ARTICLE 1: EFFECTIVE DATE AND PARTIES TO AGREEMENT

- A. This agreement is made and entered into this first day of July 2024 between the Santa Clarita Community College District (hereinafter referred to as “District”) and the California School Employees Association, and its Santa Clarita CCD Chapter 725 (hereinafter referred to as “Association”).

ARTICLE 2: RECOGNITION

- A. The District recognizes the Association as the exclusive representative for regular classified unit members. The Association and District agree that relevant law and regulations with regard to definitions of classified service and representation shall apply. Moreover, it is agreed that both parties shall annually review the relevant sections of law and regulations for relevancy and accuracy (Government Code Section 3540.1 (e); Education Code Section 87001.5).
- B. For a list of represented classifications see Appendix B.
- C. The bargaining unit shall exclude all other employees including supervisory, confidential, and managerial.
- D. Terms
 - 1. Regular – as used in the phrase “regular classified employee,” or any similar phrase, refers to a classified employee who has probationary or permanent status (also referred to in this Agreement as “unit members”).
 - 2. A short-term (adult hourly) employee is any person who is employed to perform a service for the District, upon the completion of which, the service required or similar services will not be extended or needed on a continuing basis.
 - 3. A substitute employee is any person employed to replace any regular classified employee temporarily absent from duty. Salary placement will be at step one of the range of the person being replaced. The District may fill a vacant position that is in the process of being filled for not more than sixty-six (66) working days with a substitute. If a former District employee is employed as a substitute, the substitute will return to his or her prior range and step for salary placement. For hard-to-fill positions, by mutual agreement of both parties, the District can be granted an additional twenty-two (22) working days to employ a substitute in that position.
 - 4. A confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information contributing significantly to the development of management positions.
 - 5. A management employee is an employee who is in a position which has significant responsibilities for formulating District policies or administering District programs.
 - 6. A supervisory employee is an employee, regardless of job description, having authority which is not of a merely routine or clerical nature to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to and direct employees or to adjust their grievances, or effectively recommend such action. This classification requires the use of independent judgment.

- E. The District shall not use short-term (adult hourly) or substitute employees for the purpose of reducing the number of current positions in the bargaining unit.
- F. Should the District create a new job classification or abolish one of the existing job classifications listed in Appendix B, it shall notify the Association in writing prior to such action.
- G. All new, proposed changes or modifications to classified job titles, job descriptions and salaries desired by the District will be provided to the Association to review and mutually agree upon the requested changes within five (5) business days. In the absence of previous arrangements and the Association has not provided feedback once the five (5) days have elapsed, the proposed changes will be deemed automatically accepted. In the event the Association finds the changes unacceptable, the District and Association agree to informally meet within ten (10) business days to further discuss the requested changes. In the event that both parties do not mutually agree, the Association reserves the right to demand to negotiate.
- H. If the District and the Association are unable to agree concerning representation, the matter may be resolved by recourse to the procedures of the Public Employment Relations Board. All supplements to this Article shall be agreed to in writing by representatives of the District and the Association.

ARTICLE 3: DISTRICT RIGHTS

- A. It is understood and agreed that the District retains all of its powers, rights, authority, duties, and responsibilities to the full extent of the law. This includes, but is not limited to, those duties and powers and the exclusive right to determine its organization, determine the kinds and levels of services to be provided, and the methods and means of providing them, determine staffing patterns and determine the number and kinds of personnel required in accordance with State law.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District shall be limited only by the specific and express terms of this agreement.

ARTICLE 4: UNIT MEMBER RIGHTS

- A. The District and Association recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal alternative right of employees to refuse to form, join and participate in employee organization activities.
- B. The District recognizes the rights of unit members to take or refrain from taking a stand on political issues and to support or oppose any issue or candidate. Such activities, however, must be conducted on unit members' own time and off District premises. Unit members will make every effort to show that they are acting in good faith and are not representing the District.
- C. The District and the Association agree that all unit members are entitled to equal employment opportunity. The District and Association will not discriminate against any unit member on the basis of race, color, religion, national origin, ancestry, sex, age (over 40), medical condition (cancer), mental disability, physical disability (including HIV and AIDS), marital status, sexual orientation, or veteran status, in any of its policies, procedures or practices. Allegations of discrimination should be forwarded to the Chief Human Resources Officer (CHRO) in accordance with established District policies and procedures.
- D. The District and Association agree to maintain a work environment free from hostility, bullying (e.g. humiliation, intimidation, demeaning/insulting comments, name calling, spreading of rumors, and repeated shunning), threats, and/or verbal and non-verbal violence. Whether an environment is hostile or abusive depends on a totality of circumstances including, but not limited to, factors such as the frequency of the conduct, the severity of the conduct, the degree to which the conduct is physically threatening or humiliating, and the degree to which the conduct unreasonably interferes with an employee's work performance. Reporting of such incidents will be free from reprisal or retaliation.
- E. The District recognizes the Association as the exclusive representative for making classified unit member appointments to committees involved in the Collegial Consultation Process. It also encourages unit members to participate in the formation of policies affecting them through active involvement in these committees (Education Code 70901.2).
- F. Cameras
 - 1. Video recording may be used to promote a safe working environment on the campuses.
 - 2. Video recording may be used for disciplinary purposes.
 - 3. No video (moving or still) recording equipment will be used where there is a reasonable expectation of privacy, in accordance with applicable law. Areas that are expressly prohibited from video and/or audio recording include, but are not limited to, unit member's private or shared offices, bathrooms, locker rooms, mental health consultation rooms, and medical exam rooms.

4. The District reserves the right to use video recording equipment to monitor legitimate business concerns including but not limited to supplies, equipment, and cash handling areas.
5. No audio recording devices will be used, overt or covert, on campus, except with two-party consent.
6. An adequate number of signs must be posted to reasonably notify unit members that video recording may occur in public spaces, where appropriate. The CSEA President will receive a list of the number and location of video recording devices to be used on campus each year and the list will only be distributed to members of the CSEA Executive Board who will maintain the confidentiality of the information. This will be updated each year when additional devices are added.
7. If video recording is used for proposing disciplinary action against a unit member, and upon a request from the accused unit member, a CSEA representative and/or attorney may be present during the member's initial viewing of that recording. Only District management personnel will be allowed to review video recordings used for discipline against a unit member.
8. For all other matters related to camera use on campus, unit members will refer to any applicable Board Policy and Administrative Procedure. This clause shall not be interpreted to limit CSEA's right to negotiate any changes to the District's camera use or policy.
9. No exceptions to Article 4 Section F shall be allowed except by mutual agreement between the District and agents of the Association (local leadership and the assigned Labor Relations Representative). When allowed, exceptions shall be limited in place, time, and scope and prompted by a specific interest or circumstance. Exceptions must follow all applicable local, state, and federal laws.

ARTICLE 5: ORGANIZATION RIGHTS

- A. Neither the District nor the Association shall impose or threaten to impose reprisals on unit members, to discriminate or threaten to discriminate against unit members, or otherwise to interfere with, restrain, or coerce unit members because of their rights guaranteed by this agreement.
- B. Association representatives shall have the right of access to areas in which unit members work so long as the representatives identify themselves as Association representatives and check-in with the supervisor or designee prior to entering the work area of unit members. The Association will be considerate of critical workload times in the work area being visited.
- C. One-half of the bulletin boards including but not limited to, those identified below are designated for the use of employee organizations. Posting of notices thereon shall be the exclusive right of employee organizations. All other bulletin board space is for District purposes only and may not be used for employee organization materials. All items to be posted shall bear the date of posting and the name of the Association and shall be removed by the Association.
 - 1. Bulletin board in the mailroom/switchboard area on all campuses.
 - 2. Bulletin board in the Bonelli Hall Staff Lounge (BONH Building).
 - 3. Bulletin board on the southeast wall of M & O.
 - 4. Bulletin board in the Hall Breakroom
 - 5. Bulletin board in the Early Childhood Education Buidling
- D. The Association's Executive Board with permission from the Chapter President shall be permitted the use of the District's network services including, but not limited to, the Internet, Intranet and electronic mail services for the dissemination of Association business. The use of District network services shall not include dissemination of information urging the support or defeat of any ballot measure or candidate in compliance with California Education Code Section 7054.
- E. It is understood that the District in no way restricts the right of the Association as far as its Association communications, communication distribution to the bargaining unit, and Association bargaining unit/chapter meetings.
- F. Association communications placed in mailboxes shall bear the date of the communication and the name of the Association.

- G. The Association shall pay for its own supplies.
- H. The Association shall be permitted the use of facilities and is subject to the same regulations governing other users as specified in the District policy on the use of facilities.
- I. The Association shall be provided materials that are available to the public. When materials are requested that are not readily available in the form requested, the Association shall pay for the staff time and supplies necessary to produce the materials, providing such materials are subject to the time limitations of staff and work priorities.
- J. The Association shall not be granted the use of the District postage machine.
- K. When District telephones are used for Association purposes, no long distance or other charges shall be billed to the District.
- L. Release time for Association representatives

- 1. The parties understand that the Association reserves all rights under EERA Sec. 3543.1(c).

The Association is not required to use hours from its monthly release time allotment for the following activities:

- a. A reasonable number of representatives to participate in association research, deliberations, and Negotiating Committee meetings concerning subjects of bargaining with the District.
- b. Attendance as an appointed member or required participant in any District-initiated meeting related to official District business.
- c. A reasonable number of Association representatives shall be granted reasonable release time to meet with unit members, investigate claims, and negotiate with the District in connection with grievance processing.

Release time for unit members as provided in this Article shall not be used for concerted action or work stoppage of any nature.

- 2. The Association representatives shall have a total of twenty-four (24) hours per week of release time for the purpose of conducting official chapter business in accordance with the requirements of the Educational Employment Relations Act, including but not limited to:
 - a. Chapter Executive Board meetings.
 - b. Chapter's Special Executive Board/Committee meetings.
 - c. Chapter's Health & Welfare Benefits Committee meeting as it relates to benefits.

- d. Chapter's Standing and Ad-Hoc committees per chapter's Constitution & Bylaws.
- e. Participation in Classified Senate responsibilities.

When possible, unit members will need to discuss with their supervisor five (5) business days in advance when they will be out of the office and the approximate duration while attending meetings. The Chapter President will provide a list to the CHRO of elected and appointed committee members, on an annual basis, with an expectation of reasonable release time for each member to attend meetings.

3. In the case of annual conference attendance, the hours per week limit does not apply.

One (1) week's release time shall be provided for each unit member attending the conference and shall not result in overtime. The names of the unit members designated by the Association to attend the annual conference shall be forwarded thirty (30) days in advance to the CHRO, who will then forward the information to the appropriate supervisors. The Association shall work to limit the number of attendees from a single department to minimize the impact on department operations.

4. Unit members shall have release time to attend Association chapter meetings, up to two hours each month, without fear of reprisal or hostility.

M. Association Office Space

The District shall provide the Association an office space on the Valencia Campus to conduct Association business. The District shall furnish the provided office space with one four-drawer locking filing cabinet for the storage of Association material, one desk, and two chairs.

ARTICLE 6: ORGANIZATIONAL SECURITY

A. General Provisions

1. It is the mutual intention of the parties that the provisions of this Article protect the rights of individual unit members without restricting the Association's right to require every unit member, except those exempt from these provisions, to pay a fair share of the cost of collective bargaining activities.
2. Except as expressly exempted herein, all unit members who do not maintain membership in good standing in the Association are required, as a condition of continued employment, to pay service fees to District-approved organizations including the College of the Canyons Foundation in amounts that do not exceed the periodic dues of the Association for the duration of this agreement.
3. No unit member shall be obligated to pay dues or service fees to the Association until the first of the month following thirty (30) calendar days after the unit member first comes into the bargaining unit.
4. A unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or paying service fees to employee organizations shall not be required to join, maintain membership in, or pay service fees to the Association as a condition of employment. However, such a unit member shall be required, in lieu of a service fee required by this agreement, to pay sums equal to such service fee to District-approved organizations including the College of the Canyons Foundation.
 - a. When a unit member inquires about a religious exemption, the Association Chapter president or labor relations representative will direct the unit member to forward a written request to the Association legal department. Upon receiving the written request, the Association legal department will review it and determine if it contains sufficient information to verify that there is a reasonable basis for the unit member's claim of religious exemption.
 - b. If the request is insufficient, the Association legal department will contact the unit member for more information to verify the claim and will send to the unit a member a questionnaire which will provide supporting information for the unit member's claim.
 - c. If a request for religious exemption is granted, the Association legal department will inform the unit member in writing and will also inform the District. The District will send all deductions from the unit member's paycheck for service fees to the designated charity.
 - d. Any unit member claiming this religious exemption shall, as a condition of continued exemption from the requirement of paying service fees to the Association, furnish the Association with copies of receipts from the charity selected, as proof that such payments have been made or shall authorize payroll deduction of such payments.
5. The District shall provide new unit members with a package of Association materials. The District is not responsible for the content of the Association materials. The Association shall provide the District with an adequate supply of Association materials.

B. Dues and Service Fee Deductions

1. The Association has the sole and exclusive right to have membership dues and service fees deducted by the District for unit members. The District shall deduct, in accordance with the Association dues and service fee schedule, dues, service fees or payments to a charity in lieu of service fees from the wages of all unit members and those who have submitted payroll deduction authorization forms to the District. Such authorizations shall remain in effect until expressly revoked in writing by the unit members.
2. The District shall, without charge, pay to the Association within fifteen (15) days of the deduction all sums so deducted, except that the District shall pay to the designated charity sums deducted in lieu of service fees from the wages of unit members who qualify for the religious exemption pursuant to the agreement.
3. Along with each monthly payment to the Association, the District shall, without charge, furnish the Association with a list of all unit members, identifying them by name, social security number, months per year in paid status and annual salary, and indicating the amount deducted, if any, and whether such deduction is for dues, service fees or charitable contributions.
4. Nothing contained herein shall prohibit a unit member from paying service fees directly to the Association.
5. The District shall immediately notify the Association chapter treasurer if any unit member revokes dues, service fee or payment in lieu of the service fee deduction authorization.
6. The District shall deduct and pay the Association service fees for each unit member who is not an Association member in good standing and who is obligated to pay such fees, pursuant to this agreement, unless the Association notifies the District that the unit member is paying such fees directly to the Association. A payroll deduction authorization form shall not be required for such deductions.

C. Hold Harmless

The Association agrees that it shall defend, indemnify and hold harmless the District, its officers, employees and agents, against any and all claims, demands, actions or proceedings at law or in equity, for any liability arising from compliance with this Article or arising from the District's reliance on any list, notice, certification or authorization furnished under this Article. The Association, in addition, agrees that it shall refund to the District, any sums paid to it in error.

ARTICLE 7: NO STRIKE OR LOCKOUT

- A. The Association agrees that during the life of this agreement neither the Association, its agents nor its bargaining unit members will authorize, instigate, aid, or engage in any work stoppage, slowdown, sick-out, refusal to work or strike against the District.
- B. The District agrees that during the life of this agreement there will be no lockout.
- C. Disciplinary action taken against a permanent unit member for violation of this Article shall be subject to the provisions of Article 15, Discipline.

ARTICLE 8: HOURS OF WORK

A. Working Out of Classification

Unit members shall not be required to perform duties which are not in their job description except as provided below.

1. Unit members who are required to perform duties outside their job description (working out of classification) for any five (5) working days in any fifteen (15) calendar-day period shall have their salary adjusted upward.
 - a. The new salary range shall be of the classified/confidential position in which the unit member is working out of classification. The salary shall be the lowest classification step which provides an increase of at least 5% in salary.
 - b. Should the unit member be assigned management or supervisor duties, the new salary shall be an increase of at least 10%.
 - c. The salary shall be in effect for the entire period the unit member is required to work out of classification.
 - d. When working out of classification in a lower range, the unit member's current salary will be maintained for the entire work period.
2. Work performed in an approved professional development activity shall be exempt from working out-of-classification provisions.

