – Classroom or Appendix B – Online) for noncredit faculty. Non-teaching part-time noncredit faculty will be evaluated using the Non-Instructional Visitation and Evaluation Report (Appendix E).

2. Scheduling and Frequency

Noncredit instructors shall be evaluated during the first semester of employment and at least one additional time during the next four semesters of employment (as determined by Human Resources). For noncredit faculty that primarily work winter or summer sessions only, they will be evaluated during the applicable session. Thereafter, noncredit instructors will be evaluated at least one time during every four semesters of employment. In the absence of complaints and in the presence of good student evaluations, noncredit instructors who have taught for at least sixteen (16) semesters may be evaluated once every six semesters of employment. However, at the option of the Dean of Continuing Education, Dean of Learning Resources, or other appropriate administrator, a noncredit faculty member may be evaluated when he or she is assigned to teach a new course within the discipline or other discipline the noncredit unit member has not previously taught for the District.

3. The complete evaluation documents shall include, but not be limited to, the following items:

- Classroom or Non-Instructional Evaluation Report:
 - The evaluator shall make at least one classroom or other work place observation, to be no less than fifty minutes in length whenever possible (but may be longer if the class or lab session observed is longer). An evaluation

report based on this observation and other appropriate criteria will be completed on the forms jointly agreed to by both parties.

- ii. The evaluation report (Appendix B or E) should be completed by the evaluator and submitted to the noncredit faculty member within twenty-eight (28) calendar days from the observation date. It will then be forwarded to the department chair and division dean (where applicable), who will sign off on the report, indicating that they acknowledge the findings. Any evaluation report submitted to the part-time noncredit faculty member later than the twenty-eight (28) calendar days is still valid.

4. Online Evaluation Report:

- a. If the class to be evaluated takes place 100% online or hybrid class is 50% or more online, the evaluator shall, during a prearranged and mutually agreed on meeting with the evaluatee, access one current online/hybrid course section for review. If a hybrid class is selected, then the online portion of the class shall be subject to evaluation. The meeting can take place in person or virtually, and should be no less than fifty cumulative minutes in length, but may be longer if the complete section cannot be reviewed within fifty cumulative minutes. The evaluation process should, at a minimum, determine that academically relevant student-instructor contact is regularly initiated by the instructor. Furthermore, the evaluation should, at a minimum, determine that student-instructor and student- student interaction is conducted in alignment with the current Distance Learning Addendum (part of the official course outline of record) for the particular course. An evaluation report based on this observation and other appropriate criteria will be completed on the forms jointly agreed to by both parties.
- b. The evaluation report (Appendix B – Online) should be completed by the evaluator and submitted to the part-time faculty member within twenty-eight (28) calendar days from the observation date. It will then be forwarded to the department chair and division dean, who will sign off on the report, indicating that they acknowledge the findings. Any evaluation report submitted to the part-time faculty member later than the twenty-eight (28) calendar days is still valid.

5. Self-Reflection: Each part-time instructor will complete a written self-reflection, due to the evaluator at least five (5) calendar days before the Evaluation Conference, to be used to improve instruction and not as a determinant of employee status. The self-reflection shall include, but may not be limited to:

- Objectives for improvement, change or maintenance of methodology based on the results of the student survey, a self-examination of teaching methods, student learning outcomes, assessment data from student learning outcomes or other measures, and whatever other factors that are deemed relevant.
- A review of the objectives for improvement, if any, from the evaluatee's last evaluation.
- A summary of professional growth activities. A listing of reasonable resources that can be provided by the District to help improve instructor teaching.

6. The Professionalism Report (Appendix D) is an optional report regarding the evaluatee's professionalism and faculty responsibilities. The Professionalism Report is in addition to the Visitation and Evaluation Report (Appendix B and E).

This report can be requested by the member, the member's department chair, or the member's division dean any semester or term, irrespective of the member's comprehensive evaluation. If Appendix D is completed during a regular evaluation cycle, the member should be notified via e-mail by the division dean ten (10) days in advance of the final review conference. The Professionalism Report should be submitted to the member within twenty-eight (28) calendar days from the observation date and will become part of the member's comprehensive evaluation report (when conducted during a regular evaluation cycle). All evaluation documents will be placed in the adjunct instructor's District personnel file.