B. Computing Hours Worked

For the purpose of computing the number of hours worked, time during which a unit member is excused from work because of holidays, sick leave, vacations or other paid leave of absence shall be considered as time worked by said member (Education Code 88027).

C. Definition of Regular Workweek – Full-Time

The regulations [29 C.F.R. §778.105] define a workweek as follows: A unit member's workweek shall be a fixed and regularly recurring period of 168 hours – seven consecutive 24- hour periods.

Education Code §88030 – “The workweek shall consist of not more than five consecutive working days for any employee having an average workday of four hours or more during the workweek.”

Regular full-time unit members shall have a normal workweek of forty (40) hours, consisting of five (5) consecutive days of eight (8) hours per day. Alternate arrangements may be mutually agreed upon with the unit member's supervisor (see Alternate Work Schedule Section F below).

Day one (1) of the workweek is the first day of the regularly scheduled week, as established

by the District. For the purpose of overtime, day six (6) and day seven (7) are calculated sequentially from the first day, regardless of which day of the week it falls on. For example, if the workweek begins on a Monday, the following Saturday and Sunday will be days six (6) and seven (7). If the workweek begins on Wednesday, the following Monday and Tuesday will be days six (6) and seven (7).

1. Definition of Regular Workweek – Permanent Part-Time (PPT)

Permanent part-time unit members shall have an assignment of less than forty (40) hours per week and no more than eight (8) hours per day. If the schedule does change on a temporary basis, due to unforeseen circumstances, and results in additional hours worked over the established schedule that are not subject to overtime rules, the “Additional PPT” hours will be paid at a straight time rate. “Additional PPT” hours will not be converted to compensatory time at $1 \frac{1}{2}$ times the hours worked. Alternate arrangements may be mutually agreed upon with the unit member’s supervisor (see Alternate Work Schedule Section F below).

“A classified employee who works a minimum of 30 minutes per day in excess of his or her part-time assignment for a period of 20 consecutive working days or more shall have his or her basic assignment changed to reflect the longer hours in order to acquire fringe benefits on a properly prorated basis as specified in Education Code Section 88035.” (Article 21, Section B.4)

D. Overtime

1. Definition

Education Code 88027 “Overtime is defined to include any time required to be worked in excess of eight (8) hours in any one day and in excess of forty (40) hours in any calendar week.” “The foregoing provisions do not apply to classified positions for which a workday of fewer than seven hours and a workweek of fewer than 35 hours has been established...”

Overtime shall be calculated based on the actual hours worked during a workweek. Hours worked on the 6th and/or 7th day do not require the employee to have worked 5 consecutive days or more than 40 hours during the previous 5-day workweek. Average daily hours worked is calculated by dividing the sum of the hours worked during the first 5 days of the workweek by 5 (days).

- a. Authorization – overtime must be authorized by the unit member’s immediate supervisor prior to working said time. Repeated failure to receive prior permission may subject the unit member to discipline per Article 15.

- b. **Average Workday (Hours Worked) 4 Hours or More:** Education Code 88030
 “The workweek shall consist of not more than five consecutive working days for any employee having an average workday of four hours or more during the workweek. Such an employee shall be compensated for any work required to be performed on the sixth or seventh day following the commencement of the workweek at the rate equal to 1 ½ times the regular rate of pay on the 6th day (*and double time on the 7th day*) of the employee designated and authorized to perform the work.
- c. **Average Workday (Hours Worked) Less Than 4 Hours:** Education Code 88030
 “An employee having an average workday of less than four hours during a workweek shall, for any work required to be performed on the seventh day following the commencement of his or her workweek, be compensated for at a rate equal to 1 ½ times the regular rate of pay of the employee designated and authorized to perform the work.”

Example: PPT Employee – Works Less Than 4 Hours/Day on Average

Day	Example 1	Total	Example 2	Total
Wednesday	4 hours		8 hours	
Thursday	4 hours			
Friday	4 hours		8 hours	
Saturday	4 hours			
Sunday	3 hours	19hrs Straight Time	3 hours	19hrs Straight Time
Monday	4 hours	23hrs Straight Time		
Tuesday	4 hours	23hrs Straight time 4hrs Overtime	8 hours	19hrs Straight Time 8hrs Overtime

Example: PPT Employee – Works More Than 4 Hours/Day on Average

Day	Example 1	Total	Example 2	Total
Wednesday	6 hours		8 hours	
Thursday	6 hours		8 hours	
Friday	6 hours		8 hours	
Saturday	6 hours		6 hours	30hrs Straight Time
Sunday	6 hours	30hrs Straight Time		
Monday	6 hours	30hrs Straight Time 6hrs Overtime		
Tuesday	6 hours	30hrs Straight Time 6hrs Overtime 6hrs Double Time	8 hours	30hrs Straight Time 8hrs Double Time

2. Form of Compensation

The form of compensation for overtime shall be agreed upon between the supervisor and unit member prior to working overtime. In the absence of such agreement the unit member will receive paid compensation.

3. Compensation

- a. Paid Compensation - shall be at the rate of one and one-half times the regular rate of pay of the unit member or two times the regular rate of pay of the unit member on the seventh day. Paid compensation must be paid during the pay period immediately following the worked overtime.
- b. Time Compensation - shall be at the rate of one and one-half time worked in overtime status. The use of comp time (time compensation) must be scheduled in advance with the unit member's supervisor. A unit member may carry forward a maximum of sixty (60) hours of earned comp time per fiscal year. Exception to this rule may be granted by the District upon written request by the unit member to their supervisor by June 1st of the current fiscal year. Earned hours above that limit shall be paid for at the employee's then current rate on the last pay period of the current fiscal year.
- c. Reporting - the overtime pay period ends and must be reported by the first (1st) day of the month for the prior month.

4. Call-back Time

During the regularly assigned workweek, any unit member called back to work after completion of a regular work day shall be compensated for a minimum of two (2) hours of work at the overtime rate irrespective of the actual time worked.

5. Minimum Call-in Time

Unit members called in to work after completion of the regularly assigned workweek shall receive a minimum of four (4) hours overtime pay.

6. Multiple Call-backs

If multiple call backs occur within a 24-hour period, the unit member shall be compensated at the overtime rate for actual hours worked as defined above including roundtrip travel time. In addition, roundtrip mileage shall be reimbursed, at the District rate, from the unit member's residence.

7. Inconvenience Pay

Any unit member contacted via phone, email, text, and any other form of communication that requires any type of response to an outside agency or district administrator/supervisor for work related purposes while away from the premises or job site after the completion of his/her regular assignment shall be compensated. The unit member shall receive a minimum of thirty (30) minutes pay, or be paid for the time actually spent completing the "call" in excess of thirty (30) minutes at the rate in effect for that unit member at the time of the contact. Should the unit member be required to return to the work site, then standard call back hours per this Article shall apply.

8. On Call Status

Unit members who have been assigned this status past their regular shift by their

supervisor/district administrator will be compensated at the overtime rate for fifteen (15) minutes of each and every hour that they are required to be available during these off-shift hours. Should they be called back into work, standard call back rules per this Article shall apply.

9. Overtime Limits

A regular unit member shall neither work more than eight (8) hours overtime beyond his/her regular daily assignment per day nor more than twenty (20) hours overtime per workweek. In emergencies that require hours worked in excess of those stated above, the Association and the District will meet to negotiate those situations on a per event basis; the intent is to provide adequate employee well-being and reduction of liability to the District.

10. Assignment of Overtime

- a. If a District department requires the use of regularly scheduled overtime, they shall implement an overtime procedure for the distribution of overtime amongst the eligible regular classified employees within that department, it shall notify the Association of such procedure in writing prior to implementation. All overtime procedures must be in full compliance with Article 8, Hours of Work, Assignment of Overtime
- b. Effective immediately, an overtime procedure that modifies, adds to or detracts from the specific Assignment of Overtime language in Article 8 will be provided to the Association President to review and mutually agree upon the requested procedure within five (5) business days. In the absence of previous arrangements and the Association has not provided feedback once the five (5) days has elapsed, the proposed procedure will be deemed automatically accepted. In the event the Association finds the procedures unacceptable, the District and Association agree to informally meet within ten (10) business days to further discuss the requested procedures. In the event both parties do not mutually agree, the Association reserves the right to demand to negotiate the proposed procedures.
- c. If a department fails to adhere to the agreed upon overtime procedure, the unit member has a right to grieve under this article.
- d. The approved overtime procedures shall be posted and distributed to all unit members of the department.
- e. Overtime shall be assigned for a minimum of fifteen (15) minutes.
- f. For routine overtime (special events, weekend activities, etc.), overtime will be on a rotational basis for similarly classified unit members. When overtime is based on an emergency need (break-downs or system failures), overtime will be based on special qualifications. Unit members who refuse overtime will not be subject to reprisals.
- g. Patterns of abuse may be grounds for discipline. Discipline could include removal from the overtime rotation.

E. Dock Status

Unit members who have exhausted applicable leave balances and are not on an approved leave will be considered in dock status and not paid for work hours they are absent. Excessive use of dock time is subject to discipline as stated in Article 15.B.1.i.

F. Alternate Work Schedule

1. Only upon the mutually written agreement on the Classified Employee Alternate Work Schedule Agreement found in Appendix G1 and available in Human Resources, a unit member and the District may provide for a unit member to work more than eight (8) hours in a workday and/or forty (40) hours in a workweek without the unit member earning overtime compensation for those hours worked as part of an Alternate Work Schedule. A unit member may review this agreement with the Association before it is finalized. Should either party wish to terminate the agreement they shall do so by providing written notice ten (10) working days in advance.
 - a. 4-10 Plan: a ten (10) hours per day, four (4) days, forty (40) hours workweek may be established for a unit member, a workgroup, or classifications of unit members.
 - b. 9-80 Plan: a nine (9) hours per day, eighty (80) hours per two (2) weeks work schedule may be established for a unit member, a workgroup, or classifications of unit members. The 9/80 workweek shall consist of nine (9) workdays, eight (8) of which shall be nine (9) hour days and one (1) that shall be an eight (8) hour day.
 - c. 10-80 Plan: a nine (9) hours per day for eight (8) days, four (4) hours per day for two (2) days over a two (2) week period may be established for a unit member, a workgroup or classifications of unit members not to exceed forty (40) hours in a work week.
 - d. Customized and Remote Work Plans: The unit member and immediate supervisor may also agree to a customized Alternative Work Schedule outside of the 4-10, 9-80, and 10-80 plan which may include remote options. A unit member may work remotely up to a maximum of 50% of their regular work assignment. Any alternative work schedules requesting more than 50% of the work schedule performed remotely requires justification of unique circumstance and approval of the CHRO. A Unit Member may review this agreement with the Association before it is finalized. The Unit Member shall be notified in writing of the decision within five (5) business days. Employees with remote work as part of their alternative work schedules shall remain accessible for communication during normal working hours. In the event the District or Unit Member requires an unforeseen temporary schedule adjustment, both parties agree to make a good faith effort to accommodate the request. Employees will have the means to return to their on-campus location within 2 hours of being notified of the unforeseen temporary need unless approved by the CHRO as having a unique circumstance. In the event a Unit Member is unable to immediately adjust their schedule due to the unforeseen need, they shall be able to utilize one of their accrued leaves to cover that time. Should either party wish to terminate and/or modify the agreement they shall do so by providing written notice ten (10) working days in advance.
 1. The decision to approve or deny this option will be made by the direct

Supervisor. Decisions to deny requests will be determined using documented factors surrounding department demand, job responsibility, or unsatisfactory performance evaluations.

2. If the Unit Member and their direct supervisor cannot reach a mutually agreeable customized or remote schedule, the CHRO shall act as an equitable mediator between the two parties,
3. Should two or more Unit Members have conflicting requests, the District shall utilize seniority to accommodate preferences regarding the Customized and Remote Work schedules.

- e. Sick leave, vacation and other leaves taken while on the modified/alternate workweek shall be charged and paid on an hour-for-hour basis.
- f. If a unit member is approved to work time in excess of those indicated on the Alternative Work Schedule noted above, they shall be entitled to their overtime rate of pay for those additional hours, except for the instance when working additional hours to compensate for a holiday as defined in Article 22.I.3.

G. Definition of Shifts

4. When possible, the meal period shall be scheduled by the supervisor to coincide with normal meal times or at approximately the midpoint of the unit member's shift.
5. If, in the judgment of the supervisor unusual circumstances exist, unit members may be assigned work activities during their regularly scheduled meal period. In such cases, the supervisor shall designate an alternate uninterrupted meal period. The alternate period shall not be earlier than one hour prior to the start of, nor later than, one and one-half hours after the conclusion of the unit member's regularly scheduled meal period.
6. If the District requires a unit member to remain at the work site or campus during the meal period, the meal period must be paid at the appropriate rate of pay for that unit member.
7. Meal periods as described above shall be provided regardless of physical location of worksite.

I. Rest Periods

1. Each unit member shall take one, fifteen-minute rest period during every four (4) hours of work assignment. A rest period will be scheduled by the supervisor as nearly as possible at the midpoint of the four-hour work period.
2. With the supervisor's approval, rest periods may be combined with a lunch period to allow for a 1-hour lunch period maximum.
3. Rest periods may not be waived in order to shorten a workday, or to substitute for time lost due to absence or tardiness.

Rest periods are a part of the regular working day and shall be compensated at the regular rate of pay.

J. Campus Incidents/ Emergencies, and Emergency Closures

1. Definitions
 - a. An emergency closure is declared when the campus is closed to the public and District operations are curtailed due to an unforeseen public health emergency, natural or manmade disaster. Certain administrators and essential personnel may still be required to work on campus, while other employee may be provided an Alternative Work Schedule, which may include working remotely.
 - b. A limited emergency closure may be declared when one or more buildings are closed, and/or classes are cancelled, and the rest of the affected campus remains operational.
 - c. An incident/emergency is defined as an unplanned event that requires the mobilization of the Incident Command Team.

- d. Essential Personnel are certain unit members, as identified by the Incident Command Team or the CEO, or a cabinet-level management designee, or as established in law, and may be requested to work on campus during an incident/emergency or emergency closure depending on the nature of the event. To the extent possible, essential personnel shall be pre-identified in the District's Emergency Plan. An example of potential essential personnel, but not limited to these members, are those from Campus Safety and/or Facilities, that are required to assist in the cleanup, restoration and security of an incident and/or an event (refer to 2.d below for the general description of essential personnel).

2. Compensation During an Emergency Closure

- a. If the Chancellor, or his/her cabinet-level management designee, declares an emergency closure as defined in 1.A above, unit members released from work shall be paid their regular day's pay.
- b. Unit members who had called in sick and were using accrued sick leave, required to use accrued personal necessity leave, or taken a pre-approved vacation day on the day of an emergency closure shall not receive additional compensation for that day. Unit members who were not scheduled to work on the day of an emergency closure shall not receive compensation for that day.
- c. Compensation for essential personnel will be at the augmented rate of two (2) times (double time) their regular rate for regular shift hours worked during said emergency. This section is subject to overtime provisions as defined in this article.
- d. Essential personnel are defined by cabinet-level management and may vary depending on the nature of the emergency closure.

3. Work Assignments During a Limited Emergency Closure

Unit members may be reassigned by their administrative supervisor to alternative worksite or duties if they are unable to complete the normal tasks associated with their positions. Unit members may be reassigned by individuals in the Incident Command Structure (ICS) to emergency-related duties or worksites on a volunteer basis; if the unit member chooses not to accept the emergency reassignment from the ICS, they shall not be subject to retaliation and/or discipline.

4. Leave Provisions During a Limited Emergency

During a limited emergency closure unit members may utilize accrued leave (or dock time), without the normal prior permissions, if they choose to leave work due to a legitimate concern about the personal safety of themselves, their property or family. Such leave may be taken at the unit member's option after notifying their immediate supervisor.