7. Evaluation Conference: An evaluation conference will be scheduled by the evaluator, to be held no sooner than seven (7) calendar days after the observation. The conference will deal with, but not be limited to, the items listed above in the classroom evaluation report, Self-Reflection, and Professionalism Report.
8. If desired, the evaluatee may submit a written, signed response regarding Appendix E or F to the appropriate educational administrator within fourteen (14) calendar days after the Evaluation Conference. This response along with complete evaluation documents will be included in the noncredit instructor's District personnel file.
9. The evaluatee may challenge the initially proposed evaluator and request an alternate evaluator be assigned. The replacement evaluator will be assigned by the division dean in consultation with the department chair. This challenge must be received by the division dean with five (5) calendar days of the communication informing the unit member of the initially proposed evaluator, and may only be exercised once per evaluation.
10. In the event the evaluatee feels the evaluation report and/or overall evaluation score is inaccurate or non-representational, the evaluatee may request a second evaluation to be conducted by a different evaluator.
11. The evaluatee must submit a written request for a second evaluation to the division dean within five (5) workdays of receipt of the completed evaluation form, specifying the perceived problem with the original evaluation and the justification for a second evaluation.
12. The evaluatee will receive a written response to the request for a second evaluation within ten (10) workdays of the request.
 - a. If a second evaluation is granted, it may be scheduled during the same semester (or term) or during the following semester.
 - b. If a second evaluation is not granted, the response must include specific reason(s) for denying the request based on substantive, not staffing, criteria. Refusal to grant a second evaluation is grievable by the evaluatee or AFT.
13. All evaluation documents as described above should be submitted to Human Resources by the division dean before the end of the respective semester or session that the evaluation occurred.

ARTICLE 22: DISCIPLINE

The District and the AFT shall be committed to resolving performance problems at the informal level, whenever possible. However, when a problem arises, the Unit Member may be subject to discipline. Discipline shall be administered in a timely manner once the District is aware of the issue, and be for just cause.

If a District administrator requests a meeting with a Unit Member that could result in the discipline of the Unit Member, the District will notify the Unit Member of his/her right to have a representative at the meeting and inform the Unit Member of the reason for the meeting

APPENDIX I: DOCUMENTS TO FINALIZE NEGOTIATIONS FOR 2018-2019 AND 2019-2020

Santa Clarita Community College District American Federation of Teachers (AFT) Local 6262 Tentative Agreement October 8, 2020

This is a tentative agreement between the Santa Clarita Community College District and the American Federation of Teachers (AFT) Local 6262.

The following changes are agreed upon to modify the collective bargaining agreement between Santa Clarita Community College District and American Federation of Teachers (AFT) Local 6262 regarding language in Article 10: Total Compensation for the 2018-19 and 2019-20 contract years. This agreement will complete negotiations for the 2018-19 and 2019-20 contract years.

ARTICLE 10: TOTAL COMPENSATION

The Santa Clarita Community College District employs a Total Compensation Model with regard to employee salary and benefits.

- A. Unit members shall be paid for teaching assignments on a per course basis using the contact hours associated with the assignment.
- B. Adjunct faculty salaries for teaching credit courses, and enhanced noncredit courses, and providing counseling and librarian services are implemented in accordance with the Adjunct Salary Schedule and all the terms included on the schedule. (*Appendix A, Adjunct Salary Schedule Section A*).
 - 1. For 2018-2019 adjustments to the Adjunct Salary Schedules 7, 8, and 9 will be 3.71% effective July 1, 2018.
 - 2. For 2019-2020 adjustments to the Adjunct Salary Schedules 7, 8, and 9 will be 2.00% effective July 1, 2019.
 - 3. Effective July 1, 2020 new salary schedules 10, 11, and 12 will be implemented.
 - 4. All adjunct faculty are initially placed on Step 1 of the applicable Adjunct Salary Schedule based on their educational achievement in accordance with Appendix A. Advancement to Step 2, and any step thereafter, of the Adjunct Salary Schedule requires that a unit member completes 2 semesters of service (excluding summer and intersessions). Each step increase is 1%. Salary scales are rounded to the nearest cent per standard rounding methods. Advancement will apply to the next fall or spring semester of employment. Service credit on the credit adjunct scale does not affect placement on the non-credit, non-enhanced salary schedule. Service credit is earned independently on each salary schedule.

5. For column advancement, unit members must provide official transcripts to Human Resources. Once verified, the advancement will apply to the next fall or spring semester of employment.
 6. An adjunct faculty rate of pay for teaching credit courses, and enhanced noncredit courses, and providing counseling and librarian services is implemented in accordance with the Adjunct Salary Schedule (*Appendix 10, Adjunct Salary Schedule – Section A, and Table A.*).
 7. A noncredit adjunct faculty rate of pay for teaching non-enhanced, non-credit courses is implemented in accordance with the Adjunct Salary Schedule (*Appendix 11, Adjunct Salary Schedule – Section B, and Table B*). The hourly rate of pay applies to noncredit faculty as defined in Article 21: Noncredit Faculty.
 8. A noncredit TLC (The Learning Center) adjunct faculty rate of pay is implemented in accordance with the Adjunct Salary Schedule (*Appendix 12 – Adjunct Salary Schedule Section C, and Table C*).
- C. A non-instructional rate of pay of 65% of a unit member's current rate of pay shall apply towards District requested and administrator approved non-instructional activities. Approved non-instructional activities include but are not limited to: curriculum development, required attendance at conferences/workshops/training sessions as a participant or presenter, proctoring and grading assessments beyond what is required for assigned classes, and requested service on specific committees.
 - D. Additionally, elected adjunct senators serving on the Academic Senate will receive the non-instructional rate of pay for attending Academic Senate meetings.
 - E. Scheduled office hours will be compensated at \$40 per scheduled office hour. Payment of scheduled office hours for full semester-length fall and spring classes will be made in 5 equal payments during the fall and spring semesters after the Dean has verified that office hours have been performed and posted appropriately. Office hours associated with compressed courses will be paid during their normally scheduled pay periods. Unit members will not be compensated for unscheduled office hours. However, if the District receives State reimbursement for office hours in excess of the amount paid for scheduled office hours, the District will distribute the surplus to compensate unit members for unscheduled office hours.
 - F. The District will use On Base to preauthorize and make payments for Supplementary Services for Adjunct members.
 - G. It is the responsibility of the Unit Members to notify the Office of Human Resources as soon as they discover any error in placement on the salary schedule. Errors discovered either by the Unit Member or by the District will, in every case, be recovered to the extent allowed by law either by the District or by the Unit Member.
 - H. Health Benefits: AFT and the District will continue to work together to find a health benefit plan that would provide part-time faculty access at no cost to the District. If and when a plan is in place, the District will reimburse adjunct faculty members for that percentage that the District is actually reimbursed by the State of California.