K. Travel Between District Campuses

If a unit member is required (in the course of their regular work day and in doing their

assigned duties) to travel in a non-District vehicle from one campus of the District to another, they shall receive the mileage reimbursement rate for that travel. The travel time between campuses shall be considered as part of their assigned work day exclusive of duty-free rest and meal periods.

ARTICLE 9: LAYOFF NOTIFICATION

A. Definitions

"Layoff" is defined as an involuntary separation from District service due to lack of work or lack of funds. A layoff includes any reduction in hours, work week, or work year of employment, voluntarily consented to by the employee, in lieu of a layoff, order to avoid interruption of employment. This action would also apply to assignment to a job classification or salary grade lower than that in which the employee has permanence other than for disciplinary reasons.

1. "Seniority" is defined as length of service based on date of hire in a regular position. Overtime work or hours performed prior to entering probationary status as a classified employee shall not be included in computing seniority credit. No seniority shall be earned during board reported periods of unpaid separation from the service of the District except during military leave and unpaid industrial/illness leave. If two (2) or more employees have equal seniority as defined by hire date, the employee with the most hours in a paid status shall be considered most senior. If a tie still exists, seniority shall be determined by lot.
2. "Employee" is defined as a classified bargaining unit employee who has probationary or permanent status.
3. "Job Classification" is defined as one or more positions in the classified service that have the same designated title, minimum qualifications, and salary range.
4. "Qualified" shall mean the employee who meets the minimum qualifications as determined by the job description.
5. "FTE" is defined as Full Time Equivalent and refers to the percentage of a full time, forty (40) hour per week assignment, or equivalent Alternative Work Schedule. A 1.00 (100%) FTE is an employee whose regular assignment is the equivalent of forty (40) hours per week. A 0.50 (50%) FTE is an employee whose regular assignment is the equivalent of twenty (20) hours per week.
6. "Months" is defined as the number of calendar months per year the employee has been assigned.

B. Procedures

1. Notwithstanding any other section of the Agreement, the District shall notify the Association in writing of any impending layoff of employees or reduction in hours voluntarily consented to by the employee, at least four (4) calendar weeks prior to official action by the Board of Trustees. This notice shall be in advance of the March 15th layoff notice requirement under Education Code Section 88017 (a)(1). Upon the written request of the Association, the parties shall meet to discuss the reasons for and alternatives to the layoff or the reduction in hours and/or negotiate the decision and the effects of the decision to layoff or reduce the hours, work week or work year of employees. In the event of a reduction in force in any classification hereafter, layoffs will be in

reverse order of seniority with the least senior employee in the job classification that is being eliminated being laid off first.

2. Employees subject to a layoff shall be given written notice of the layoff not less than sixty (60) calendar days prior to the effective date of the layoff, and informed of their displacement rights (if any), and re-employment rights. The Association will receive copies of all layoff notices at the time the employee is notified.

3. A layoff notice shall contain:
 - a. A statement of the reason for layoff;
 - b. A statement of the reason the position has been eliminated;
 - c. A statement of the effective date of the layoff;
 - d. A statement of the employee's displacement rights;
 - e. A statement of the employee's re-employment rights;
 - f. An up-to-date seniority list of all classifications in which the employee has seniority;
 - g. A statement that the employee may be eligible for unemployment benefits; and
 - h. A statement regarding the employee's COBRA insurance eligibility if applicable.
4. The District will notify those employees eligible to exercise displacement rights of the position available to them based on criteria set forth in Section 3 below. After notification of displacement rights (if any), the employee must notify the Office of Human Resources of his/her intention to exercise displacement rights within ten (10) working days.

C. Displacement Rights (Bumping)

1. An employee laid off or reduced from his/her present classification may, in order to avoid layoff, bump into an equal or the next lowest classification in which the employee has actually served based on the employee's seniority. In order to bump another employee in an equal or lower classification, the employee must have the greater seniority than the person to be bumped. The employee with the least seniority in the classification in which an employee is bumping into shall be bumped first.
2. A unit member displaced by the operation of this layoff procedure shall have the same layoff rights and may exercise seniority displacement as though he/she was being laid off.
3. If a vacant position exists in a classification into which an employee is bumping, the employee shall have the option of moving into the vacant position.
4. Employees bumping a less senior unit member in the same classification as a result of a layoff or reduction shall not be required to serve a new probationary period.

D. Re-Employment Rights

1. Employees who have been laid off shall be placed on a re-employment list for thirty-nine (39) calendar months.

2. Employees, who, through operations of this Article receive fewer hours or assignment to a lower classification, shall be placed on the re-employment list for an additional twenty-four (24) months for a total of sixty-three (63) months.
3. Offers of re-employment shall be sent by certified mail to the last known address as recorded in the Office of Human Resources and shall be in the reverse order of the layoff as vacancies occur for which the laid off employee is qualified. When more than one employee was laid off on the same date, re-employment shall be based on seniority based on hire date, with the most senior employee being offered a vacant position first.
4. Individuals on a re-employment list shall have up to ten (10) working days from the postmarked date of notice to accept or decline the position being offered. It is the responsibility of the employee to keep the Office of Human Resources informed of how and where the employee may be contacted.
5. Failure to reply within ten (10) working days will be considered a decline of the position being offered.
6. If the employee in a layoff status accepts the position being offered, the employee shall have up to ten (10) working days from the postmarked date of the notice to report for work, unless the CHRO or designee approves of a different date for the employee to report for work. This does not preclude an employee from returning to work in fewer than ten (10) working days. Failure to report to work within ten (10) working days of the notice to report for work or the approved date to report to work will be considered a decline of the position being offered.
7. Employees re-employed pursuant to the Article shall not serve a new probationary period if returning to a classification in which they were formerly permanent.
8. An employee who elects separation in lieu of displacement or who voluntarily accepts reassignment to a vacant position in another classification without exercising displacement rights shall maintain his/her re-employment rights under this Article.
9. Employees in layoff status shall have the right to apply for promotional positions within the District.
10. The Association shall be provided a copy of all re-employment lists for bargaining unit positions. These lists shall be updated for each and every layoff.

E. Salary Placement

An employee accepting a position in a lower classification in lieu of layoff shall be placed on a step in the salary range of the lower classification which is nearest to, but not higher than, the annual salary he/she would have earned in the former classification. The following provisions shall also be followed:

1. In any case, the salary shall not exceed the maximum step of the new classification.

2. The employee will retain his/her anniversary date for subsequent salary advancement.
3. Salary increments based upon longevity shall continue to be paid in the new classification.

F. Assignment to a Vacant Position

An employee who is qualified may be assigned by the District to a vacant position. The following conditions shall prevail:

1. The District shall determine which positions are vacant;
2. The District shall determine if the employee is qualified for the vacant position;
3. An employee assigned to a vacant position shall have the same rights as an employee exercising his/her displacement rights.

G. Seniority List

1. The District shall provide an up-to-date seniority list at the time any layoff or reduction notice is given.

H. Reclassification

1. In the event two (2) or more employees are reclassified at the same time from a lower classification into the same higher classification, without their previous seniority being transferred with the new classification, the employees for the purpose of layoffs and bumping only are ranked in seniority according to their seniority ranking held in the previous or lower classification. This procedure shall not preclude employees from exercising their displacement rights into any previously permanently held classifications or invalidate their seniority herein.
2. If an employee has re-employment rights to a classification in which they were formerly permanent and which has had the title or duties changed, the District and Association shall meet to discuss and agree upon options for that employee.

I. Miscellaneous Provisions

1. The District agrees that it will attempt to minimize increased workload on existing employees by adjusting their current assignments to accommodate newly assigned work as a result of these layoffs and reductions.
2. No work formerly performed by affected employees shall be transferred out of the bargaining unit or performed by any outside company/agency or volunteer.
3. Based on the uniqueness of every layoff and/or reduction of hours, the Association shall retain the right to negotiate the effects of any layoff and/or reduction of hours for topics that are not considered by this Article.

- G. Procedural elements of this Article are subject to Article 16, Grievance Procedure.

ARTICLE 11: PERSONNEL FILES

- A. All unit member official personnel files shall be maintained by the District and reside in the Human Resources Department. No disciplinary action is to be taken against a unit member based on materials that are not a part of the unit member's official personnel file, except in those situations which in the judgment of the District require immediate action. If immediate action is taken, documentation will be placed in the unit member's file as soon as feasible, with copies provided both to the unit member and Association.
- B. Unit members have the right to address, in writing, any derogatory materials which are to become part of the personnel file. When derogatory material is submitted to the Human Resources Office for placement in the unit member's personnel file, the unit member will receive notification from the Human Resources Office stating that the material will be held for ten (10) working days in order to allow the unit member time to prepare and submit a response to the material. If the response is submitted within the ten (10) working day period, both sets of material will be placed in the personnel file at the same time; if the material is submitted at a later time, it will be appended to the derogatory material at that time. If the derogatory material in question is a performance evaluation, the response submitted by the unit member may be shared with the supervisor who completed the evaluation upon permission from the unit member.
- C. Unit members may request documents in their personnel file to be sealed. The District has the discretion to select the documents to be sealed. The Chancellor has the discretion to unseal documents.
- D. Unit members shall have the opportunity to review their personnel files during working hours, scheduling with the concurrence of the supervisor and the Human Resources Office. - B. The date for salary step advancement shall be one of the following:

 - 2. If the unit member is hired between the 16th and 31st of the month, the date shall be first of the following month (*for example, if a unit member is hired on May 16th, the date is June 1*).
 - 3. The District shall use the unit member's actual date of hire for all other purposes, including but not limited to, leave accrual, longevity and layoff.
- C. A probationary unit member may be demoted, suspended or dismissed at any time during the probationary period and such action is not grievable and shall not entitle the unit member to a hearing before the Board of Trustees.

ARTICLE 13: EVALUATIONS

A. Probationary Unit Members

1. Each probationary unit member shall receive a written evaluation from their direct supervisor during the third and sixth months of probationary service. Additional evaluations may be conducted as necessary.
2. Evaluations shall include recommendations regarding improvement, continued employment, and the granting of permanent status.

- c. If a unit member has two supervisors listed in their job description, both may contribute input. However, only one supervisor shall conduct the evaluation meeting.

2. Evaluation Meeting

The supervisor shall review the evaluation with the unit member in a private meeting.

- a. Evaluations shall be solely based on:

1. Duties outlined in the unit member's job description,
2. The unit member's demonstrated knowledge and proficiency of job duties, and

3. Evaluations shall be based on the supervisor's personal knowledge and direct observations and not reference performance or conduct outside of the designated evaluation period.

- b. Both the supervisor and the unit member must sign the evaluation form.

- c. A signed copy will be provided to the unit member.

- d. The unit member's signature indicates receipt, not agreement, with the evaluation.

3. Evaluation Date, Period and Deadline

a. Determining the Evaluation Date

The evaluation date is set based on the actual date of hire for the unit member's current position:

- i. **If the unit member is hired between the 1st and 15th of a month,** the evaluation date is the **1st of that same month**.

Example: Hired on May 5 → Evaluation date is May 1.

- ii. **If the unit member is hired between the 16th and the 31st of a month,**

the evaluation date is the **1st of the following month**.

Example: Hired on May 17 → Evaluation date is June 1.

b. Evaluation Period

The evaluation period begins on the unit member's evaluation date and ends the day before the unit member's next evaluation date.

c. Evaluation Deadline

The evaluation must be completed by the end of business on the last day of the month following the end of the evaluation period. The evaluation process is not considered complete until the evaluation is reviewed jointly in a one-on-one meeting with the unit member, allowing them an opportunity to respond.

If the evaluation is completed by the last day of the month following the end of the evaluation period, it shall not be deemed late for purposes of a default rating as outlined in Section (d) of this Article. Any matters occurring after the evaluation end date may only be discussed between the supervisor and the unit member outside of this evaluation.

Evaluation Examples:

- Hired on **March 10** → Evaluation date = **March 1** → Evaluation due by 5pm on **March 31st**
- Hired on **August 20** → Evaluation date = **September 1** → Evaluation due by 5pm on **September 30th**

d. Missed Deadline

If the evaluation is not completed by the deadline, the unit member shall receive a default overall evaluation rating of "**Meets Standards**", accompanied by the following comment:

The unit member is receiving a default "Meets Standards" evaluation due to the missed deadline for completion. This default rating is not reflective of any fault or performance issue on the part of the member. Unit members may submit a written response within thirty (30) days of signing the default evaluation.

e. Basis for Evaluation

Refer to Appendix C for the approved evaluation form.

3. Self-Evaluation

Self-evaluations are optional.

- a. If completed, they must be prepared prior to the evaluation meeting and retained by the unit member until the meeting.
- b. The self-evaluation shall not serve as the basis for the annual evaluation.
- c. There shall be no reprisals for failure to complete a self-evaluation.

4. Addressing Negative Information

Any "Needs Improvement" or "Unsatisfactory" rating included in the evaluation must be:

Unit members shall have up to thirty (30) days from the date of the evaluation meeting to submit a written response.

6. Performance Improvement Plans (PIP)

It shall not be considered a violation of this Agreement for a PIP to include additional evaluations, specific and relevant to the PIP, within the term of a single evaluation period.

7. Grievance Rights

Unit members may file a grievance, as outlined in Article 16: Grievance Procedure, based on an alleged procedural violation of this article.

ARTICLE 14: POSITIONS, VACANCIES, TRANSFERS, PROMOTIONS, DEMOTIONS

A. Position Classification

Position classification involves the identification and classification of a hierarchy of positions designed to reflect the differences in the duties, responsibilities, and minimum qualifications of positions in an orderly and equitable manner.

B. General Definitions

1. Position/job – a group of duties legally assigned to be performed by a single unit member.
2. Duties and responsibilities – the work assigned to a position and the matters for which the unit member is held accountable.
3. Position/job description – a statement of the specific duties, responsibilities, and minimum qualifications that make up a position. Upon initial employment and upon each change in classification thereafter, each unit member shall be furnished a copy of his/her job description and personnel form(s) which include information on salary, assignment and department.
4. Classification – a group of positions with similar duties. There may be a number of positions in a classification because a classification is made up of positions with duties that are similar in level and kind. Duties should be sufficiently similar so that the same title may be applied, the same test can be used, and persons with the same minimum qualifications can do the work assigned to all positions in the classification. An example of a job classification would be Student Services Specialist.
5. Class series – a group of classes (two or more) similar in duties but different in level. Examples: Student Services Specialist I, II, and III or Assistant Programmer, Programmer, Programmer/Analyst, Senior Programmer/Analyst.
6. Occupational group/job family – a number of class series related by broad similarity of work. Examples: Clerical/Secretarial, Service/Maintenance.

C. Vacancies

1. Definition: a vacancy is a position that is open to internal and/or external applicants by virtue of a resignation, termination, reorganization, or the establishment of a new position.
2. Notice of all job vacancies shall be posted via email and on bulletin boards in prominent locations and distributed to all departments.
3. When a vacancy occurs, the posting will first be made available to current unit members for five (5) working days before advertising to the public. The internal posting is to allow current unit members time to request a lateral transfer during the five (5) working day period. If the Human Resources Office provides notification of a vacancy by noon of that day, it will be

considered the first working day for notification purposes.

D. Transfers

Definition: a transfer is a move from a unit member's present position to a new position.

1. Lateral Transfers (voluntary)

- a. Definition: a lateral transfer is a move from a unit member's present position to a position in the same salary range. For example, a lateral transfer may mean a move to another position in the same classification (e.g. Student Services Specialist in A/R to Student Services Specialist in Student Development) or a position in a different classification in the same occupational group/job family, provided the unit member meets the minimum qualifications for the new position (e.g. Student Services Specialist II to Human Resources Specialist II).
- b. Unit members interested in transferring to a vacant position within their current position's assigned salary range, or lower range, and meet the minimum qualifications must do the following:
 - 1) For a specific vacancy, submit a written request within the five (5) working days internal vacancy posting period.
 - 2) For placement on a transfer list for future vacancy consideration unit members may, at any time, submit to the Human Resources Office a written request. Such requests shall include the classification requested and any special considerations such as particular working hours. The Human Resources Office will periodically notify unit members on the transfer list of vacancies in the bargaining unit.
- c. The Human Resources Office will refer to the hiring authority the names of all interested unit members requesting a transfer, who meet the established qualifications for the vacancy, for consideration. Unit members meeting the minimum qualifications will automatically be granted an interview with the final interview committee. Once the interview occurs, the hiring supervisor can decide to:
 - 1) fill the vacancy with a unit member requesting the transfer; or
 - 2) not select the unit members(s) and open the vacancy to the public; or
 - 3) open the vacancy to the public, complete the final interview process and consider unit member(s) along with other finalists (unit member will not receive another interview).
- 4) Candidates will be notified of their status following the interview.

- d. The final selection is at the sole discretion of the hiring supervisor. Probationary employees of the District are not eligible to be considered for voluntary transfers.
- e. A unit member who applies for and receives a lateral transfer will not be required to serve a probationary period in the new position. The unit member shall not have return rights to their former position. The unit member's evaluation date shall be changed to reflect the hire date of the new position. The salary step advancement date,

for purposes of step increases, shall not change.

- f. Denial of a transfer request is not grievable under Article 16, Grievance Procedure, of this agreement.

2. District-Initiated (Involuntary) Transfers
 - a. Definition: A District-initiated transfer is an involuntary transfer initiated by the supervisor or the District. In the absence of disciplinary action, a District-initiated transfer does not involve a change in class; however, it may involve a change in the work site (e.g., Valencia Campus, Canyon Country Campus, etc.).
 - b. The District may change the work site of unit members within the same job classification, under the same supervisor. The affected unit member shall be given two weeks' notice and a conference will be held with the appropriate supervisor(s) and the unit member to discuss the reasons for the transfer.
 - c. A District-initiated transfer, as defined above, does not involve a change in class. The unit member's evaluation date and salary step advancement date shall not change as a result of this type of transfer.

3. Temporary Medical Transfers

- a. A unit member whose physician certifies that the unit member has become medically unable to satisfactorily perform regular duties may request an alternate work assignment. Such requests will result in an interactive accommodation meeting with the unit member, their supervisor, and Human Resources. An alternate assignment may include one or more of the following:
 - 1) Job restructuring: Re-allocating or re-distributing nonessential, marginal job functions.
 - 2) Part-time or modified work schedule: Flexible or adjusted work schedules. The salary of a unit member who works a part-time schedule shall be pro-rated.
 - 3) Reassignment to a lateral position should be considered when accommodation within a unit member's current position would pose an undue hardship to the District. Such a transfer, in the absence of disciplinary action, shall be voluntary.
 - 4) Equipment: Acquisition or modification of equipment, furniture, or devices that would not impose an undue financial hardship on the District.
 - 5) Other reasonable accommodations that do not place the District at financial hardship and still allow the unit member to perform his or her job.

E. Promotions

1. The District recognizes the importance of professional and career development. Unit members are encouraged to apply for higher-level positions which are vacant. All

vacancies are filled by an open, competitive selection process. Unit members will, however, be given consideration for such vacancies. Unit members who meet the minimum requirements as outlined in the job announcement will automatically be granted an initial (first-level) interview. Unit members will be notified of the disposition of their status following the interview process. Unit members must file a new, complete District application by the deadline in the job announcement. The District will screen the applications to verify that unit members meet the minimum qualifications. Final determination remains with the hiring supervisor and the District.

2. A unit member who is promoted to a higher classification within the bargaining unit as a result of an open competitive process will be placed at the step of the appropriate range that will give the unit member at least a five percent (5%) increase in salary as possible. When the unit member's salary step advancement date and the effective date of the promotion coincide, the salary step advancement increment shall be applied before the promotion computation is made.
3. A unit member who is promoted shall serve a probationary period of six months in the higher classification. A unit member who applies for and receives a promotion to a higher position shall have return rights to the former position if the six-month probationary review is not satisfactory. This may result in the bumping, displacement, or layoff of the unit member with less seniority.
4. The unit member's evaluation date shall be changed to reflect the hire date of the new position. The salary step advancement date, for purposes of step increases, shall not change.

F. Reassignment

1. Voluntary Reassignment
 - a. A unit member may request a reassignment from his/her current classification to a lower classification. The reassignment will only be approved if there is a vacant position in a lower classification.
 - b. A unit member who accepts a voluntary reassignment will not be required to serve a probationary period in the new position. The unit member shall not have return rights to his/her former position. The unit member's evaluation date shall be changed to reflect the hire date of the new position. The salary step advancement date, for purposes of step increases, shall not change.
 - c. A unit member who receives a voluntary reassignment will be placed at the step of the appropriate range that will give the unit member a salary that is as close to being within five percent (5%) of his/her current salary as possible; this may result in a larger salary decrease (if no cell in the new classification pay rate is within 5%), but not an increase. When the unit member's salary step advancement date and the effective date of the reassignment coincide, the salary step advancement increment shall be applied before the reassignment computation is made.

2. Other Reassignment

- a. Upon mutual agreement, the District may initiate a reassignment of a unit member from his/her current classification to a lower classification due to a change in District operations, including but not limited to, reorganization, workplace relationship challenges, such as conflicts in work styles or team dynamics, or the termination of grant funding. The reassignment will only be approved if there is a vacant position in a lateral or lower classification where the unit member meets the minimum qualifications. Changes due to these provisions are subject to bargaining.
- b. The unit member shall have return rights to his/her former position should their previous position be reinstated. The unit member's evaluation date shall be changed to reflect the hire date of the new position. The salary step advancement date, for purposes of step increases, when applicable, shall not change.
- c. Unit members receiving an involuntary reassignment shall receive a Y-rating in terms of their salary. Y-rating is defined as freezing the unit member's salary in place until the salary schedule of his/her new lower classification catches up to his/her current salary. Y-rating applies to step increases as well as any negotiated salary increase that is applied to the entire salary schedule.

ARTICLE 15: DISCIPLINE

A. Disciplinary Action

1. Probationary employees may be dismissed without cause at the recommendation of the Chancellor to the Board of Trustees.
2. The District may discipline a permanent classified employee for just cause. Progressive discipline shall be applied to assist the employee and give him/her the opportunity to improve and correct negative, unacceptable work habits or violation of rules.
3. Counseling sessions, verbal warnings, and negative performance evaluations and written .
4. Forms of disciplinary action are subject to due process and may include, but are not limited to, the following: dismissal; suspension (without pay); demotion (which may include a reduction in pay); reassignment; and removal from the overtime rotation.
5. In the case of gross misconduct, steps in the progressive discipline process may be eliminated. Except in those situations where gross misconduct is found, a permanent employee whose work or conduct is of such character as to incur discipline, the following steps shall be followed in order:
 - a. Removal from overtime rotation (only applies to departments where a scheduled overtime rotation exists).
 - b. Suspension without pay – A unit member may be suspended for up to thirty (30) working days, without pay, for disciplinary purposes.
 - c. Reassignment or demotion if applicable:
 - i. Reassignment: A unit member may be reassigned for disciplinary purposes after being afforded due process. Reassignment may include a change in supervisor, duties, shift, work location, and/or similar job classification. Reassignment for the purposes of this Article is not a demotion or change in pay range (with the exception of supplementary pay associated with specific work shifts).
 - ii. Demotion: In the event of a demotion, the unit member shall maintain his or her status as a permanent employee. The unit member's evaluation date shall be changed to reflect the hire date of the new position. The salary step advancement date, for purposes of step increases, shall not change.
 - iii. A unit member who is demoted will be placed at the step of the appropriate range that will give the unit member a salary that is as close to being within five (5) percent of their current salary as possible; this may result in a salary decrease but not an increase. When the unit member's salary step advancement date and the effective date of the demotion coincide, the salary step advancement increment shall be applied before the demotion computation is made.

- d. Dismissal – A permanent member of the classified service may be discharged for just cause at any time. Formal written notice of discharge may be made after considered action during a period of suspension.
- 6. An employee may request a CSEA representative during any investigatory interview that the employee reasonably believes could lead to discipline. “Investigatory interview” is defined as a meeting in which a manager, representative of management, or supervisor is seeking to question an employee to obtain information that could be used as a basis for discipline or in support of disciplinary action.

B. Causes

- 1. After affording the employee due process, the District may suspend, demote, reassign, or dismiss a permanent unit member for just cause including, but not limited to, the following:

 - j. Abuse of sick leave, i.e., taking sick leave without a doctor's certificate when one is

required, or misuse of sick leave.

k. The conviction of either a misdemeanor or a felony involving moral turpitude shall constitute grounds for dismissal of any unit member. The record of conviction shall be conclusive evidence only of the fact that the conviction occurred. The Office of Human Resources may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline, or the determination if such conviction is an offense involving moral turpitude. A plea or verdict of guilty, or a conviction showing a plea of nolo contendere made to a felony charge or any offense involving moral turpitude, is deemed to be a conviction within the meaning of this Section.

l. Conviction of any sex offense as defined in the Education Code 87010 or Penal Code 261.5.

m. Discourteous, offensive, or abusive conduct or language toward another employee, a student or a member of the public.

q. Carelessness or negligence in the care and handling of District property.

r. Violation of the rules and regulations published in any department, unless those rules and/or regulations contradict provisions of this Agreement.

s. Loss or non-renewal of licenses, permits, or other documents required by the nature of the position and listed in the employee's job description due to the negligence and/or failure of the unit member to maintain the license, permit or other required documentation.

t. Receipt by the District from the District's insurance carrier of a request for an endorsement excluding the unit member from coverage under the District's insurance policy while driving a motor vehicle because of increased risk due to the unit member's poor driving record if driving is a requirement of the employee's position as noted in their job description.

u. Mental or physical impairment which renders the unit member unable to perform the essential functions of the job without reasonable accommodation or without presenting a direct threat to the health and safety of self or others.

v. Refusal to take a physical examination when requested to do so in writing by the District. Physical examinations must be paid for by the District and done during the

employee's normal work hours. Drug testing shall only be permitted when there is a reasonable suspicion of intoxication.

- w. Acceptance from any outside source of a reward, gift, or other form of remuneration in addition to regular compensation to a unit member for the performance of his or her official duties.
- x. The refusal of any unit member to testify under oath before any court, grand jury, or administrative officer having jurisdiction over any then pending cause of inquiry in which the District is involved unless the refusal is permitted under the law, State Constitution or Federal Constitution. Violation of this provision may constitute of itself sufficient ground for the immediate discharge of such officer or unit member.
- y. Willful violation of the Education Code, Title 5 of the California Administrative Code or any of the provisions of the ordinances, resolutions or any rules, regulations or policies which may be prescribed by the District.
- z. Disruptive campaigning or political activity on District property. Exceptions to this are non-disruptive political activities while on an employee's rest or lunch break.  - cc. Knowingly being a member of an organization which, during the time of his/her membership, advocates the overthrow of the government of the United States or of any state by force or violence.

C. Procedure for Disciplinary Action

1. The District may, for disciplinary purposes, suspend, demote, reassign, or dismiss any unit member holding a position in the classified service. Demotion may include reduction in pay from a step within the class to one or more lower steps.
2. For unit members suspended, demoted, reassigned, or dismissed, the District shall follow a pre-disciplinary action procedure as follows:
 - a. Notice of Proposed Disciplinary Action: Whenever the District intends to suspend a unit member, demote the unit member, reassign a unit member, or dismiss the unit member, the unit member shall be given a written notice of the proposed discipline, signed by the Chancellor or his/her designee, which sets forth the following:
 - 1) The disciplinary action intended;
 - 2) The specific charges upon which the proposed action is based;
 - 3) A factual summary of the grounds upon which the charges are based;

- 4) A copy of all written materials, reports, and documents upon which the proposed discipline is based;
- 5) Notice of the unit member's right to respond to the charges either orally or in writing to the appropriate manager (Skelly Rights);
- 6) The date, time and person before whom the unit member may respond, in no more than seven (7) working days from the time the Notice is postmarked;
- 7) Notice that failure to respond at the time specified shall constitute a waiver of the right to respond prior to final discipline being imposed.

b. Response by Unit Member (Skelly Meeting): The unit member shall have the right to respond to a neutral and impartial District appointed manager orally or in writing within seven (7) working days from the time the Notice is postmarked. At the Skelly meeting set to hear the unit member's response, the unit member shall have a right to be represented. In cases of suspensions, demotions, reassignment, or dismissal, the unit member's response will be considered before final action is taken.

3. Non-exercising of Skelly Rights: If the unit member elects to waive their right to a Skelly meeting or fails to respond within the timeframe listed in the Notice of Proposed Disciplinary Action, the District will impose discipline as listed in the Proposed Notice.
4. Skelly Recommendation: After the Skelly meeting, the appointed manager (Skelly Officer) shall:
 - a. Accept the Notice of Proposed Disciplinary Action, or
 - b. Modify the intended disciplinary action, or
 - c. Recommend that no disciplinary action be taken against the unit member. The appropriate authority (Skelly Officer) shall report his/her decision to the Office of Human Resources in writing with a copy of that recommendation being provided to both the employee and the Association.
5. After considering the recommendation of the Skelly Officer and reviewing associated materials, the Chancellor shall send a written notice of the disciplinary decision to the unit member and their representative. This written notice will constitute the District's Final Notice of Disciplinary Action.
6. Final Notice of Disciplinary Action
 - a. The Final Notice of Disciplinary Action shall include the following:
 - 1) The disciplinary action taken by the Board's designee;
 - 2) The effective date of the disciplinary action;
 - 3) Specific charges upon which the action is based;
 - 4) A factual summary of the facts upon which the charges are based;
 - 5) The unit member's right to appeal. (Notice of Defense - See Appendix F)

D. Appeal of Disciplinary Action and Request for Hearing

1. If a unit member, having been issued the Final Notice of Disciplinary Action, wants to appeal the action, he or she shall, within seven (7) working days from the date it was postmarked, appeal to the Board of Trustees by filing a written answer to the charges and a request for hearing with Human Resources, on the form provided for that purpose. (Notice of Defense – Appendix F)
2. Hearing
 - a. Time for Hearing: The Board of Trustees shall, within forty-five (45) calendar days from the filing of the appeal, commence the hearing process. The Board shall secure the services of an experienced Hearing Officer (Arbitrator) through the California State Mediation and Conciliation Service's (CSMCS) automated Panel of Arbitrators Selection System (PASS). PASS will generate a random list of arbitrators based on criteria indicated in the parties' request. If the request does not specify the number of arbitrator names, a list of seven will be issued. The Hearing Officer (Arbitrator) shall be selected for both the District and Association by each party alternately striking one name from the list. The order of striking shall be determined by lot. If the unit member elects not to be represented by CSEA, the District will work directly with the unit member in securing the services of the Hearing Officer (Arbitrator). Each party shall alternately strike a name until only one name remains. The remaining name shall be that of the Hearing Officer (Arbitrator). If this individual will not be available for the hearing within a reasonable time not to exceed forty-five (45) calendar days, the parties shall secure another list and repeat the selection unless they mutually agree to waive this time provision. The Board of Trustees may accept, modify or reject the discipline. The decision of the Board shall be final.
 - b. Any unit member, having filed an appeal with the Board and having been notified of the time and place of the hearing, who fails to make an appearance at the hearing, may be deemed to have abandoned his or her appeal. In this event, the Board may dismiss the appeal.
3. Conduct of the Hearing
 - a. Record of Proceedings and Costs: All disciplinary appeal hearings may, at the discretion of either party or the Board of Trustees, be recorded by a court reporter. Any hearing which does not utilize a court reporter shall be recorded by audio tapes. If a court reporter is requested by either party, that party shall pay the cost of the court reporter. Copies of any transcription or recording shall be provided to the employee or their representative free of charge at their request.
 - b. The Hearing
 - 1) The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses but hearings shall be conducted in a manner most conducive to determination of the truth.
 - 2) Any relevant evidence may be admitted if it is the type of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs,

regardless of the existence of any common law or statutory rules which might make improper the admission of such evidence over objection in civil actions.