I. Pay Parity:

1. Definition: When professional development, participation on college committees, office hours, developing and reviewing curriculum, attendance at meetings, peer evaluation, participation in the hiring process, and other activities are excluded, parity is defined as 75%.
2. Computation of Parity Pay: Parity pay is based on a comparison of the adjunct salary schedule to the full-time academic salary schedule. Parity shall then be determined by adjusting the salary at the corresponding column and step to equate to 75%. The hourly compensation level for each hour shall then be determined by dividing the adjusted salary by 525 (15 hours of instruction per week x 35 weeks).

The District and AFT agree that parity is important to maintain high quality instructors, thus ensuring student success. The District agrees that when it receives State funds designated for the achievement of parity, the District will contact AFT within 7 calendar days and will work with AFT to ensure that the funds are equitably distributed to the adjunct instructors.

- J. Human Resources will add a hyperlink to the District's Human Resources website where unit members can find information about loan forgiveness programs.
- K. Step increases will occur once per year and will become effective once the District has received notification of the final amount of the annual COLA increase. If the annual COLA increase for a given year is not sufficient to cover the total amount of the annual step increases for that year, then the step advancements will not occur for that year.
- L. If upon initial placement on the new salary scale a member would receive less than their current rate of pay, that member will be placed on a step that will ensure at least a 1% pay increase.

The above is agreed to by both the District and AFT.

Memorandum of Understanding Between
Santa Clarita Community College District

And
Part-time Faculty United American Federation of Teachers (AFT)

This memorandum of understanding establishes an agreement between the Santa Clarita Community College District (“District”) and the Part-time Faculty United American Federation of Teachers (“AFT”).

Adjunct Faculty Health Care Program Exploration and Implementation

The District and AFT mutually agree that the District will initiate and actively pursue the development of a Part-time Faculty Health Insurance Program. The District will make good faith efforts toward implementation of such a program by Fall 2027, or sooner if feasible.

The District’s ability to implement a Part-time Faculty Health Insurance Program is contingent upon the District qualifying for and receiving one hundred percent (100%) reimbursement from the State through the Part Time Faculty Health Insurance Program established under AB 190 and any successor or related funding provisions. In the event the District implements the program and subsequently receives less than one hundred percent of (100%) reimbursement from the State for its medical premium and reimbursement expenses under this program, the parties shall reopen negotiations on this topic.

The District and AFT agree to meet on a regular basis to review the status and progress of this effort. Beginning in July 2026, the parties will conduct bi-monthly check-in meetings and will continue such meetings through the duration of the exploration and development process. The District will provide status updates and relevant information during these meetings.

During this period, the District and AFT will work collaboratively to define program parameters, including but not limited to processes, timelines, and plan design elements necessary for implementation.

The District will work toward meeting all applicable requirements necessary to qualify for one hundred percent (100%) reimbursement under the State program, including:

1. Establishing eligibility for part-time faculty who meet a minimum forty percent (40%) assignment load;
2. Ensuring that part-time faculty are offered health insurance benefits comparable to those provided to full-time faculty;
3. Ensuring that part-time faculty do not pay more than full-time faculty for comparable health insurance coverage;
4. Providing proportional reimbursement for eligible part-time faculty who are employed across multiple districts, consistent with applicable program requirements.

The parties acknowledge that this effort is dependent upon State program requirements, funding availability, regulatory conditions, Board of Trustees approval, and the District’s ability to establish reliable administrative processes necessary to verify eligibility, reimbursement qualification, and compliance with applicable State program requirements, and that any final program implementation will be subject to those constraints.

The parties agree that the relevant Article of the Collective Bargaining Agreement shall remain open after its approval and execution, in order to allow the parties to bargain in good faith over the Part-Time Faculty Health Insurance Program under AB 190.

The above is agreed to by both AFT and the District.