- 3) Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence that shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.
- 4) The rules dealing with privileges shall be effective to the same extent that they are now or hereafter may be recognized in civil actions.
- 5) Irrelevant and unduly repetitious evidence may be excluded.
- 6) The Hearing Officer (Arbitrator) shall determine relevancy, weight and credibility of testimony and evidence. Decisions made by the Hearing Officer (Arbitrator) shall not be invalidated by any informality in the proceedings.
- 7) During examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing upon the motion of either party. Witnesses shall not be able to speak about their testimony or the hearing with any other witnesses after their testimony.
- 8) The hearing shall be conducted in the English language. The proponent of any testimony to be offered by a witness who does not speak English proficiently shall provide an interpreter. The cost of the interpreter shall be paid by the side calling the witness who uses the interpreter.
- 9) Burden of Proof: In a disciplinary appeal the District has the burden of proof by preponderance of the evidence.
- 10) Proceed with Hearing or Request for Continuance: Each side should be asked if it is ready to proceed. If either side is not ready and wishes a continuance, good cause must be stated.
- 11) Testimony under Oath: All witnesses shall be sworn in for the record prior to offering testimony at the hearing. The chairperson will request the witnesses to raise their right hand and respond to the following:

“Do you swear that the testimony you are about to give at this hearing is the truth, the whole truth and nothing but the truth?”
- 12) Presentation of the Case: The hearing shall proceed in the following order unless the Hearing Officer (Arbitrator), for special reason, directs otherwise:
 - a) The party imposing discipline (District) shall be permitted to make an opening statement.
 - b) The appealing party (the unit member or his/her representative) shall be permitted to make an opening statement.
 - c) The District shall produce its evidence.

- d) The party appealing from such disciplinary action (the unit member or his/her representative) may then offer their evidence.
- e) The District, followed by the appealing party (the unit member or his/her representative) may offer rebutting evidence.
- f) Closing arguments shall be permitted at the discretion of the Hearing Officer (Arbitrator). The party with the burden of proof shall have the right to go first and to close the hearing by making the last argument. The Hearing Officer (Arbitrator) may place a time limit on closing arguments. The Hearing Officer (Arbitrator) or the parties may request the submission of written briefs. After the request for submittal of written briefs, the Hearing Officer (Arbitrator) will determine whether to allow the parties to submit written briefs and determine the number of pages of briefs.
- c. Procedure for the Parties: The District's representative and the unit member's representative will address their remarks, including objections, to the Hearing Officer (Arbitrator). Objections may be ruled upon summarily or argument may be permitted. The Hearing Officer (Arbitrator) reserves the right to terminate argument at any time and issue a ruling regarding an objection or any other matter, and thereafter the representative shall continue with the presentation of his/her case.
- d. Right to Control Proceedings: While the parties are generally free to present their case in the order that they prefer, the Hearing Officer (Arbitrator) reserves the right to control the proceedings including, but not limited to, altering the order of witnesses, limiting redundant or irrelevant testimony, or by the direct questioning of witnesses.
- e. Hearing Demeanor and Behavior: All parties and their attorneys or representatives shall not, by written submission or oral presentation, disparage the intelligence, ethics, morals, integrity or personal behavior of their adversaries or members of the Hearing Officer (Arbitrator).
- f. Deliberation upon the Case: The Hearing Officer (Arbitrator) should consider all oral and documentary evidence, the credibility of witnesses, and other appropriate factors in reaching their proposed decision. The Hearing Officer (Arbitrator) may deliberate at the close of the hearing or at a later fixed date and time. When the Board has received a proposed decision from a Hearing Officer (Arbitrator), the proposed decision, the record of the hearing, and all documentary evidence shall be available for review by the Board when it deliberates in its next closed session.
- g. Written Findings, Conclusion and Decision: The Board of Trustees may choose to either deliberate the case in public or adjourn to closed session to deliberate. The Board shall render its findings, conclusions and decision as soon after the receipt of the proposed decision as possible. The Board, upon receiving the proposed decision from a Hearing Officer (Arbitrator), may adopt the proposed decision, modify the proposed decision or render a new decision. If the Board recommends reinstatement of the terminated unit member, the unit member is only entitled to back pay minus the sum the unit member has earned during the period of absence. A copy of the decision by the Board of Trustees shall be delivered to the employee and his/her designated

representative personally or by registered mail, postage prepaid and delivered to the employee's last known address.

- h. Decision of the Board to be Final: The decision of the Board of Trustees in all cases shall be final.

E. Emergency Suspension

1. Pending investigation by the District of accusations against a unit member involving insubordination, misappropriation of public funds or property, furnishing drugs to students of the District, committing any sex offense as defined in Education Code 87010 or Penal Code 261.5 on District grounds or adjacent thereto, or during a District field trip or outing, assault or battery upon another person while on the job or while on District premises or adjacent thereto or while on a District field trip or outing, committing any act of immorality, or any act which would constitute a felony or a misdemeanor involving moral turpitude, or any act which presents a risk to person or property, the District Chancellor or his/her designee may, without complying with the Procedure for Disciplinary Action and Appeal, suspend the unit member. During this suspension, the unit member will remain in paid status. The suspension may be terminated by the District by giving a twenty-four (24) hour written notice to the unit member.
2. An emergency suspension does not preclude the imposition of due process as established by this Article.

F. Record Filed

When final action is taken, the documents shall be placed in the unit member's personnel file in a sealed envelope only to be opened by authorized staff from the Office of Human Resources.

G. Judicial Review

Judicial review may be had by filing a petition for writ of mandate in accordance with the provisions of the Code of Civil Procedure. Any such petition shall be filed within thirty (30) days after the effective date of the decision.

ARTICLE 16: GRIEVANCE PROCEDURE

A. Terms and Conditions

1. Grievant: a grievant is a unit member or group of unit members in the bargaining unit. The Association itself may also be a grievant.
2. Grievance: a grievance is a claim that there has been a violation, misapplication or misinterpretation of this agreement by the District. A grievance may be filed by a unit member, a group of unit members, or the Association. Grievance files shall be kept separately from regular personnel files. No reprisal of any kind shall be taken by the District or its representatives against any unit member who brings forward a grievance or any unit member participating in the grievance process.
3. All unit members have the right to make a complaint without fear of retaliation or reprisal. Complaints about the subject matter of a Board rule, policy, or administrative procedure (as differentiated from the administration or administrative interpretation of such rule, policy, or procedure) should be directed to the appropriate office of the District. The process for filing complaints is delineated in relevant Board Policy and Administrative procedures.
4. Working Day: a working day is defined as a day on which the central administrative offices of the District are open for business.
5. Exclusions: matters excluded from the grievance procedure shall be the following:
 - a. Written charges recommending suspension, demotion or dismissal.
 - b. The contents of performance evaluations.
 - c. Performance evaluations the unit member deems unjust or unfair.
 - d. The non-procedural elements of Article 10, Committees.
 - e. Denial of a transfer request is not grievable.

B. General Provisions

1. These procedures have been developed to give unit members, the Association and the District the opportunity to resolve contractual issues at the lowest level possible of the grievance process. Interested parties have the responsibility of following the procedure as outlined. Clarification may be obtained from the District grievance officer if the party filing the grievance is uncertain about which level to start the grievance process. Any level of the informal procedure may be omitted by mutual agreement of the parties concerned.
2. A decision rendered at any level of the grievance procedure becomes final unless appealed within the time limits specified in this agreement or any extension mutually agreed upon. Any grievance not advanced to the next level within the time limits established for that level shall bar the grievant from any further right to pursue that

grievance and the grievances shall be deemed resolved with the decision last made by the District (including “Level One – Informal”). If the District fails to respond to the grievance within the prescribed time limits, the grievant may proceed to the next level. Until final disposition of the grievance, the grievant is required to conform to the directions of his or her immediate supervisor.

3. Representation: At any level in the grievance procedure, grievant(s) may represent themselves or designate a representative of their choice. When the services of a representative are utilized by the grievant, such fact shall be stipulated in writing and any agreement entered into by the representative shall become binding. In situations where the Association has not been requested to represent the unit member, the District shall not agree to a final resolution of the grievance until the Association has received a copy of the grievance and the proposed settlement and has been given the opportunity to file a response.
4. All meetings and hearings under this procedure shall be closed to all persons other than the parties of interest, their representatives, and witnesses as necessary. **In the event the Association grieves the District, the Association reserves the right to keep its members informed throughout the grievance process.** The grievant must be present through Level Two of the grievance procedure. All parties shall make every effort to schedule grievance meetings at mutually convenient times.
5. To ensure that all timelines are followed, a copy of all grievances, at all levels will be filed with the Office of Human Resources.

C. Procedures

1. Level One – Informal
 - a. Efforts shall be made to resolve problems as promptly as possible and at the first level of supervision through the informal procedure.
 - b. Informal grievances shall be submitted to the immediate supervisor using the CSEA Contract Grievance Filing Form, Level One, by the unit member, group of unit members, or representative of either within fifteen (15) working days of the act or condition from which the grievance originates or within fifteen (15) working days from the time the grievant should reasonably have known of the occurrence giving rise to the grievance.
 - c. Supervisors shall treat all grievances in a confidential manner, insofar as possible, exercising dignity and respect and reviewing the facts of the grievance with thoroughness and objectivity.
 - d. Informal discussion between a unit member, a group of unit members or their designated representative and the immediate supervisor shall take place in an attempt to resolve the problem when it arises, but no later than ten (10) working days after submission of the grievance.
 - e. Within ten (10) working days after the informal discussion, the supervisor will complete the CSEA Contract Grievance Filing Form, Level One, and make proper

distribution.

- f. Alleged violations not presented at Level One may not be introduced at any other level, and no evidence or testimony given shall be the cause for expanding the grievance.
- g. Grievances brought by the Association on behalf of an individual or group of individuals shall initially be filed at Level One. However, grievances for which no unit member or supervisor is named, which are filed to challenge the District's application or interpretation of the contract in general, shall be filed at Level Three.

2. Level Two – Formal
 - a. If the problem has not been resolved at the immediate supervisory level, the unit member shall use the CSEA Contract Grievance Filing Form, Level Two, and submit it to the next higher supervisory level having authority to take corrective action.
 - b. The request for review at Level Two of the grievance shall be initiated no later than ten (10) working days following the Step I decision.
 - c. The supervisor at Level Two of the grievance shall review all aspects of the case with the parties concerned and render a decision within ten (10) working days from the date of submission of the grievance. After reaching a decision, the supervisor will complete the CSEA Contract Grievance Filing Form, Level Two and make proper distribution.
3. Level Three – Formal
 - a. If the unit member is dissatisfied with the decision at Level Two, the unit member and the Association may submit the CSEA Contract Grievance Filing Form, Level Three, and all documentation to the District Grievance Officer within ten (10) working days.
 - b. Once a grievant passes beyond Level Two, the grievance belongs to the Association, not to the grievant; that is to say, the Association must agree that the grievance be submitted to Level Three.
 - c. The District grievance officer or designated representative shall hold a conference with all interested parties within ten (10) working days of receipt of the CSEA Contract Grievance Filing Form, Level Three. The District grievance officer will render a decision within ten (10) working days of the conference.
4. Level Four – Formal
 - a. If the grievant is not satisfied with the recommendations of the District Grievance Officer, within ten (10) working days of the receipt of the Level Three response, the grievant shall complete and submit the CSEA Contract Grievance Filing Form, Level Four, consisting of a written request for mediation of the grievance, to the Board of Trustees through the Board's designee, the Chancellor. The Chancellor shall, within ten (10) workdays after receipt of the written request, contact the California State Mediation Conciliation Service (CSMCS), either by phone or in writing, and request

the immediate services of a mediator. CSMCS will assign a mediator and will contact the parties to schedule dates. As an alternative, the parties may mutually agree to request the services of a particular mediator, and may contact that person directly.

- b. The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process.
- c. If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement of the resolution to that effect and thus waive the right of either party to further appeal of the grievance.
- d. While the mediator shall not have the authority to impose a settlement upon the parties, the mediator shall be responsible for the following:
 - 1) The mediator shall accept written and/or verbal evidence from the parties regarding their respective positions.
 - 2) In the event the grievance is not resolved by the parties at this level, the mediator shall, within ten (10) workdays, submit a written recommendation to resolve the dispute, based upon an informal record created during the mediation session. A copy of this recommendation for resolution must be submitted to Human Resources, the Chancellor, the Association, and the grievant within the above referenced ten (10) workdays.

5. Level Five – Formal

- a. If the grievant is not satisfied with the disposition at Level Four or if no written decision has been made within ten (10) workdays following the Level Four meeting, the grievant may, within ten (10) additional workdays, request in writing to the Association that the grievance be submitted to advisory arbitration.
- b. In the event the Association chooses to take the grievance to advisory arbitration, the Association and the Chancellor, or their designee, shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request through the California State Mediation and Conciliation Service's automated Panel of Arbitrators Selection System (PASS) to generate a random list of arbitrators based on criteria indicated in the parties' request. If the request does not specify the number of arbitrator names, a list of seven will be issued. Each party shall alternately strike a name until only one name remains. The order of striking shall be determined by lot. The remaining name shall be that of the arbitrator. If the arbitrator will not be available for the hearing within a reasonable time not to exceed sixty (60) days, the parties shall secure another list and repeat the selection unless they mutually agree to waive this time provision.

D. Arbitration Procedure

1. The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of this Agreement as alleged by the grievant. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to them by the respective

parties in the presence of each other and upon arguments presented in briefs. The arbitrator shall consider and decide only the specific issues submitted in writing and shall have no authority to make a decision on any other issue not so submitted.

2. The hearing shall be recorded. Recordings shall be provided to each party, the cost of which shall be divided equally. Either party may, at its own expense, cause the hearing to be recorded by a certified court reporter, and the other party may, at its own expense, receive a certified copy of the record so created, or the parties may bear the expense equally.
3. The arbitrator may hear and determine only one grievance at a time, unless the District and the Association expressly agree otherwise.
4. The arbitrator's decision shall be in writing and shall set forth all findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any recommendation which requires the commission of an act prohibited by law or which violates the terms of this Agreement. The arbitrator in no case shall make any recommendation inconsistent with District duties, responsibilities, or obligations, as such are prescribed in state or federal law.
5. The decision of the arbitrator will be submitted to the Board of Trustees, the Chancellor, the Association and the grievant.
6. The decision of the arbitrator within the limits prescribed shall be in the form of a recommendation to the Board of Trustees. If the grievant files a request to the Board to undertake review of the advisory decision within ten (10) workdays of its issuance, the Board shall then undertake review of the entire hearing record and briefs. The Board may also, if it deems it appropriate, permit oral arguments by representatives of the parties, but only in the presence of one another.
7. In any case, the Board shall render a decision on the matter within thirty (30) workdays after receiving the arbitrator's recommended decision. Such decision shall be final and binding on all parties. If the Board does not render a decision within the time specified, it shall be deemed to have adopted the decision reached at Level Three.

E. Right of Association Members to Representation

1. The grievant shall be entitled upon request to representation by the Association at all grievance meetings beginning at Level One. In situations where the Association has not been requested to represent the grievant, the District shall not agree to a final resolution of the grievance until the Association has received a copy of the grievance and the proposed settlement and has been given the opportunity to file a response to the matter.
2. Written settlements entered into by the grievant or his or her designated representatives and the District shall, subject to the terms of Section E (1) herein, be binding when signed by the grievant and the District.

The District and the Association agree that there is mutual interest to maintain quality benefits while containing benefit costs. With participation by stakeholder representatives from the Health and Welfare Benefits Committee, both parties will begin timely joint meetings for the purpose of reviewing the existing benefit program and accepting proposals for best options from medical, dental, and vision insurance providers for the following benefit plan year for the bargaining unit. In this process, the current broker utilized by the District may be invited to compete as well as other interested brokers, trusts, JPAs, providers, etc. as agreed upon by both parties. It is expected that this process will yield an agreement between the parties regarding benefits program and providers for bargaining unit members.

- B. Eligibility for Fringe Benefits

1. Unit members working less than twenty (20) hours per week are not eligible for benefits.
2. Unit members working part-time at least twenty (20) but less than thirty (30) hours per week shall be eligible for benefits for the employee only.

- C. Coverages and Premiums

1. The District shall pay the premiums for unit members for Long-Term Disability.
2. On July 1 of each contract year, the District shall recalculate and allocate the Negotiated Health and Welfare Contribution per eligible unit member. The total of all Association member negotiated Health and Welfare contributions will constitute the Health and Welfare Pool (i.e., Benefit Fund). (See Appendix D - Total Compensation Worksheet for the current Negotiated Health and Welfare Contribution).
3. The Health and Welfare Pool shall be used for premiums for eligible unit members and eligible dependents for the following:

Only those unit members who are currently enrolled in the cash-in-lieu program will continue to receive this benefit. If the Health Benefits Program does not require 100%-member participation (subject to the provisions of the plan and/or health benefit program), cash-in-lieu will become available to members who can provide proof of other group medical coverage. The Association will annually determine the cash-in-lieu rate (not to exceed the lowest plan's one-party rate) and notify the Vice President of Human Resources by July 1st.
7. All unspent health and welfare contributions shall accumulate in the Association Health and Welfare Pool, the surplus of which will be carried forward in the next fiscal year for use by the Association. As rates become available in the second quarter of the year (April through May), the H&W committee will review rates and plan designs for the next benefit plan year and make recommendations. If health and welfare plan designs, rates, as well as changes in census result in a deficit to the Association H&W Pool Balance, by July 1st, the Association agrees to make effective as of October 1st, one or more of the following options:
 - a) Make health benefit plan changes that would lower the overall premium,
 - b) Initiate and/or modify unit member payroll deductions, and/or
 - c) Increase the Negotiated Health and Welfare Contribution through Total Compensation in order to cover any shortfall.
 - d) Reduce the cash-in-lieu rate.

Options selected by the Association will be communicated to the Vice President of Human Resources in writing. If Payroll deductions are selected as an option, the Association must notify the Vice President of Human Resources in writing of the methodology for how these deductions are to be applied to unit members by August 1st, to be implemented with the first regular paycheck in October.

If the State budget is not finalized by July 1st, the District may authorize an exception to the implementation of a plan by October 1st for Payroll Deductions. If an exception is authorized, once Total Compensation has been negotiated, and the revised H&W Balance has been computed, the Association must provide the above-mentioned methodology for payroll deductions in time to cover any negative balance prior to the end of the fiscal year.

8. The Health and Welfare pool is intended to provide affordable healthcare, including dental and vision, to all eligible unit members and their eligible dependents. Members who choose higher priced plans may incur increased payroll deductions to offset the price of the plan chosen. In addition to any applicable payroll deductions determined in Section 7 of this Article, unit members selecting to participate in an option that exceeds the cost of the Association's selected plan will pay the difference in premiums between the two

plans for one-party, two-party and family options, respectively. The Association will annually determine the Association's selected plan and notify the District by August 1st if there are any changes from the previous year.

- F. If a unit member does not elect to participate in any plans (i.e. medical, dental, vision or life insurance) provided by the District; or, if a member participates only in a portion of the plans provided by the District, the unit member will relinquish any claim for any unused amount of the negotiated Health and Welfare contribution to the Health and Welfare pool. This provision does not apply to those individuals receiving cash-in-lieu of medical benefits in section C.6 above.
- G. The unit member bears the responsibility for meeting all requirements for the eligibility in any plans provided by the District and for properly completing enrollment and/or application forms.

H. Family Medical Leave

Health insurance coverage shall be maintained and paid for by the District for the duration of the leave not to exceed twelve (12) work weeks in a twelve (12) month period. The District may recover the premium paid for the unit member during the leave if the unit member fails to return from leave after the period of leave has expired for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the unit member to leave or other circumstances beyond the control of the unit member.

- I. Prior to July 1, 2017, unit members, who retire at 60 years of age with a minimum of 25 years of full-time equivalent service in the District and are not eligible for Medicare, shall be entitled to health and welfare benefits to the member's Medicare eligibility age of four-thousand dollars (\$4,000) maximum per fiscal year. Health and welfare benefits include medical, dental, vision, and life insurance, which are equal to the benefit programs provided to active unit members, subject to insurance carrier requirements. The District contribution of four-thousand dollars (\$4,000) can be used to cover benefits for the unit member's eligible dependents and spouse if the unit member had been married to the spouse a minimum of ten (10) years prior to the effective date of the retirement. The unit member shall pay for the benefits above the maximum subject to insurance carrier requirements. If the unit member receiving this benefit dies before their Medicare eligibility age, the unit member's spouse may continue to use the benefit only until the unit member would have attained their Medicare eligibility age.
 - 1. Except for the provision noted in Section I of this Article, a unit member who retired prior to July 1, 2017 shall be entitled to the District's contribution up to two-thousand

two- hundred dollars (\$2,200); except for the provision noted in Section I of this Article, a unit member who retires on or after July 1, 2017 shall be entitled to the District's contribution up to three-thousand three-hundred dollars (\$3,300) under the following conditions:

- a. The retiring unit member is fifty (50) years old or older and has eight (8) years of full-time equivalent service to the District shall receive this contribution for five (5) years.
 - b. The retiring unit member is fifty (50) years old or older and has nine (9) years of full-time equivalent service to the District shall receive this contribution for ten (10) years.
 - c. The retiring unit member is fifty (50) years old or older and has ten (10) years of full-time equivalent service to the District shall receive this contribution for life.

- J. Any retired unit member may purchase insurance benefits from a provider other than the District's. Retired unit members exercising this option must submit proof of insurance and proof of premium payment for reimbursement as determined by the District. The retiree shall be responsible to pay the cost of the insurance benefits over and above the District's contribution.
- K. A unit member must be disabled as defined in the District's disability insurance policy for a period of not less than one-hundred-twenty (120) days before becoming eligible for disability insurance benefits.
- L. The District will not act as a claims processing agent for any fringe benefit program.

ARTICLE 22: VACATION, HOLIDAYS, ABSENCES AND LEAVES

11-16	12	18
17+	14.67	22

Upon request and with the approval of the unit member's supervisor and the CHRO, unit members with less than six months of service may be advanced accrued vacation leave prior to achieving regular status. If employment terminates prior to six- months service, all vacation salary so advanced will be deducted from payments due the unit member.

- D. Vacation time must be taken during the fiscal year in which it is earned or the year immediately following the fiscal year in which it was earned. Exceptions to this rule may be granted by the District upon written request and for compelling reasons.
- E. Unused vacation, up to a maximum of fifteen (15) days per fiscal year, may be exchanged for cash compensation no more than four times per fiscal year.
 1. All Unit Members who submit their request for vacation cashout by the deadline listed on the Payroll website shall be paid by the District by the 10th of the month.
 2. Payroll cashout deadlines are based on Payroll workload and system requirements and will be posted no sooner than six (6) months in advance. It is the Parties' intent that cashout deadlines be set as close to the end of the month as reasonably possible. Once posted, Payroll cashout dates will not change without mutual agreement between the District and CSEA.
 3. If, due to an emergency or unforeseen circumstance, a vacation cashout is needed outside the regular deadlines or in excess of the maximum amount allowed under this Agreement, the payment will be issued as soon as the Payroll workload and system permit, subject to approval by the CEO.
- F. No vacation leave may be used before it has been accrued. Upon request, and at the convenience of the District, a request for advanced vacation leave in special circumstances may be considered with the approval of the unit member's supervisor and the CHRO. If unit members submit vacation requests on the same day, the senior unit member's request will take precedence over the request of the junior unit member

- H. Unit members will make every effort to submit vacation requests no later than ten (10) working days prior to the start of the proposed vacation. Supervisors will make every effort to respond to vacation requests within five (5) working days.

- J. Unit members terminating employment with accrued vacation leave will be paid the hourly equivalent of their salaries for each hour of earned vacation based on the pay rate in effect for the unit member on the last day actually worked. Unit members who terminate employment with less than six (6) months continuous service are not eligible to be paid for accrued vacation.
- K. Unit members may be permitted to interrupt or terminate vacation leave in order to begin another type of paid leave provided by this agreement without a return to active service provided the unit member supplies notice and supporting information regarding the basis for such interruption or termination.

- F. Beginning 2018-2019, the Cesar Chavez Holiday leave, prorated based on the percentage of their assignment, up to a maximum of eighth (8) hours, shall be added to the unit member's vacation leave balance, in July of each year and shall reference the Cesar Chavez Holiday. At

the conclusion of the June 2018 payroll, any balance in the unit member's existing Cesar Chavez leave type shall be transferred to the unit member's vacation leave type. This leave shall be subject to the pre-approval process for vacation leave in Vacation Section G of this article.

G. Unit members may use three (3) days of personal-necessity leave when the District is closed during the annual winter vacation period. Unit members wishing to utilize personal-necessity leave days in such a manner must advise the District of their intentions in accordance with payroll deadlines.

H. The annual schedule of holidays shall be updated in June of each year. The scheduling shall be in alignment with the legally mandated holidays as provided by the State Chancellor's Office as well as the negotiated holidays contained herein this agreement..

I. When unit members are required to work on any of the holidays in *Holidays Section A.* above, they shall be compensated at the rate of time and one-half of their regular rate of pay or given compensatory time off for such work in addition to the regular pay received for the holiday.

1. Days of absence for illness or injury earned pursuant to Article 22.B may be used at the unit member's own discretion for personal necessity reasons, including the following.

- a. Death of an immediate family member as defined in Article 22.D when additional leave is required beyond that provided in Article 22.D.
- b. Accidents involving the unit member's own property or the person or property of a unit member's immediate family.
- c. Appearance in any court or before any administrative tribunal or witness under a subpoena or any order made with jurisdiction.

- f. Birth or adoption of a child by a unit member: per AB 1606 Baby Bonding leave allows a maximum of 30 days of personal necessity leave due to the birth or adoption of a child, which must be taken within the first year of the child's birth or adoption.
- g. Birth, adoption or becoming the legal guardian of a child for a unit member who is a guardian, or grandparent of the child.
- h. Under no circumstances shall personal necessity leave be used for the purposes of extending a holiday or vacation period.

2. After returning from personal necessity leave, the unit member shall complete and submit a District leave request containing the dates involved. The unit member's submission of the leave request shall signify that the activity was in line with the purpose of this article.
3. No earned leave in excess of twelve (12) days (per Ed Code §88207) may be used in any academic year for the purpose enumerated in this article, except for section J.i.f and g above. Personal necessity leave shall be deducted from sick leave earned under the provisions of Article 22.B.

1. **Full-Time Unit Members -** When there is a holiday within a full-time unit member's modified work schedule, they shall have the choice of one of the following with supervisor approval (not to be unreasonably withheld; provided that the supervisor may reject any proposed schedule, which would cause the District to incur an obligation to pay overtime):
 - a. changing the holiday week's working hours to a five-day, eight-hour work schedule;
 - b. receiving a substitute holiday, which shall be used by June 30th of the fiscal year in which it was earned. At the end of the fiscal year, any unused substitute holidays shall be paid out per Education Code 88206. If a holiday falls within a scheduled work week, the work week cannot be shifted in order to receive a substitute holiday;
 - c. changing the holiday week's working hours to a mutually agreed upon work schedule. In a workweek when the holiday falls within the work schedule, the employee may modify their hours worked on the first five days of the work week to make up for the hours lost from the holiday and it is agreed that this will not incur overtime. By way of this language it is agreed that this modification of the work week schedule does not obligate the District to pay overtime;
 - d. or receiving eight hours holiday pay and submitting a leave request for the remaining hours as vacation, compensatory time, discretionary time or dock time (if all other leaves have been exhausted). The supervisor shall not deny this leave request; however, the unit member will submit the leave request through the online leave system with as much advance notice as possible.

prorated holiday hours are less than the number of hours the employee is scheduled to work (see Appendix I for more information).

- b. of receiving a substitute prorated holiday, which shall be used by June 30th of the fiscal year in which it was earned. 5. Unused sick leave is cumulative from year to year without limitation.
6. Unused sick leave will not be paid for upon separation from employment. However, such leave may be accepted by another public employment agency.
7. Sick leave may be drawn upon for medical or dental appointments which cannot be scheduled on off-duty hours. Verification of such appointments shall be submitted to the designated supervisor via an absence leave request form.

D. Extended Illness Leave

1. Unit members who are absent from work due to illness or injury will receive 100 days of extended illness leave (50% pay) per fiscal year after the exhaustion of accrued sick leave. If there is no current or accumulated sick leave, extended illness leave shall be counted from the first day of absence from work. Upon commencing Extended Illness Leave, the Unit Member may apply for use of the Classified Sick Leave Pool to remain in 100% pay status. Extended illness benefits will be applied upon the effective date of illness or injury as noted in a statement from a licensed HCP indicating an illness or injury in excess of five (5) working days.
 - a. The statement from the HCP must indicate the anticipated length of time of the absence and anticipated date of return to work. A release to return to work from an HCP is required prior to the unit member's return to work.
2. Unit members using Extended Illness leave may, in accordance with Article 22 (E), cash out unused vacation to offset the 50% loss of pay, if not approved for Classified Sick Leave Pool, as reflected and planned for in the leave calendars mutually developed by Human Resources and the unit member. Unit member agrees to submit vacation cash out requests monthly as reflected in the leave calendar which may be subject to change. The maximum annual cash out limit does not apply, and can be applied monthly. Extended Illness leave is exclusive of holidays, vacation, discretionary, or compensatory time-off to which the unit member is entitled. Unused extended illness leave is not cumulative from year to year. Unused extended illness leave will not be paid for upon separation from employment.

3. Following the 100-day extended illness leave described above, unit members may elect to utilize any remaining accrued vacation leave, discretionary time, substitute holiday hours, and/or accumulated compensatory time.
4. Unit members who have exhausted all of the benefits indicated above may submit a written request to the District for unpaid illness leave. The request shall indicate the period for which leave is requested, the nature of the unit member's condition, and the date of anticipated return to duty.
5. Unpaid illness leave may be granted upon recommendation by the unit member's immediate supervisor, administrative division head and with the approval by the District for a period not to exceed six (6) months from the date on which the unit member's paid leave resources were exhausted. The Board of Trustees may renew the leave of absence, paid or unpaid, for two (2) additional six-month periods.
6. Vacation, sick or other leave shall not be earned for any period during which a unit member is on an unpaid illness leave. Such leave shall not, however, be considered an interruption in years of service.
7. When unpaid illness leave is granted, the unit member may request to return to work at any time prior to the expiration of the leave. Prior to returning to work, a statement by the unit member's licensed HCP indicating the unit member's fitness to resume performance of regular duties shall be furnished to the District.
8. When a request for unpaid illness leave is not granted or when a unit member is not able to return to work upon the expiration of any unpaid illness leave, the unit member shall be separated from service to the District as follows:

 - b. If there is an additional need beyond what is provided in this section, an employee may use Personal Necessity Leave or supervisor- approved vacation.

F. Classified Leave Pool

1. The District shall establish an annual, Classified Leave Pool equivalent to one (1) day per full-time equivalent (FTE) of leave for each unit member within the bargaining unit. 2. A joint committee consisting of three (3) representatives appointed by the District and three (3) representatives appointed by CSEA shall meet as needed to develop and revise criteria for utilization of the Classified Leave Pool.
3. Unit members may submit requests for use of the Classified Leave Pool to the District's Human Resources Office. Upon receipt, Human Resources will forward the request to the CSEA Chapter President or designee for initial review and approval. Upon verification, Human Resources will finalize the leave calendar.

If there is an additional need beyond the maximum noted above, an employee may use Personal Necessity Leave or supervisor- approved vacation. The leave does not need to be taken consecutively but must be taken within three months of the reproductive loss event.

G. Family Leave

1. The District shall comply with the provisions of the California Family Rights Act (CFRA), California Pregnancy Disability Leave (PDL), and the Federal Family and Medical Leave Act (FMLA). All CFRA, PDL and/or FMLA qualified medical leaves shall run concurrently with any family and medical leave taken. A unit member who has been employed at least twelve (12) months and has worked at least 1,250 hours during the twelve (12) month period immediately preceding the commencement of the leave and who is eligible for other employee-provided benefits will be granted, upon request, an unpaid family care leave up to a total of twelve (12) work weeks in any twelve (12) month period pursuant to the requirement of this article. 1. Maternity leave shall be granted subject to the District receiving a request for maternity leave accompanied by a statement from the unit member’s licensed HCP which states the estimated date on which the leave shall commence, the estimated length of leave of absence, and the estimated date on which the unit member will resume duties.
2. Maternity leave shall commence at such time as the unit member’s licensed HCP certifies that the unit member’s physical condition renders her unable to continue to provide regular service to the District. ARTICLE 27: RECLASSIFICATION, WORKING OUT OF CLASSIFICATION

A. Purpose

1. Reclassification – is the process of determining through job analysis whether the current job classification, as evidenced in the job description, matches the duties and responsibilities of the position. The reclassification process is used to recognize increased responsibilities over time and to provide an opportunity to revise the position descriptions to reflect current job conditions. Reclassifications should be initiated only when there is a permanent change in duties and responsibilities. A change in tools, technology, or an increase in the volume of work should not, in themselves, be the basis of a reclassification.
2. Working out of Classification – is when temporary changes in duties to higher level responsibilities are accommodated by a working out of class stipend, in accordance with Article 8, Section A.
3. Manager, for the purposes of this article, refers to the unit member's immediate supervisor.
4. To be reclassified unit members must have permanent status. Positions which have been in existence for less than one year are not eligible for reclassification.
5. Department budget shall not be considered when deciding whether a bargaining unit member will or will not be reclassified.
6. A position may only be reclassified every two (2) years (per Education Code 88104).

B. Types of Reclassifications

1. Reclassifications can be either initiated by the unit member or management-initiated.
 - a. For unit member-initiated reclassifications, the unit member must have been performing the out of classification duties for a minimum of six (6) months prior to April 1st or October 1st, depending upon the reclassification submittal date in section C.4.a. of this article. The unit member-initiated reclassification questionnaire is available on the intranet and in Appendix H1 of this agreement.
 - b. For management-initiated reclassifications, the unit member will not have the same six (6) months required performance period, as referenced in in B.1.a. above. A management-initiated reclassification shall require agreement between the unit member and the supervisor prior to submission, which will include a list of the out of classification duties being or to be performed with the proposed salary range indicated and a management-initiated reclassification questionnaire signed by both parties. The management-initiated reclassification questionnaire is available on the intranet and in Appendix H2 of this agreement.

C. Submitting the Reclassification Request

1. In the event a unit member believes that they are performing duties that are not consistent

with the unit member's job description, unit members may submit a request for reclassification to the Classification Review Committee

2. The unit member is encouraged to discuss the need for a reclassification with their supervisor.
 - a. Should the supervisor determine that the reclassification is warranted, the supervisor may opt to initiate a management-initiated reclassification review process as outline in Section B.1.b. above.
 - b. Should the supervisor opt not to submit the management-initiated reclassification request as state in Section B.1.b the supervisor shall so advise the unit member. The unit member may still submit the member-initiated request to the Classified Review Committee.
3. If the manager no longer wants the unit-member to perform any duties considered out of classification, they should direct the unit member to cease these duties and submit any documentation necessary to Human Resources for the unit member to receive a working out of classification stipend for the time period the out of classification duties were performed as referenced in Article 8A.
4. Supervisors are expected to provide advice and guidance to the unit member with respect to the process.
5. The following timelines will apply to the submission of the reclassification questionnaire:
 - a. Any request for reclassification, either unit-member or management initiated, must be submitted between the application windows of August 1st and October 1st or February 1st and April 1st for consideration that fiscal year. Approved reclassifications will become effective July 1st for submissions received by April 1st or January 1st for submissions received by October 1st. Although the timeline for final submittal shall be strictly adhered to, the unit member may begin, if desired, the writing and processing of their request prior to those dates to assure compliance with the management review timelines noted in Sections C.5.b. and C.5.c. below.
 - b. Per the directions stated on the unit member-initiated reclassification questionnaire, the unit member will submit their completed reclassification request form to their immediate supervisor and allow ten (10) working days for them to respond.
 - c. The supervisor will forward the completed and signed unit member-initiated reclassification questionnaire to the appropriate Executive Cabinet level administrator and allow ten (10) working days for them to respond. The Executive Cabinet administrator will return the completed and signed unit member-initiated questionnaire to the unit member no later than 3:00 p.m. on the 10th working day after receipt.
 - d. If the unit member fails to allow for the review time periods listed in 5.b and 5.c. and the result is a late submission of the unit member-initiated reclassification questionnaire, the submission will be deemed late and will not be accepted.

- e. For management-initiated reclassifications, the supervisor will follow the timelines and directions on the management-initiated reclassification form and allow sufficient time for the process to be completed prior to either the April 1st or October 1st submission deadline.

APPENDIX D: TOTAL COMPENSATION WORKSHEET

California School Employees Association Appendix D: Total Compensation

Total Compensation Calculation Worksheet

The Total Compensation Calculation worksheet will be prepared by the District at the start of negotiations and provided to CSEA. The District will use Tentative or Adopted Budget data for the year being negotiated, depending on the timing of negotiations, and H&W Census information as of June 1st of the prior fiscal year – which correlates most closely with Tentative Budget salary and benefit data.

Health and Welfare Pool Balance Calculation

The Health and Welfare Pool Balance Calculation worksheet will be prepared by the District and provided to CSEA as soon as Health and Welfare renewal rates are available.

TOTAL COMPENSATION DEFINITIONS

1) Full Time & Permanent Part Time Salaries (Including Steps) – All Funds:

The District will use the most current available fiscal information for all funds for the year being negotiated. Depending on the timing of negotiations, the full-time salaries and steps will be based on Tentative or Adopted Budget.

The sum of

- Total FT and PPT Salaries for Budget Funded Unit member positions
 - Before Step increases
- Step Increases
 - Based on actual placement, calculated using Budget Position Control.

2) Other Compensation:

Other categories of compensation will be based on the same budget, Tentative or Adopted Budget, used for salaries and steps:

The sum of

- Reclassifications
- Overtime Compensation/Paid out Comp Time
- PPT Additional Hours
- Vacation Cash Out
- Educational Incentives

3) Number of Employees – As of June 1st H&W Census:

- Full Benefits: Includes Full-Time and PPT employees eligible for Full Benefits
- Employee Only Benefits: Includes PPT employees eligible for Single party benefits

4) **Health & Welfare Benefits and Negotiated Contribution:**

- Employee Only Benefits – Actual Costs as of June 1st H&W Census: Medical, Dental, Vision, Life
 - Used for Permanent Part-Time Employees who receive employee-only benefits.
- Health & Welfare Negotiated Contribution – Average Per Person (APP):
 - Multiplies the prior year Negotiated H&W Contribution x June 1st H&W Census employees eligible for full benefits.

5) **Total Compensation Base – The Sum of:**

- Full-Time & Permanent Part-time Salaries – All Funds - Before Steps
- Steps
- Other Compensation
- Employee Only Benefits – Actual Cost for PPT Employees
- Total Negotiated H&W Contribution (Average Per Person Negotiated Contribution x Total FT and PPT employees eligible for Full Benefits)

6) **Negotiated Total Compensation Augmentation and Percentage:**

The percentage negotiated for the fiscal year and applied to the Total Compensation Base to calculate the Total Compensation Augmentation.

7) **Total Compensation Allocation – Cost Proposals:**

Proposals are made for increases to H&W Benefits or Other Compensation. The total Cost Proposals are deducted from the Total Compensation Augmentation. The balance is available for Salary Schedule Increase.

8) **Salary Schedule Percentage Increase:**

- This percentage increases each cell of the current CSEA Salary Schedule B and is calculated as:

$$\begin{aligned} &\text{Balance Available for Salary Schedule Increase \$} \\ &\text{Divided by (Unit Member FT and PPT Salaries + Step Increases)} \\ &\quad = \text{Salary Schedule Increase \%} \end{aligned}$$

HEALTH AND WELFARE DEFINITIONS

9) **Negotiated Health and Welfare Contribution Rate – Average Per Person (APP):**

The current year Negotiated Health and Welfare Contribution Rate – Average Per Person (APP) is determined by increasing (if applicable) the prior year per person Negotiated Health and Welfare Contribution Rate by a negotiated average increase.

10) **Health and Welfare Estimated Cost:**

- **Estimated Cost for PPT** – Eligible for Employee Only Benefits – based on health and welfare selections updated as of June 1st H&W Census.

- **Estimated Cost for Full-Time/PPT Employees** – Calculated as total annual health and welfare costs for full-time unit members, and permanent part-time unit members eligible for full health and welfare benefits, based on their health and welfare selections updated as of June 1st H&W Census.
- **Funded Vacant Positions** that are included in the Tentative and/or Adopted budget, depending on timing, and new Full-Time and Permanent Part-Time members eligible for Full Benefits who have not yet made health and welfare selections based on a June 1st census are estimated at two-party HMO (choice with the lowest cost), two-party Delta Dental, two-party VSP, and employee life coverage.

11) **Health and Welfare Negotiated Contribution:**

The sum of:

- The Current Year Negotiated Health and Welfare Contribution Rate multiplied by the number of employees eligible for Full Benefits based on a June 1st census date.
- Actual cost for Permanent Part-time employees eligible for “employee only” health and welfare benefits based on a June 1st census date.

12) **Health and Welfare Pool – Excess or (Shortfall):**

- The difference between Health and Welfare Pool Costs and the Health and Welfare Negotiated Contribution.

13) **Pool Balance Carry Forward from Prior Year:**

The Prior Year’s Health and Welfare Ending Pool Balance (must be zero or a positive value).

14) **Health and Welfare Pool Balance:**

- Calculated by adding the Pool Balance Carry Forward from Prior Year to the Estimated Health and Welfare Pool Balance.
- Positive Health and Welfare Ending Pool Balances may carry forward to the next year or may fund one-time expenses through negotiations.
- Negative pool balances must be addressed by one or more of the following:
 - 1) Making Health Benefit plan changes that would lower the overall premium;
 - 2) Initiating and/or modifying unit member payroll deductions; and/or,
 - 3) Increasing the Negotiated Health and Welfare Contribution.

15) **Tenthly Payroll Deductions:**

- Unit member payroll deductions based on a methodology determined by CSEA that offset H&W costs and increase the Pool Balance.

16) **Total H&W Pool Balance:**

- Final H&W Pool Balance after taking into account any unit member payroll deductions.

APPENDIX H1: CLASSIFIED EMPLOYEE INITIATED RECLASSIFICATION QUESTIONNAIRE

CLASSIFIED EMPLOYEE INITIATED RECLASSIFICATION QUESTIONNAIRE

All completed questionnaire packets must be received in Human Resources with all signatures in place by 4:00 p.m. on the first business day in April or October of each year.
No questionnaires will be accepted after these respective that dates.

Article 27 of the Negotiated Agreement between CSEA and the District allows for employees to request reclassification of their position when their jobs change and they are consistently performing duties which are not consistent with those defined in their job description. In order to be eligible for a reclassification, unit members:

- Must have been employed by the District for at least one (1) year.
- Must not have been reclassified within the last two (2) years.
- Must have been performing the out of classification duties for at least six (6) months prior to April 1st or October 1st dependent upon the reclassification submission date.

This questionnaire is designed to help the reclassification committee evaluate the changes in your job duties. Please provide detailed descriptions of your duties and provide examples. You may attach additional pages if necessary. Please provide a revised job description showing the change in your duties with this questionnaire, if you desire.

Please contact the Director, Recruitment and Employee Services, in the Human Resources office at ext. 3426 to request a copy of your current job description.

SECTION A: General Information/Current Positions

A new and/or additional job duty is a responsibility you have, an action you take, or a combination of several tasks you take in performing your job that are not included on your current job description.

An increase in the volume of work that corresponds to duties already listed on your job description does not in and of itself constitute a new or additional job duty.

2. You must have been performing these new and/or additional duties for at least **6 months** prior to April 1st or October 1st dependent upon the reclassification submission date to qualify for a reclassification.
3. Assign each duty a frequency rating based on how frequently you perform that duty.

Work assignments are given with explicit instructions or you have pre-established procedures to follow. You make few, if any, deviations from established practice without checking with your supervisor.

MODERATE SUPERVISION: Your assigned duties require the exercise of judgment or choice among possible actions, sometimes without clear precedents and often with concern for the consequences of the action. You may or may not work in the presence of your supervisor (this is a very broad category).

GENERAL SUPERVISION: You receive general instructions regarding the scope of the approach to projects or assignments, but the procedures and techniques to use are left to your discretion. This category is usually for technical and professional positions where employees operate with a reasonable degree of independence.

Supervision Continued:

2. Describe three important or significant decisions you make **FREQUENTLY** and **INDEPENDENTLY** in the course of your job:

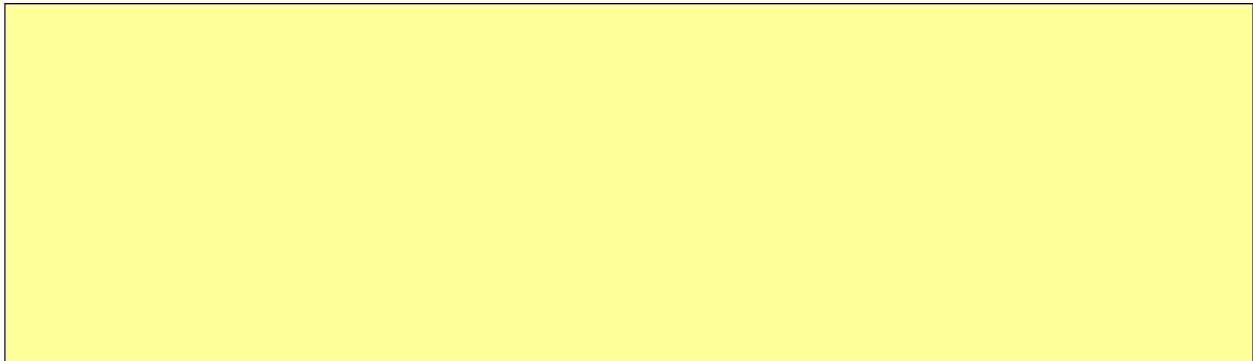

1.

TENTATIVE AGREEMENT: LAYOFF NOTIFICATION

TENTATIVE AGREEMENT

Between the California School Employees Association and its Chapter 725

And the Santa Clarita Community College District

2024/2027 Successor Negotiations

ARTICLE 9: LAYOFF NOTIFICATION

A. Definitions

"Layoff" is defined as an involuntary separation from District service due to lack of work or lack of funds. A layoff includes any reduction in hours, work week, or work year of employment, **voluntarily consented to by the employee, in lieu of a layoff, order to avoid interruption of employment.** This action would also apply to assignment to a job classification or salary grade lower than that in which the employee has permanence other than for disciplinary reasons.

1. "Seniority" is defined as length of service based on date of hire in a regular position. Overtime work or hours performed prior to entering probationary status as a classified employee shall not be included in computing seniority credit. No seniority shall be earned during board reported periods of unpaid separation from the service of the District except during military leave and unpaid industrial/illness leave. If two (2) or more employees have equal seniority as defined by hire date, the employee with the most hours in a paid status shall be considered most senior. If a tie still exists, seniority shall be determined by lot.
2. "Employee" is defined as a classified bargaining unit employee who has probationary or permanent status.
3. "Job Classification" is defined as one or more positions in the classified service that have the same designated title, minimum qualifications, and salary range.
4. "Qualified" shall mean the employee who meets the minimum qualifications as determined by the job description.
5. "FTE" is defined as Full Time Equivalent and refers to the percentage of a full time, forty (40) hour per week assignment, or equivalent Alternative Work Schedule. A 1.00 (100%) FTE is an employee whose regular assignment is the equivalent of forty (40) hours per week. A 0.50 (50%) FTE is an employee whose regular assignment is the equivalent of twenty (20) hours per week.

6. “Months” is defined as the number of calendar months per year the employee has been assigned.

B. Procedures

1. Notwithstanding any other section of the Agreement, the District shall notify the Association in writing of any impending layoff ~~of employees or involuntary~~ reduction in hours ~~voluntarily consented to by the employee, of employees~~ at least four (4) calendar weeks prior to official action by the Board of Trustees. This notice shall be in advance of the March 15th layoff notice requirement under Education Code Section 88017 (a)(1). Upon the written request of the Association, the parties shall meet to discuss the reasons for and alternatives to the layoff or the reduction in hours and/or negotiate the decision and the effects of the decision to layoff or reduce the hours, work week or work year of employees. In the event of a reduction in force in any classification hereafter, layoffs will be in reverse order of seniority with the least senior employee in the job classification that is being eliminated being laid off first.
2. Employees subject to a layoff shall be given written notice of the layoff not less than sixty (60) calendar days prior to the effective date of the layoff, and informed of their displacement rights (if any), and re-employment rights. The Association will receive copies of all layoff notices at the time the employee is notified.
3. A layoff notice shall contain:
 - a. A statement of the reason for layoff;
 - b. A statement of the reason the position has been eliminated;
 - c. A statement of the effective date of the layoff;
 - d. A statement of the employee’s displacement rights;
 - e. A statement of the employee’s re-employment rights;
 - f. An up-to-date seniority list of all classifications in which the employee has seniority;
 - g. A statement that the employee may be eligible for unemployment benefits; and
 - h. A statement regarding the employee’s COBRA insurance eligibility if applicable.
4. The District will notify those employees eligible to exercise displacement rights of the position available to them based on criteria set forth in Section 3 below. After notification of displacement rights (if any), the employee must notify the Office of Human Resources of his/her intention to exercise displacement rights within ten (10) working days.

C. Displacement Rights (Bumping)

1. An employee laid off or reduced from his/her present classification may, in order to avoid layoff, bump into an equal or the next lowest classification in which the employee has actually served based on the employee’s seniority. In order to bump another employee in an equal or lower classification, the employee must have the greater seniority than the person to be bumped. The employee with the least seniority in the classification in which an employee is bumping into shall be bumped first.
2. A unit member displaced by the operation of this layoff procedure shall have the same

layoff rights and may exercise seniority displacement as though he/she was being laid off.

3. If a vacant position exists in a classification into which an employee is bumping, the employee shall have the option of moving into the vacant position.
4. Employees bumping a less senior unit member in the same classification as a result of a layoff or reduction shall not be required to serve a new probationary period.

D. Re-Employment Rights

1. Employees who have been laid off shall be placed on a re-employment list for thirty-nine (39) calendar months.
2. Employees, who, through operations of this Article receive fewer hours or assignment to a lower classification, shall be placed on the re-employment list for an additional twenty-four (24) months for a total of sixty-three (63) months.
3. Offers of re-employment shall be sent by certified mail to the last known address as recorded in the Office of Human Resources and shall be in the reverse order of the layoff as vacancies occur for which the laid off employee is qualified. When more than one employee was laid off on the same date, re-employment shall be based on seniority based on hire date, with the most senior employee being offered a vacant position first.
4. Individuals on a re-employment list shall have up to ten (10) working days from the postmarked date of notice to accept or decline the position being offered. It is the responsibility of the employee to keep the Office of Human Resources informed of how and where the employee may be contacted.
5. Failure to reply within ten (10) working days will be considered a decline of the position being offered.
6. If the employee in a layoff status accepts the position being offered, the employee shall have up to ten (10) working days from the postmarked date of the notice to report for work, unless the CHRO or designee approves of a different date for the employee to report for work. This does not preclude an employee from returning to work in fewer than ten (10) working days. Failure to report to work within ten (10) working days of the notice to report for work or the approved date to report to work will be considered a decline of the position being offered.
7. Employees re-employed pursuant to the Article shall not serve a new probationary period if returning to a classification in which they were formerly permanent.
8. An employee who elects separation in lieu of displacement or who voluntarily accepts reassignment to a vacant position in another classification without exercising displacement rights shall maintain his/her re-employment rights under this Article.
9. Employees in layoff status shall have the right to apply for promotional positions within the District.
10. The Association shall be provided a copy of all re-employment lists for bargaining unit

positions. These lists shall be updated for each and every layoff.

E. Salary Placement

An employee accepting a position in a lower classification in lieu of layoff shall be placed on a step in the salary range of the lower classification which is nearest to, but not higher than, the annual salary he/she would have earned in the former classification. The following provisions shall also be followed:

1. In any case, the salary shall not exceed the maximum step of the new classification.
2. The employee will retain his/her anniversary date for subsequent salary advancement.
3. Salary increments based upon longevity shall continue to be paid in the new classification.

F. Assignment to a Vacant Position

An employee who is qualified may be assigned by the District to a vacant position. The following conditions shall prevail:

1. The District shall determine which positions are vacant;
2. The District shall determine if the employee is qualified for the vacant position;
3. An employee assigned to a vacant position shall have the same rights as an employee exercising his/her displacement rights.

G. Seniority List

1. The District shall provide an up-to-date seniority list at the time any layoff or reduction notice is given.

H. Reclassification

1. In the event two (2) or more employees are reclassified at the same time from a lower classification into the same higher classification, without their previous seniority being transferred with the new classification, the employees for the purpose of layoffs and bumping only are ranked in seniority according to their seniority ranking held in the previous or lower classification. This procedure shall not preclude employees from exercising their displacement rights into any previously permanently held classifications or invalidate their seniority herein.
2. If an employee has re-employment rights to a classification in which they were formerly permanent and which has had the title or duties changed, the District and Association shall meet to discuss and agree upon options for that employee.

I. Miscellaneous Provisions

1. The District agrees that it will attempt to minimize increased workload on existing employees by adjusting their current assignments to accommodate newly assigned work as a result of these layoffs and reductions.
2. No work formerly performed by affected employees shall be transferred out of the bargaining unit or performed by any outside company/agency or volunteer.

3. Based on the uniqueness of every layoff and/or reduction of hours, the Association shall retain the right to negotiate the effects of any layoff and/or reduction of hours for topics that are not considered by this Article.

2. Evaluation Meeting

The supervisor shall review the evaluation with the unit member in a private meeting.

- a. Evaluations shall be solely based on:
 1. Duties outlined in the unit member's job description,

2. The unit member's demonstrated knowledge and proficiency of job duties, and
3. Evaluations shall be based on the supervisor's personal knowledge and direct observations and not reference performance or conduct outside of the designated evaluation period.
 - b. Both the supervisor and the unit member must sign the evaluation form.
 - c. A signed copy will be provided to the unit member.
 - d. The unit member's signature indicates receipt, not agreement, with the evaluation.

3. Evaluation Date, Period and Deadline

The date of evaluation shall be one of the following:

a. Determining the Evaluation Date

The evaluation date is set based on the actual date of hire for the unit member's current position:

- i. **If the unit member is hired between the 1st and 15th of a month**, the evaluation date is the **1st of that same month**.
Example: Hired on May 5 → Evaluation date is May 1.
- ii. **If the unit member is hired between the 16th and the 31st of a month**, the evaluation date is the **1st of the following month**.
Example: Hired on May 17 → Evaluation date is June 1.

b. Evaluation Period

The evaluation period begins on the unit member's evaluation date and ends the day before the unit member's next evaluation date.

c. Evaluation Deadline

The evaluation must be completed by the end of business on the last day of the month following the end of the evaluation period. The evaluation process is not considered complete until the evaluation is reviewed jointly in a one-on-one meeting with the unit member, allowing them an opportunity to respond.

If the evaluation is completed by the last day of the month following the end of the evaluation period, it shall not be deemed late for purposes of a default rating as outlined in Section (d) of this Article. Any matters occurring after the evaluation end date may only be discussed between the supervisor and the unit member outside of this evaluation.

Evaluation Examples:

- Hired on **March 10** → Evaluation date = **March 1** → Evaluation due by 5pm on **March 31st**

- Hired on **August 20** → Evaluation date = **September 1** → Evaluation due by 5pm on **September 30th**

d. Missed Deadline

If the evaluation is not completed by the deadline, the unit member shall receive a default overall evaluation rating of "**Meets Standards**", accompanied by the following comment:

The unit member is receiving a default "Meets Standards" evaluation due to the missed deadline for completion. This default rating is not reflective of any fault or performance issue on the part of the member. Unit members may submit a written response within thirty (30) days of signing the default evaluation.

e. Basis for Evaluation

Refer to Appendix C for the approved evaluation form.

4. Self-Evaluation

Self-evaluations are optional.

- a. If completed, they must be prepared prior to the evaluation meeting and retained by the unit member until the meeting.
- b. The self-evaluation shall not serve as the basis for the annual evaluation.
- c. There shall be no reprisals for failure to complete a self-evaluation.

5. Addressing Negative Information

Any "Needs Improvement" or "Unsatisfactory" rating included in the evaluation must be:

- a. Based on concerns previously discussed with the unit member when the supervisor became aware of them;
- b. Accompanied by a plan for improvement when first addressed; and
- c. Supported by documentation of progress or lack thereof.

6. Right to Respond

Unit members shall have up to thirty (30) days from the date of the evaluation meeting to submit a written response.

7. Performance Improvement Plans (PIP)

Evaluations indicating an overall rating of less than satisfactory performance shall include specific recommendations for improvement from the supervisor. It shall not be considered a violation of this Agreement for a PIP to include additional evaluations, specific and relevant to the PIP, within the term of a single evaluation period.

F. Reassignment

2. Other Reassignment

a. Upon mutual agreement, the District may initiate a reassignment of a unit member from his/her current classification to a lower classification due to a change in District operations, including but not limited to, reorganization, workplace relationship challenges, such as conflicts in work styles or team dynamics, or the termination of grant funding. TENTATIVE AGREEMENT: DISCIPLINE

TENTATIVE AGREEMENT

Between the California School Employees Association and its Chapter 725

And the Santa Clarita Community College District

2024/2027 Successor Negotiations

ARTICLE 15: DISCIPLINE

A. Disciplinary Action

1. Probationary employees may be dismissed without cause at the recommendation of the Chancellor to the Board of Trustees.
2. The District may discipline a permanent classified employee for just cause. Progressive discipline shall be applied to assist the employee and give him/her the opportunity to improve and correct negative, unacceptable work habits or violation of rules.
3. Counseling sessions, verbal warnings, and negative performance evaluations and written reprimands may serve as pre-disciplinary action.
4. Forms of disciplinary action are subject to due process and may include, but are not limited to, the following: dismissal; suspension (without pay); demotion (which may include a reduction in pay); reassignment; and removal from the overtime rotation.
5. In the case of gross misconduct, steps in the progressive discipline process may be eliminated. Except in those situations where gross misconduct is found, a permanent employee whose work or conduct is of such character as to incur discipline, the following steps shall be followed in order:
 - a. Removal from overtime rotation (only applies to departments where a scheduled overtime rotation exists).

b. Suspension without pay – A unit member may be suspended for up to thirty (30) working days, without pay, for disciplinary purposes.

c. Reassignment or demotion if applicable:

i. Reassignment: A unit member may be reassigned for disciplinary purposes after

being afforded due process. Reassignment may include a change in supervisor,

duties, shift, work location, and/or similar job classification. Reassignment for the

purposes of this Article is not a demotion or change in pay range (with the exception of supplementary pay associated with specific work shifts).

ii. Demotion: In the event of a demotion, the unit member shall maintain his or her status as a permanent employee. The unit member's evaluation date shall be changed to reflect the hire date of the new position. The salary step advancement date, for purposes of step increases, shall not change.

iii. A unit member who is demoted will be placed at the step of the appropriate range that will give the unit member a salary that is as close to being within five (5) percent of their current salary as possible; this may result in a salary decrease but not an increase. When the unit member's salary step advancement date and the effective date of the demotion coincide, the salary step advancement increment shall be applied before the demotion computation is made.

d. Dismissal – A permanent member of the classified service may be discharged for just cause at any time. Formal written notice of discharge may be made after considered action during a period of suspension.

6. An employee may request a CSEA representative during any investigatory interview that the employee reasonably believes could lead to discipline. 3. Unit members may submit requests for use of the Classified Leave Pool to the District's Human Resources Office. Upon receipt, Human Resources will forward the request to the CSEA Chapter President or designee for initial review and approval. MEMORANDUM OF UNDERSTANDING: REQUEST FOR PROPOSAL

Memorandum Of Understanding Between Santa Clarita Community College District And California School Employees Association and its Chapter 725 (CSEA)

This language establishes a Memorandum of Understanding (MOU) between the Santa Clarita Community College District ("District") and the California School Employees Association and its Chapter 725 (CSEA). We hereby confirm that we have negotiated, in good faith, and reached an agreement on the following:

- The District will conduct a Request for Proposal (RFP) process in order to contract with a company to conduct a market analysis of the classifications and compensation of all Classified Professionals.
- CSEA members will be invited to participate in the RFP process as a part of the RFP evaluation committee for selecting a company to conduct the study. There will be an equal number of administrators and CSEA members on the RFP evaluation committee. This participation will include providing input into the scope of work, evaluation criteria, and requested deliverables. The evaluation committee will read, evaluate, and score each proposal based upon the agreed upon evaluation criteria and scale. All evaluation committee members will participate in vendor presentations or interviews, if applicable, and selection of recommended vendor to present to the Board of Trustees for approval. All RFP legal and ethical requirements will be followed by both parties.
- If the RFP process has not been initiated within 90 calendar days of this agreement's execution, either Party may request a renegotiation meeting to assess delays and determine next steps and may opt to void the MOU if no alternative agreement can be reached.
- Both parties agree to pause all reclassifications until a) study results are received and implementation is negotiated, or b) 2 years from the commencement of the study, whichever is sooner. This pause shall be effective fourteen (14) business days after the CSEA 610 approval and ratification by the classified membership of this MOU. Unit

members may submit reclassification requests up until this deadline. Any reclassification request received prior to the pause shall be processed and implemented in accordance with the existing procedures.

- During the pause of reclassifications, any additional duties that fall outside a Classified employee's job description will be eligible for a temporary out-of-class assignment in accordance with the CSEA contract.
- Both parties agree to negotiate the terms of the implementation of the study once the results are received.
 - The agreement should include a timeline for implementation.
 - No unit member shall experience a reduction in pay as a result of the study.
 - If a position is found to be currently placed in a salary range above the recommended range:
 - The incumbent shall be grandfathered into their current range and continue normal step progression. No unit member shall receive a Y-rating as a result of the findings.
 - When the incumbent vacates the position, the position will be rehired at the range determined by the study.
 - If a position is found to be undercompensated:
 - The incumbent shall be placed in the newly determined range at the closest step that does not result in a net decrease in pay from their current salary.
- Both parties agree to implement the study's recommendations as soon as possible but not more than 3 years from when the Board approves the vendor. Upon the conclusion of the study, the parties shall enter into negotiations to determine the terms of implementation, including but not limited to the timeline for implementation and the effective dates for any subsequent retroactive payments.
- If a CSEA member leaves their position and the position was determined to be at a lower rate, the District will rehire the position at the rate determined by the market analysis.

The above is agreed to by both CSEA and the District.
